## STAFF SOCIAL MEDIA POLICY

Columbus Public School District realizes the importance of all district personnel, students and parents engaging, collaborating, learning, and sharing in digital environments as a part of 21st-century learning. This policy and attached regulation is to provide direction for CPS personnel, board members, volunteers, and sponsors when participating in online social media or digital platforms. The CPS District social media guidelines define a need for a distinct separation between personal and professional social media accounts.

This social media policy applies to all CPS personnel, board members, volunteers, and sponsors. This policy covers all digital communications such as social media, digital media platforms, social networks, blogs, photo sharing, wikis, online forums, and video sharing. CPS personnel, board members, volunteers, and sponsors are not permitted to encourage students (preK-12) enrolled at CPS to create social media accounts of any kind.

All CPS employees, board members, volunteers, and sponsors who choose to utilize social media or any other digital platforms as an educational tool, to provide classroom or activity information, or to communicate to students and parents must create a professional page. The professional use scope applies within school facilities, transportation, or school-sponsored activities where one is acting as a school representative. All professional accounts or pages must be connected to your assigned district email. No other email account should be associated. Posts must be exclusively about classroom learning or school-related activities and used to promote your classroom, school, and district where appropriate.

The district reserves the right to periodically conduct Internet searches to determine if employees have posted inappropriate materials online. If inappropriate use of computers and websites is discovered, the Superintendent and his or her designee will download the offensive material and promptly bring misconduct to the attention of the Superintendent.

## **Columbus Public School District Social Media Guidelines**

### **The purpose of Social Media Guidelines:**

The Columbus Public School District realizes the importance of all district personnel, students and parents engaging, collaborating, learning, and sharing in digital environments as a part of 21st-century learning. To this aim, the Columbus Public School District has adopted the following guidelines to provide direction for CPS personnel, board members, volunteers, and sponsors when participating in online social media or digital platforms. The CPS District social media guidelines define a need for a distinct separation between personal and professional social media accounts.

This social media policy applies to all CPS personnel, board members, volunteers, and sponsors. This policy covers all digital communications such as social media, digital media platforms, social networks, blogs, photo sharing, wikis, online forums, and video sharing. CPS personnel, board members, volunteers, and sponsors are not permitted to encourage students (preK-12) enrolled at CPS to create social media accounts of any kind.

### **Professional Use Responsibility:**

All CPS employees, board members, volunteers, and sponsors who choose to utilize social media or any other digital platforms as an educational tool, to provide classroom or activity information, or to communicate to students and parents must create a professional page. The professional use scope applies within school facilities, transportation, or school-sponsored activities where one is acting as a school representative. All professional accounts or pages must be connected to your @discoverers.org email. No other email account should be associated. Posts must be exclusively about classroom learning or school-related activities and used to promote your classroom, school, and district where appropriate.

- The approved professional digital platforms are: Facebook, Twitter, Instagram, Remind, Class Dojo, SeeSaw, @discoverers.org GSuite Programs (YouTube, Classroom, etc.) *All other platforms are currently not approved for professional use within the district without written prior permission from the Superintendent.*
- You may share content from a CPS professional page to your personal digital platforms.
- All professional accounts must be open and viewable to the public. No closed or private groups or pages are allowed.
- All small group or direct message communication must take place via one of the district's approved communication platforms (i.e. email (@discoverers.org), Remind, Class Dojo, SeeSaw, Google Classroom, etc.).

- CPS employees are responsible for all content they publish online. As the administrator of your social or digital media platforms, you are responsible for monitoring all public postings and conversations. You may address all comments or postings in the public forum, but any 1:1 'closed' or 'private message' conversations must occur through district-approved channels.
- Posting pictures on digital platforms:
  - Individuals posting on platforms need to be aware of students with photo restrictions before posting on school-related or school-sponsored social media.
  - Pictures may only include the child's first name. Teacher names are okay.
  - First and last names may be listed for building or district-level awards, any extra-curricular activity as well as students who participate outside of the school day at activities open to the general public (e.g. Student of the Month, Band Concert, Basketball game, Honors Night).

### **Personal Use Responsibility:**

CPS employees, board members, volunteers, and sponsors who choose to utilize personal social media, digital content, social networking sites, or any other digital platforms should be mindful of the information they post. These platforms may include but are not limited to Facebook, Twitter, Snapchat, Instagram, Blogs, Wikis, Podcasts, Digital Images & Video, etc. Your social networking is an extension of your personality, your professional life, and your classroom.

- CPS personnel are personally responsible for all comments, shares, posted information, and any hosted content they publish online. There are many websites that allow users to share personally created movies. You are responsible for all you do, say, and post online, including videos.
- Comments related to CPS, its personnel, students, and/or events related to CPS should always meet the highest standards of professional discretion. When posting, ensure content associated with you is consistent with your professional role at CPS.
- If you are representing the district or school in any capacity, you may not post or share pictures, videos, or information regarding students **directly** on any of your personal social media or digital platforms. You may share information from CPS professional platforms to your personal page. CPS students cannot be included or used for promotional purposes for personal gain.
- It is your responsibility to familiarize yourself with the security settings for any social media or digital platform you use. Be mindful that digital messages such as *Tweets* and *Status Updates* are visible and public. Even with the strictest privacy settings your conversations or comments may end up being shared into a more public domain. Be aware of the public and viral nature of such media and refrain from any comment and/or #hashtags that could be deemed unprofessional.

