Superintendent's Report

May 15, 2018

- **1. Goal #1:** Wakefield Community School will provide students an education that develops relationships utilizing a relevant curriculum that infuses technology providing 21st Century learning for all students. (Curriculum, Americanism & Technology)
 - a. NDE announces the next curriculum revision will be social studies next year.

 Typically the curriculum adoption process at the state level experiences considerable constituent and state political debate. Given this year's legislative attempt to require high school graduates to pass the social studies components of the U.S.

 Naturalization exam, I am expecting considerable debate.
 - **b.** Wakefield vocational department developed and submitted a reVision Action Plan which was submitted on May 1st. Having a reVision plan into NDE is a requirement for reVision grant applications, which we will be able to apply for the upcoming three years. The reVision process goal is to design high quality college and career ready students capable of being competitive for H3 careers.
- **2. Goal #2:** Wakefield Community School will make an efficient use of all resources. (Business & Finance)
 - a. The budget for May reflects that the district is 9.18% under budget for the year. Local General Fund tax receipts in April was \$289,033 and expenditures of \$432,142. This month the budget reflects 42.95% is unencumbered compared to 41.05% unencumbered the previous year. Fund balances as of May 1, 2018 are: General Fund \$821,271; Lunch Fund \$148,224; Bond Fund \$38,697; Depreciation Fund \$627,258; Employee Benefit Fund \$25,760; Special Building Fund \$628,309; Qualified Capital Purchase Undertaking Fund (QCPUF) \$104,465 and Interim Fund is \$2,589. Total unencumbered funds all funds is \$2,395,084.
 - b. Wakefield Elementary applied for the state Fresh Fruits and Vegetables grant for next year. The grant is open to schools with 50% or greater free and reduced lunch count. Wakefield is at 57% district wide this year. Last year we did not receive the grant as NDE ran out of funding based upon school requests and schools with higher free/reduced lunch rates. I am expecting to hear whether we are awarded the grant for grades PreK 6.

- **3. Goal #3:** Wakefield Community School will facilitate communication with staff, parents, patrons, and students (Public and Personnel Relations)
 - a. The Gardner Foundation has awarded \$12,700 for the purchase of a computerized plasma cutter for the Industrial Technical Education program. Mr. Burenheide applied for the grant to provide our ITE vocational students the opportunity to learn an industry standard for metals and welding. Several of the awards at this year's athletic banquet were designed and cut using the digital plasma cutter. Wakefield Community Schools and the ITE students thanks the Gardner Foundation for their support.
 - **b.** Congratulations to the Wakefield FCCLA Chapter earning a Silver Chapter Award for their overall program performance in 2017-18.

4. Miscellaneous

- a. Board needs to decide who will be handing out diplomas for graduation on Sunday, May 20th. I will have reserved seating for board members on the floor at graduation. Diplomas will also need to be signed at Tuesday's board of education meeting.
- **b.** Friday is our retirement and staff leaving recognition, beginning at noon in multipurpose room. Generally, a BOE member attends and recognizes staff. We have a cake for the ceremony as well. Do I have a volunteer(s)?
- c. NASB School Law Seminar is scheduled for Friday, June 15, 2018 in Kearney. Conference registration is \$155. If you would like to attend please let Becky or I know so we can register you and get you a motel room for Thursday night.

FORMAL ACTION ON THE COOPERATIVE AGREEMENT WILL OCCUR AT THE MAY 2018 BOARD OF EDUCATION MEETING.

The board special committees met on March 15, 2018 to discuss a possible cooperative athletic agreement for the upcoming school year. Considerable discussion focused on the outcomes gained from Allen's discussions with other school districts. Allen Consolidated Schools recognizes that the benefits of an athletic agreement is not as significant to Wakefield as it is to Allen. Simply stated the census of students is declining. Allen Consolidated Schools desires to commit to a longer term relationship with another district. The Allen committee stated that their positive relationship with Wakefield is a major consideration for cooperating with Wakefield.

The special board committees agreed to discuss the proposed cooperative agreement at the April board of education meetings and plan to move forward with a cooperative agreement at the May 2018 board meetings. They asked both superintendents to develop a plan for board approval in May. A tentative community meeting is scheduled for April 19 at 6:30pm in the Wakefield main gym.
