McCook School Board Report
May 13, 2019
Special Education Dept., John Hanson, Director

- 1) Thanks to everybody (paras, teachers, admin) that helped with proctoring the various state tests either in a 1:1 or small group capacity this past month...giving our most needy students the best chance to succeed.
- 2) Jennifer Juenemann has accepted the Speech/Language Pathologist position that Jennifer Jimenez held.
- 3) We have a verbal acceptance from a School Psychologist Intern for next year replacing Robin Bennett. An intern needs to have a supervisor for at least two hours a week, and we are narrowing down options for that piece, then she will sign her contract for board approval. Interns can do everything a fully certified School Psych does, but has a limit (50) of the number of sped evaluations they can do. We have a plan in place for what to do if/when we get to that number next year.
- 4) Little Bison Preschool students went on a field trip to Common Scents and Schmick's Market last week.
- 5) Little Bison Preschool graduation will be Thursday, May 16th at 6:30 PM.
- 6) Working on completing the 2019-20 Peak grant for ESU 15...in the amount of \$50,000. It pays for regular and sped staff to attend the state MTSS conference, as well as sub stipends for staff to attend four days (two in the fall and two in the spring) of MTSS training at ESU 15, led by a state presenter.