- Thought should be given as to whether the images or posts reflect on your professionalism. Be mindful of things such as clothing, location, alcohol, and/or tobacco in photos and ensure material reflects a professional image as a role model for children in our district.
- CPS personnel, board members, volunteers, and sponsors are not permitted to solicit or accept “Friend” requests from enrolled CPS students on any personal Social Media Account. (Board policy 504.24)
- No private or 1:1 communication with *students* is allowed through personal or professional social media platforms. Communication should be done through approved platforms such as email (@discoverers.org), Remind, Class Dojo, SeeSaw, Google Classroom, etc.
- Harassment or bullying of any kind will not be tolerated. (Board policy 404.06 and board policy 504.19)

**The district reserves the right to periodically conduct Internet searches to determine if employees have posted inappropriate materials online. If inappropriate use of computers and websites is discovered, the Superintendent’s designees will download the offensive material and promptly bring misconduct to the attention of the Superintendent.**

**Overall Reminders for Using Digital Communication or Social Media:****Always a School Employee:**

The lines between personal and professional, public and private, are blurred in the digital world. Whether identified or not, you will likely always be considered a district employee. Add value to discussions and share what you know to be accurate. Online contributions should be well written. If you choose to have a professional account, post regularly, respond to other's posts, answer questions, etc. to encourage readership and followers.

**School Values:**

Represent CPS in a positive and respectful way. Digital posts, shares, and communications should be done in a professional manner. Your posts, comments, and shares should help build and support our school community.

**Own and Correct Mistakes:**

Mistakes may happen and in the event they do, admit the mistake and correct it as quickly as possible. Communicate with our Communication's Director so he or she can help address the issue effectively.

**Knowing which tool to use:**

Give thought to which digital platform or communication tool will work best for the message you are delivering to your group. For example, to communicate a time change for practice use Remind or email as opposed to a public posting on Twitter.

**Definitions for reference:**

**Term:** Personnel

**Definition:** Any CPS instructional employees, teachers, classified personnel, support staff, coaches, or sponsors

**Term:** Personal

**Term:** Professional

**Definition:** Social media is your multi-media resume to showcase your classroom learning, school-sponsored activities, and provide transparency into the classroom. It provides you with a platform to connect and build your ideas, information, and leadership.

**Term:** Social Media Account

**Definition:** A personalized presence inside a social networking channel, initiated at will by an individual. YouTube, Twitter, Facebook, Instagram, SnapChat and other social

networking channels allow users to sign-up for their own social media account, which they can use to collaborate, interact and share content and status updated. When a user communicated through a social media account, their disclosures are attributed to their User Profile.

**Term:** Social Media Channels

**Definition:** Blogs, micro-blogs, wikis, social networks, social bookmarking services, user rating services and any other online collaboration, sharing or publishing platform, whether accessed through the web, a mobile device, text messaging, email or other existing or emerging communications platforms.

**Term:** Professional Social Media

**Definition:** Professional social media is a work-related social media activity that is either school-based (e.g., a CPS principal establishing a Facebook page for his/her school, school department or CPS teacher establishing a blog for his/her class or coaches/sponsors establishing a forum to discuss the activity)

Social media disclosures are the actual communications a user distributes through a social media channel, usually by means of their social media account.

**Term:** Controversial Issues

**Definition:** Issues that form the basis of heated debate, often identified in political campaigns as wedge issues, since they provoke a strong emotional response. Examples may include things such as political views, health care reform, education reform, and gun control.

**Term:** Inbound Links

**Term:** Hosted Content

**Definition:** Text, pictures, audio, video or other information in digital form that is uploaded and resides in the social media account of the author of a social media disclosure. If you download content off of the Internet and then upload it to your social media account, you are hosting that content. This distinction is important because it is generally illegal to host copyrighted content publicly on the Internet without first

obtaining the permission of the copyright owner.

**Term:** Copyright

**Definition:** Copyrights protect the right of an author to control the reproduction and use of any creative expression that has been fixed in tangible forms, such as literary works, graphical works, photographic works, audiovisual works, electronic works, and musical works. Bullying and cyberbullying is defined as an ongoing pattern of physical, verbal, or electronic/digital cyberbullying abuse on school grounds, using a school-owned device or account, in a vehicle owned, leased, or contracted by a school being used for a school purpose by a school employee or his or her designee, or at school-sponsored activities or school-sponsored athletic events.

**Term:** Superintendent

**Definition:** The Superintendent by definition may include his or her designee.

## TRAVEL

It shall be the policy of the Columbus Public Schools that the learning program allows for purposeful educational travel appropriate for elementary and secondary students. This travel shall only be used to enrich and extend essential classroom learning by placing students into situations and locations that a teacher(s) are unable to address, simulate, or replicate appropriately in the classroom. Educational travel shall always be a well-planned learning experience and must always be approved by the building principal or the principal's designee. Such travel shall absolutely not be used to reward or punish students.

Purposeful, meaningful, and well-planned education travel, involving trips into the community and immediate region, are encouraged at all levels if linked to essential classroom learning. Such travel generally is classified as a field trip.

The Board of Education in 2007 established a policy in which it would pay up to \$250 per student for out-of-state academic competitions **for which students qualify**.

