Information Item

The majority of this update will take place at the Foundation meeting. However, I placed this on the board agenda in the event something else needs to be addressed by the Board of Education regarding the Farm to Fork program.

6.H. Stratton internet

Information Item

After ten years of talking to Great Plains and them saying it would cost us \$20,000 to run fiber into the building in Stratton for wired internet and cost us another \$20,000 per year for the connection fees, the tune has changed. Now, they have told Patrick that they alrerady have fiber in the ground and we could connect from the high school (where all of our internet runs) to Stratton via their fiber for 48 months at a cost of \$2,532 (\$52.75 per month) for a 100 Mbps connection. I think we can e-rate that and have the price further reduced.

Currently we use four radio transmitters: Stratton Elementary to water tower then water tower to the high school. If we had to replace the two big radios that transmit data from Stratton to Benkelman it would cost more than \$2500.

This item is for your discussion and information.

6.I. Substitute teacher pay

Other schools in our area are paying more than we currently are. Last summer we raised the price to \$105. We have subs who will not work here when they can drive to other schools for more money. We will be recommending a raise in sub pay.