Educational travel outside the State of Nebraska for domestic travel shall be restricted to students in grades ~~three~~ **seven** through twelve. ~~Educational travel outside the state of Nebraska for foreign travel shall be restricted to student in grades nine through twelve.~~ Travel requiring students to stay overnight must be approved by the building principal and the Superintendent. This travel must be approved by the Board of Education 12 months prior to trip. Special permission may be granted to an organization to make a short out-of-state trip to participate in a special event; for example, Midwest Band Clinic in Chicago, Presidential Inauguration in Washington, D.C., or a major jazz festival.

### Non-School Sponsored Travel

**In terms of out of country (foreign) travel, the district does not participate in summer travel to foreign countries. All planning and recruiting of students for such travel must take place off of school properties so to not confuse the trip being sponsored by the district or school. However, foreign travel may happen due to qualifications through state and national competitions and will be restricted to students in grades nine through twelve and approved by the Superintendent and Board of Education.**

Whether a short field trip within Columbus or travel ~~to another country~~ out of state, travel is discouraged whenever the time and expense to travel exceed the time available for students to engage in the learning directly or when the quality of the learning is not sufficient to justify the time and expense.

All travel shall be properly supervised by a school employee or employees. Parents and/or other adults, however, may be permitted to help in such supervision under the direction of a school employee.

## INSTRUCTION - TRAVEL

Regulations for Field Trips

1. All field trips, and the arrangements for them, must have the approval of the building principals or the principal's designee in a manner specified by the building principal. Learning activities requiring students from multiple elementary buildings to travel shall be approved and coordinated with the Director of Curriculum or ~~the Director's~~ **their** designee. Trips requiring overnight arrangements shall be limited to students in grades seven through twelve unless approved by the Superintendent.
2. The purpose of the field trip must be clearly defined, related to an essential classroom learning, meaningful and appropriate for students, and of high quality. Field trips shall not be used to punish students but may be used as an incentive to improve student performance as long as the criteria for participation is applied and communicated to all eligible students in a timely fashion prior to the time of the trip. In addition, the total time necessary for **travel** must not exceed the time available for students to directly engage in learning.
3. The cost of a field trip shall be determined in advance, and each building principal has the responsibility to see that the cost associated with the trip is reasonable and appropriate.
4. School employees shall appropriately supervise each field trip so that good student discipline is maintained both while traveling and while students are engaged in learning. Parents and other adults may help with such supervision under the direction of a school employee.
5. Each child who goes on a field trip must have written parental consent, and parents must be notified in advance of the field trip about the arrangements for the field trip. Such parental notification, however, shall not be initiated before obtaining appropriate administrative approval for the trip.
6. Arrangements for school bus transportation will be made well in advance, as directed, and without disrupting regular school bus schedules. The school bus safety code will govern the behavior of students while on the bus. Trip sponsors are responsible for the conduct of students while on the bus and while students are engaged in the learning activity.
7. Alcohol use, drug use, or other activities **not permitted in the student handbook (including but not limited to the use of tobacco, vaping, and harassment)** that place the student, other students, supervisors/sponsors, the public, or property at risk are strictly prohibited. Students who use alcohol, drugs, and/or act in a way that places the student, other students, supervisors/sponsors, the public, or property at risk shall receive a long-term suspension and/or expulsion from school upon their return from the trip. Each

incident will be evaluated by the building principal to determine the appropriate consequences for the student or students involved in such misconduct.

8. Students, teachers, and building principal will evaluate each field trip. A brief, written, evaluative summary of each trip is to be provided by the teacher to the building principal in a fashion specified by the principal.

### Regulations for Domestic and Foreign Travel

1. All domestic ~~and foreign~~ travel shall have the recommendation of the building principal and the Superintendent before such travel will be considered by the Board of Education. Domestic ~~and foreign~~ travel shall not be used to punish students, but may be used as an incentive to improve student performance as long as the criteria for participation is applied and communicated to all eligible students in a timely fashion prior to the time of the trip. Approval for domestic ~~or foreign~~ travel shall be by an affirmative vote of the Board of Education at a regular or special meeting of the Board.

2. Domestic travel, travel involving an overnight stay, will be restricted to students in grades seven through twelve. Foreign travel **may happen due to qualifications through state and national competitions** and will be restricted to students in grades nine through twelve ~~unless otherwise~~ **and approved by the Superintendent and Board of Education.**

3. The purpose for such travel must be clearly defined, related to an essential classroom learning, meaningful and appropriate for students, and of high quality. The following must be submitted, in writing, to the building principal to begin the process of consideration:

- the purpose and rationale for travel;
- a complete travel itinerary;
- an explanation of the involvement of commercial agents (their obligations and any agreements to be entered into);
- arrangements for food and lodging;
- transportation arrangements;
- a plan of supervision, including the number of supervisors;
- all direct costs and an estimate of associated costs; and
- the method of evaluation.

4. Every effort should be made to provide all willing and qualified students with an opportunity to participate in such travel by eliminating, or substantially reducing, any financial cost to the student. If cost cannot be eliminated, sufficient time prior to the time of travel shall be provided to allow students a realistic opportunity to raise the money necessary to cover costs.

5. Supervision of traveling students shall be provided by a school employee. Parents and other adults may assist in such supervision as sponsors. For these types of trips, the following supervisor-to-student ratios will be used. A group of 15 students must have a minimum of 2 adult supervisors, a group of 16-24 students must have a minimum of 3

adult supervisors, and a group of 25-36 students must have a minimum of 4 adult supervisors. For larger groups ~~on foreign travel~~, the maximum supervisor-to-student ratio must be 12 students to each adult plus one extra adult supervisor. Members of the school employee's family shall not be allowed to travel with the group unless qualified for such travel as a student of the Columbus Public Schools or unless as an adult sponsor.

Travel supervisors and sponsors are responsible for student conduct at all times during the trip. Throughout the trip, supervisors/sponsors will have daily contact with each student and when applicable, the adult host of the student to evaluate his or her situation and to monitor his or her experience. In addition to daily contact, the supervisors/sponsors will implement a logistically possible plan to contact a limited number of students in person. How students are selected for direct contact will be at the discretion of the supervisor/sponsor.

6. Unless specifically a requirement of a class, students shall voluntarily participate in such travel without receiving educational credit from the Columbus Public Schools for their participation.

7. Unless specifically a requirement of a class, class time shall not be used for planning or organizing such activities. This does not, however, prohibit brief initial announcements, interest assessment, or providing printed information about the travel opportunity through bulletins or postings approved by the building principal.

8. Each student who travels must have written parental consent, and parents must be notified well in advance about travel arrangements prior to the trip. Such parental notification, however, shall not be initiated before obtaining Board of Education approval. In addition, unless specified otherwise by the Superintendent upon the recommendation of the lead sponsor and the building principal, only students in good standing academically ("on track" to be promoted or to graduate on time and a grade point average of C or higher in the class associated with the trip) and in good standing behaviorally (no prior school incidents involving alcohol use, drug use, or incidents involving long-term suspension and/or expulsion) shall be eligible for domestic or foreign travel.

9. Alcohol use, drug use, or other activities that place the student, other students, supervisors/sponsors, the public, or property at risk are strictly prohibited. Students who use alcohol, drugs, and/or act in a way that places the student, other students, supervisors/sponsors, the public, or property at risk shall receive a long-term suspension and/or expulsion from school upon their return from the trip. Each incident will be evaluated by the building principal to determine the appropriate consequences for the student or students involved in such misconduct.

10. Students, teachers, and the building principal will evaluate each field trip. A brief, written evaluative summary of each trip is to be provided by the teacher to the building principal in a fashion specified by the building principal.

### Non-School Sponsored Travel

On occasion, students have the opportunity to participate in trips that appear to have a connection to the District and outside the regular school calendar, but which in fact are not school-sponsored. Some examples: (1) travel with a club sport team, even though the club team may be coached by our high school coach; (2) a band traveling to an out-of-state band contest that is arranged by a Booster Club; and (3) a foreign language teacher taking students abroad during the summer.

These opportunities are often worthwhile and beneficial to students. The message we want to make clear, however, is that these opportunities are not school-sponsored activities. All arrangements for such trips, including costs, travel, supervision, and safety are the responsibility of the group or person making the trip available to students. Columbus Public Schools has no responsibility for such trips. Anyone who is uncertain as to whether or not a particular opportunity is school-sponsored should contact the Superintendent, building principal, or Athletic Director.

Every effort should be made to restrict summer travel to in-state camps and competitions. Special circumstances may arise where an event or opportunity for students is not offered within the state for certain activities. Under these circumstances travel should be limited to a radius of 250 miles from Columbus.

Columbus Public Schools Board of Education

Last year you approved once again a *Close Up* trip for Columbus High School students to Washington D.C. for the 2019-20 school year. *Close Up* is a non-profit educational program for students and teachers that use our nation's capital as a living classroom. Our trip is schedule for March 21-27, 2020, when Columbus students will learn about citizenship, the government, and our nation's history including visits to the Korean, Vietnam, and World War II Memorials. We are excited about this opportunity and would like your help easing the burden of the cost for our students.

Over the last eight years we have had 109 students attend and our goal is to once again send at least 20 students to Washington D.C. this spring. The cost for each student will be \$2134.00, which is asking a lot for some of our families. Therefore, we would like the Board Of Education to consider once again providing scholarships for students to help them pay for their airfare. Last year you provided \$4000.00 that was divided by the students that attended. We would like you to consider helping out again. We would need to know the amount of help made available as soon as possible because students will begin payment plans this fall.

Accompanying this letter you will find a *Close Up* brochure that explains the program in more detail. If you have additional questions, please contact us at Columbus High School. Thank you for your consideration.

Sincerely,

I.C. Pledge of Allegiance

I.E. Mission Statement

Candy Becher read the Mission Statement.

I.F. Opportunity for Public to be Heard

CPS parent Kristin Hoelsing, 7009 S 24 St., expressed concerns about the new pick times for the after school program. She said she can only pick up her child at certain hours and cannot come if it is not the right time. Hoelsing asked the board what kind of program does not let a parent pick up their child at any time. She said she talked to several parents, and they have similar concerns. With the structured pick up times, Hoelsing said it is challenging to get her child to activities in enough time.

Parent Tim Gentile, 769 S 32nd Ave., was concerned because his daughter was not allowed to take pre-algebra as a seventh grader. He said his daughter received a grade of 98 percent in sixth grade math and was told at the end of last year she would be in pre-algebra. Gentile said he didn't find out she was not accepted until right before school started. The reason was because she did not score high enough on the MAP test. Gentile said this will hinder his daughter when she gets into high school. He said he should have been told by the school of the importance of the MAP math test. Gentile said all the school told him was to make sure she eats a good breakfast and had a good night's sleep. Nothing was mentioned about not getting into a class if the score wasn't high enough. He said the high grade

in sixth grade math doesn't count for anything even though it was a year-long class. He said there should not be that much weight put on the MAP test.

#### **I.H. Hearings**

##### **I.H.1. Special Hearing - Annual review on Parent Relations Goals, Policy 1005.02, Regulations and Exhibits**

Superintendent Dr. Troy Loeffelholz said the biggest change is in defining parent and family. He said CPS has so many children that may not be living with their parents but instead an aunt, grandparents or other relatives. Dr. Loeffelholz said with the change in wording, this will allow the child's guardian to have the same rights as a parent.

##### **I.H.2. Special Hearing - Annual Review of Policy 1005.03, Regulations and Exhibits - Parental Involvement in the School**

Dr. Loeffelholz said the district wants more parents involved in their child's education.

##### **I.H.3. Adjourn from Special Hearing**

Motion to Adjourn from Special Hearing. Passed with a motion by Mike Goos and a second by Douglas Willoughby.

Candace Becher: Yea, Mike Goos: Yea, Michael Jeffryes: Yea, Doug Molczyk: Yea, Theresa Seipel: Yea, Douglas Willoughby: Yea

The board adjourned from the special hearing at 5:51 p.m.

#### **I.I. Presentations/Recognitions**

##### **I.I.1. EL Presentation**

EL Coordinator Erica Earley said language and integration are the two goals for the program. She said this year the department offered adult English classes with the goal to educate the families on ways to communicate with the school in English. Earley said they wanted the parents to feel comfortable with the school district. The classes were offered on four consecutive Mondays with one in the morning and one in the evening. EL Parent Liaison and translator Santiago Vasquez said they wanted to teach practical English that may be needed if they came to the schools. The morning class was more popular with stay at home moms because they could come to class while their children were at school. In addition to

teaching the vocabulary, there were also break out session where they worked with a partner to practice. Earley said they were really pleased with the engagement. She said they started out with 12 people in the evening session, and it grew to 14. She said the department plans to do it again. Vasquez said they did a lot of brainstorming to determine which vocabulary words to focus on. Earley said they also went off of the types of calls they received from parents, and things they did not know how to say. A survey was done afterwards to see what the adults thought of the classes. Each participant received a certificate after the class. Vasquez said the parents were very appreciative of the certificate and thought it was similar to getting a high school diploma. The people liked the class and would like to see more offered. In the future, they said they would like to learn how to speak to their child's teachers. Vasquez said CPS worked with Platte Valley Literacy when creating the program and referred the people there to take more classes.

## I.J. Board Special Functions

### I.J.1. Second and Final Reading of Policy 203.06 Board Committees

The Superintendent recommends that the Board approve the First Reading of Policy 203.06 Board Committees, as submitted. Passed with a motion by Doug Molczyk and a second by Theresa Seipel.

Candace Becher: Yea, Mike Goos: Yea, Michael Jeffries: Yea, Doug Molczyk: Yea, Theresa Seipel: Yea, Douglas Willoughby: Yea  
Yea: 6, Nay: 0

Dr. Loeffelholz said the changes in this policy reflect what the board is currently doing. He said the Americanism Committee is required to have two meetings a year. Executive Director of Curriculum and Instruction Amy Romshek said a good time to schedule one of the meetings would be shortly after the State Board of Education approves the new social studies standards.

### I.J.2. Second and Final Reading of Policy 502.01 Resident Students

The Superintendent recommends that the Board approve the Second and Final Reading of Policy 502.01 Resident Students, as submitted. Passed with a motion by Theresa Seipel and a second by Douglas Willoughby.

Candace Becher: Yea, Mike Goos: Yea, Michael Jeffries: Yea, Doug Molczyk: Yea, Theresa Seipel: Yea, Douglas Willoughby: Yea  
Yea: 6, Nay: 0

Dr. Loeffelholz said this policy simply states that a person must live in the district to be considered a resident.

### I.J.3. First Reading of Policy 402.12.05 Staff Social Media Policy and Social Media Regulations

The Superintendent recommends that the Board approve the First Reading of Policy 402.12.05 Staff Social Media Policy and Social Media Regulations, as submitted.

Passed with a motion by Douglas Willoughby and a second by Mike Goos.

Candace Becher: Yea, Mike Goos: Yea, Michael Jeffries: Yea, Doug Molczyk: Yea, Theresa Seipel: Yea, Douglas Willoughby: Yea

Yea: 6, Nay: 0

Recommended to approve 1st reading of Policy 402.12. Passed with a motion by Douglas Willoughby and a second by Mike Goos.

Candace Becher: Yea, Mike Goos: Yea, Michael Jeffries: Yea, Doug Molczyk: Yea, Theresa Seipel: Yea, Douglas Willoughby: Yea

Yea: 6, Nay: 0

The board has heard presentations on this topic in the past. Dr. Loeffelholz said this policy sets boundaries for staff, but also adds more flexibility. He said staff can now have Facebook, Twitter and Instagram. Dr. Loeffelholz said if they create a professional page, they can post student photos, and share it to their personal page. However, they can't go out and take pictures of their kids and other students, and post it to their personal page first. He said the district knows which students have photo restrictions, so this is the better approach. The Board is also included in this policy. Dr. Loeffelholz said there are some boundaries, but the administration wants to protect staff. He said there have been issues in the past.

#### I.J.4. First Reading of Policy 607.05 Travel, Regulation 1 Instruction - Travel, and Regulation 2 Field Trip or Excursion Approval Form

The Superintendent recommends that the Board approve Policy 607.05, including Regulations 1 & 2, as submitted. Passed with a motion by Doug Molczyk and a second by Douglas Willoughby.

Candace Becher: Yea, Mike Goos: Yea, Michael Jeffries: Yea, Doug Molczyk: Yea, Theresa Seipel: Yea, Douglas Willoughby: Yea

Yea: 6, Nay: 0

Dr. Loeffelholz said this policy spells out travel during the school year. It includes how many sponsors are need for events. He said this policy does not cover traveling abroad with students. Dr. Loeffelholz said if planning a trip overseas, he would recommend the informational and recruiting meetings be held off school grounds.

He said when it takes place at school, parents assume it is a school sponsored event, and it is not. When a sport or activity goes to a camp over the summer, the students fall under the school guidelines because it is connected to the school. These other trips are not educational but for fun. Dr. Loeffelholz said students have had great opportunities for awesome trips, but it is not tied to the curriculum.

He said the school attorney has said if the district wants this to fall under the school, the trip must happen during the school year and not in summer so students could fall under the discipline policy. Doug Molczyk said if anything happens in the school building, parents still think it is tied to school. Promotional flyers could not be handed out during the school day, but things could be posted on the bulletin board. Dr. Loeffelholz said he will draft something on summer trips and send it to Mike Goos and Doug Willoughby.

#### I.J.5 First Reading of Policy 1004.01 Media Relations Including Exhibits 1 & 2

The Superintendent recommends that the Board approve the First Reading of Policy 1004.01 Including Exhibits 1 & 2, as submitted. Passed with a motion by Douglas Willoughby and a second by Doug Molczyk.

Candace Becher: Yea, Mike Goos: Yea, Michael Jeffries: Yea, Doug Molczyk: Yea, Theresa Seipel: Yea, Douglas Willoughby: Yea

Yea: 6, Nay: 0

Dr. Loeffelholz said this policy applies to all media, and the guidelines are taken directly from the NSAA. He said all media request filter through Director of Marketing Nicole Anderson, and she sets everything up. One board member questioned what to do with parents taking photos on the field at games and how this applies to them. Dr. Loeffelholz said CHS Activities Director Tim Kwapnioski and Anderson are meeting with the parents. He said these parents will be hired by the district and all the photos then belong to CPS. He said these parents will be assigned to take photos. He said there is also a third person who the district will be visiting with about helping with photos. He said the key is they don't own the pictures, and they must turn them over to CPS. Dr. Loeffelholz said these parents may be selling the pictures for profit. He said now with the marketing person, this issue can be addressed. Dr. Loeffelholz said these parents will work on an event by event basis and take the pictures for CPS. Dr. Loeffelholz said if anyone has any questions or concerns about the policies to contact him.

Executive Director of Business Operations and Human Relations Dave Melick said August is a slow month because there is no state aid and little property taxes. B-D was paid \$101,300.40 to BD for work on Kramer and another \$7,892.50 to RVW for work also at Kramer. The payment to CPM Education Program of \$71,126.40 was for math text books and materials.

Melick said there were a lot of switches and battery backups purchased from CVW Government.

#### I.L.6. Certified Personnel

#### I.L.7. Classified Personnel

Dr. Loeffelholz said there have been a lot of classified staff hired. He said the after-school program also now falls under CPS, and these people are considered employees. Many CPS paras have increased their hours with the after-school program to be considered full time and receive benefits.

#### I.L.8. Professional Travel

Dr. Loeffelholz said there has not been a lot of travel last month.

#### I.M. Acceptance of Gifts/Donations

The Superintendent recommends that the Board accept the attached gifts/donations. Passed with a motion by Mike Goos and a second by Theresa Seipel.

Candace Becher: Yea, Mike Goos: Yea, Michael Jeffryes: Yea, Doug Molczyk: Yea, Theresa Seipel: Yea, Douglas Willoughby: Yea  
Yea: 6, Nay: 0

There was \$102,800.98 donated back to the district from the Foundation and umbrella organizations. Dr. Loeffelholz said the amount is a little high because the foundation serves as the fiscal agent for Platte-Colfax Community and Family Partnership until this group can receive its own 501 C3 status. For this month, the Platte-Colfax Community Family partnership accounted for \$68,778.96. Dr.

Loeffelholz said CPS students benefit from this group. Once they have the needed nonprofit status, this money will be gone.

### I.M.1. Business Operations and Human Relations

### I.M.2. Policies

### I.M.3. Administrative Functions

#### I.M.3.1. 2019-2020 Teacher Handbook

The Superintendent recommends that the Board approve the 2019-2020 Teacher Handbook, as submitted. Passed with a motion by Doug Molczyk and a second by Theresa Seipel.

Candace Becher: Yea, Mike Goos: Yea, Michael Jeffries: Yea, Doug Molczyk: Yea, Theresa Seipel: Yea, Douglas Willoughby: Yea  
Yea: 6, Nay: 0

Melick said CPS continues to struggle with spending money that doesn't need to be spent because people don't inform businesses of the district's tax exempt status. He said now if a person does not inform a business of the tax exempt status on purchases the person will pay the tax and not the district. Melick said the only exception is if it is a place out of state, and the business will not recognize the tax exempt status. He said there is a tax exempt form, yet most employees don't use it. To help with this issue, Melick said this information is now in the handbook. He said the only other change was removing the grading scale because it was not correct and adding whatever is used in the buildings.

#### I.M.3.2. 2019-2020 Classified Handbook

The Superintendent recommends that the Board approve the 2019-2020 Classified Handbook, as submitted. Passed with a motion by Theresa Seipel and a second by Douglas Willoughby.

Candace Becher: Yea, Mike Goos: Yea, Michael Jeffries: Yea, Doug Molczyk: Yea, Theresa Seipel: Yea, Douglas Willoughby: Yea  
Yea: 6, Nay: 0

One of the big changes in the handbook is to clarify reporting child abuse. Melick said at the recommendation of the school attorney, it is no longer enough to just report suspected child abuse to a principal or supervisor. The employee must follow up and make sure the individual actually reported it. Melick said just because a person told someone about the situation, there needs to be follow up to make sure it was done.

Melick said the classified handbook salary scale had to be updated due to the after-school staff being added. He said there are currently 20 paras working as staff in the after-school program, which brings them up to full-time hours. He said the pay for those CPS staff working for the after school is also the same wage they make as a para. Melick said the paras are not allowed to go over 8 hours a day so it does not become overtime. With the added full-time people, they also now receive benefits. Melick said right now the lunch staff still falls under CPS, but in two years when it is bid out, the staff will transition to either LunchTime Solutions or whoever gets the bid.

#### I.M.3.3. Surplus Property

The Superintendent recommends that the Board approve to declare items listed as Surplus Property. Passed with a motion by Theresa Seipel and a second by Doug Molczyk.

Candace Becher: Yea, Mike Goos: Yea, Michael Jeffryes: Yea, Doug Molczyk:

Yea, Theresa Seipel: Yea, Douglas Willoughby: Yea

Yea: 6, Nay: 0

There are several items from CHS Instrumental Music, radios, microscopes and extra supplies from the CMS Amplify Pilot; chairs, desks, tables, bookcases, humidifiers, an overhead projector and VCR from Lost Creek; and a paper shredder from the Student Center.

### I.N.3. Updates

Melick said on May 24, CPS applied for the fresh fruit and vegetable grant. Last year Emerson and North Park each received the grant. This year Centennial, Emerson, North Park, West Park and CMS applied for the grant, but none of them were funded. Melick said the notice of not being funded was very last minute, and he tried calling to talk to someone about the denial, but no one returned his calls. He said he does not think he will get any response. LunchTime Solutions has purchased a big panel truck, and it will be installed with heating and cooling centers to keep food at better temperatures. Melick said there are once again grants available for food service equipment, and the district is applying for units that will help with temperature control. These cost around \$9,000 each. Melick said he has told the principals if there is extra money in the budget, perhaps some healthy snacks could be purchased. He said the snacks are not the same as the fresh fruit and vegetables that were served during lunch. The two schools received \$50 per student for the healthy snacks. Melick said there are still some job positions that are not filled.

## I.N. Buildings & Sites/Technology

### I.N.1. Policies

### I.N.2. Administrative Functions

#### I.O.2.1. 2019-2020 Safety Committee Members

The Superintendent recommends the Board approve the 2019-2020 Safety Committee Members. Passed with a motion by Doug Molczyk and a second by Theresa Seipel.

Candace Becher: Yea, Mike Goos: Yea, Michael Jeffryes: Yea, Doug Molczyk:

Yea, Theresa Seipel: Yea, Douglas Willoughby: Yea

Yea: 6, Nay: 0

Executive Director of Operations and Technology Leonard Kwapnioski said several new people were added to replace those who left the district. He said every building principal is involved in selecting a representative from their building. Kwapnioski said there are also now crisis team members on the safety committee.

#### I.O.2.2. CMI Contract for 2019-2020

The Superintendent recommends the Board approve the CMI Contract for 2019-2020, as submitted. Passed with a motion by Douglas Willoughby and a second by Doug Molczyk.

Candace Becher: Yea, Mike Goos: Yea, Michael Jeffryes: Yea, Doug Molczyk:

#### I.O.2.3. Boiler Bids

The Superintendent recommends that the Board approve the Boiler Bids, as submitted. Passed with a motion by Douglas Willoughby and a second by Doug Molczyk.

Candace Becher: Yea, Mike Goos: Yea, Michael Jeffryes: Yea, Doug Molczyk:

Yea, Theresa Seipel: Yea, Douglas Willoughby: Yea

Kwapnioski said there are four buildings that must have boilers inspected every year: Emerson, Centennial, Kramer Education Center and CMS. The contract is with Trane for \$4,647.

#### I.O.2.4. Service Master Contract for 2019-2020

The Superintendent recommends that the Board approve the Service Master Contract for 2019-2020, as submitted. Passed with a motion by Douglas Willoughby and a second by Theresa Seipel.

Candace Becher: Yea, Mike Goos: Yea, Michael Jeffryes: Yea, Doug Molczyk:

Yea, Theresa Seipel: Yea, Douglas Willoughby: Yea

Yea: 6, Nay: 0

Kwapnioski said the reason for contracting with Service Master is the district had difficulty filling custodian positions. He said the contract is higher than last year because some additional duties were requested, and this also includes the extra help during the summer. Kwapnioski said every one of the buildings have a map of what is cleaned daily. He said it is still a savings to the district because Service Master uses their own chemicals. Kwapnioski said the number of hours is an estimate of what it will take to clean the buildings. Service Master runs the background checks on their employees and not CPS. Kwapnioski said there have not been any issues, and the building principals have an open line of communications with owner Kurt Shevlin. Kwapnioski said when the district first made the switch, the labor was higher than what they were paying. He said if CPS could find the workforce it would be great. He said this is a concerns as custodians get closer to retirement. The total cost of the contract is \$247,347.

#### I.O.3. Updates

Kwapnioski said the signs made by Distar Industries are up at CHS. There is one located by the activity entrance and two on the STEM building. He said Distar donated the signs and all the district had to do was to install them. He said the signs are very well done and look nice. Kwapnioski said Distar has been a big partner for the

Anchor Project. He said the company will be recognized for their efforts. He said there still needs to be a little work done at Kramer were the wall collapsed. Kwapnioski said he is hoping the fence can be taken down, so the weeds can be removed and grass seeded.

#### **I.P.3. Updates**

Executive Director of Curriculum and Instruction Amy Romshek gave an update on Strategic Plan No. 1 and academic achievement. She said one measure they wanted to look at is to make sure all teachers are competent with the super seven elements. Romshek said teachers have been working on providing rigorous learning goals for students. She said as a district, staff is not as high with applications because it is the most difficult one. Romshek said they are working on the last learning goals and proficiency scales and hope to be done with common assessments soon. After December, the focus will shift to standards based grading. She said the goal is to finish the common assessments the first semester. Jan Hoegh will be working with staff for five days. Sep 17, 18 and 19 and Oct. 11 and Oct. 25.

#### **I.Q.3. Updates**

Executive Director of Student Services and Special Education Jason Harris said the early childhood survey is completed, and there were 386 English speaking surveys returned and 74 in Spanish. He said the Spanish speaking numbers increased after it was put on the EL Facebook page and a text went out. The Spanish speakers had an average income of \$20,000-\$39,999 and had a GED or high school diploma. However, Harris said the majority didn't answer that question but this was the average of those who did. The English speakers who took the survey had an income of between \$100,000-\$139,000 and most had at least a bachelor degree. There are meetings scheduled for Sep. 10 and 24; Oct. 8 and Oct. 22; Nov. 12 and Nov 26 and Dec. 10 from 1:30-3:30 p.m.

## **I.Q. Superintendent's Report**

Dr. Loeffelholz reminded the board that they need to sign up for one of the meetings that are coming up. The dates are August 21 in Fremont; Sept. 4 in York; and Sept. 25 in Norfolk. Candy Becher and Theresa Seipel are already signed up. Dr. Loeffelholz said he is signed up to go the Property Tax Reform Town Hall meeting in Norfolk.

There will be several senators attending, and they include: Jim Scheer, Lou Ann Linehan, Tom Briese and Ben Hansen. There were 80 kids who participated in activities at the STEM on the Go trailer during Columbus Days on Saturday, and several stayed the entire 2 hours. Dr. Loeffelholz said Danita Wickens is doing a great job with STEM on the Go. He had two conversations with the parent who addressed the board with concerns about the change in pick up from the after school program. Dr. Loeffelholz said according to the grant, students must attend the program for a least an hour for it to count as an enrollment. The schedule release times are 4:30 p.m., 5:15 p.m. and 6 p.m. Students can request to have their children picked up earlier, but they must wait in an unsupervised area. Mike Jeffryes said he has heard from 5-7 parents who don't want their kids left by themselves. Dr. Loeffelholz said in order to have drop in pick up, another person would need to be hired to man the door. At the start of the after school program, all students have homework time. Mike Jeffryes said he is concerned if a parent cannot pick up his or her child. In the past, one door was left open so parents could get in when needed but now the doors are locked for safety reasons. Dr. Loeffelholz said parents have cell phones of the lead staff and site coordinator as well as Stacey Whiting and Sara Colford. However, several building principals said cell phones don't work in all parts of the buildings. Doug Molczyk said perhaps parents could be given so many early outs and then their child is out of the program. Parents do pay for the program unless they qualify for free or reduced lunch. Theresa Seipel said she understands the parents' concerns and would not want to be unable to pick up her child. The board decided to discuss this issue at another time. Dr. Loeffelholz thanked Doug Willoughby for helping to serve lunch at the convocation, and Candy Becher for speaking and welcoming staff.

### **I.S. Board Sharing**

Mike Goos welcomed all the staff back to school, and he hopes everyone has a good year. Goos said he just finished reading 24th and Glory by Dirk Chatelain, and he would recommend people read it. Theresa Seipel said she is sorry she missed the convocation. She said she is glad everyone is back in the swing of things. Doug Willoughby welcomed everyone back. He said he enjoyed attending the convocation. Willoughby said as a former teacher, he enjoys going back to see the staff. Mike Jeffryes said he is glad school is back in session and has three children in CPS this year. He said one started this year at CMS and is doing great. Jeffryes also thank Tim Gentile and said he understands the situation. He said he hopes the school will provide him with some feedback. Jeffryes said he also recently moved a kid to UNL. Doug Molczyk also welcomed back the staff and said it will be a great year. He also thanked Gentile for coming to express his concerns to the board. Molczyk said he is excited about the school year and has gotten his activity pass and plans to attend a lot of events. Candy Becher welcomed the staff back and said this will be a wonderful school year. She said she hopes everything will go well.
