SCHOOL DISTRICT OF
SEWARD BUDGET
2019-2020

Mission of Seward Public Schools

The school district of Seward --where every student, every day is a success -- affirms that all students will have the skills to become productive and contributing members of a global community. In cooperation with family and community members, the district is committed to the development of each student academically, emotionally, socially, and physically.

GOALS FOR THE EVENING

1. Education
2. Describe our past and present financial situation along with some comparable data.
3. Describe the effect this proposed budget would have on local property taxes
4. Receive feedback from Board Members on any proposed changes

BUDGET PROCESS

- Fiscal Year for Schools – Sept. 1 to Aug. 31
- Budget must be adopted and submitted to the state by September 20.
- The discussion we have tonight does not constitute a hearing, and no action will be taken on the budget.
- September 9, 2019 we will have our budget hearing.

Other Information

- NDE Budget
- Budget Authority- The total amount of funds that can be budget and or expended- We would not spend that amount.
- Access to prior year's unused budget authority- 2% of the prior years adjusted general fund expenditures or prior year's unused budget authority

Cash Reserve General Fund

- 35%- General Fund
- 2-3 months in our low month which is April
- 1.5 million a month on average
- Roughly 3.5 million at the end of this fiscal year
- Could have 8 million in Cash Reserves

Cash Reserves

- \$2,500,711 in CD's Renew every 91 days
- Total \$3,573,267
- \$4,500,000 would give us the 3 months during our low month of the year

HISTORICAL INFORMATION AND
PROPOSED BUDGET FIGURES FOR
THE 2019-2020 BUDGET

THERE IS A LOT OF DISCUSSION ABOUT PROPERTY TAXES—THERE HAS BEEN FOR YEARS

- We have been non-equalized for several years now. In other words, we receive very little state formula aid. We do still receive state/federal dollars however.
- Quick explanation of how the TEEOSA Works and why we no longer get formula aid.
- TEEOSA was set up to level the playing field in terms of tax levies--there are still obvious discrepancies.

Revenue Side

- At the end of July we have received 84% of the budget on the revenue.

Expenses for 2019-2020

- \$366, 812 for salary increase and insurance increase.
- Continued cost increase of supplies, equipment etc.

PROPOSED BUDGET OF EXPENDITURES

- Our General Fund expenditures for 2018-2019 will roughly be 17,807,611
- Budget 18-19 \$20,000,000 and 19-20 \$23,000,000- Budget Authority.
- The vast majority of the increases are increased staffing costs and the special education group home students.

GENERAL FUND CASH

GENERAL FUND CASH

- We have always maintained the goal of keeping 3 months of cash in reserve to help smooth out the peaks and valleys. In years when we lost a lot of state aid, this cash on hand helped us maintain a constant levy. In the future it could help us if property values decline.
- Our general fund cash was lower last year to the point that during our lowest cash balance of the year, we were right at \$3,889,724 million. We spend right at \$1.4-1.5 million a month, so we are at 2+ months in reserve at our low point during the year and the year before we were at 3 months.

OTHER FUNDS

BOND and QCPUF FUND

- For 2019-20 I'm asking for \$1,701,260 we will get (\$1,656,254) in property taxes and our payments will be \$1,650,00. The bond levy would be same as last year at .10
- The last SHS bond payment is December of 2019. As a reminder we refinanced our bonds so once the High School bond is off we will continue to use that money to pay off the MS bond earlier.

QUALIFIED CAPITAL PURPOSES UNDERTAKING FUND

- We issued the bonds through this fund for a portion of the elementary project.
- I'm proposing to keep the tax request the same as last year (\$.0085 levy). This is part of the total bond payments.
- The last payment is December, 2023.

COOPERATIVE FUND

- The Cooperative Fund is a pass through account for Sixpence and the Agronomy Academy. We are the fiscal agent so the money will run through our budget. If we use this fund, it has no impact on our state aid, or levy/expenditure limits for any of the three school districts. We did receive a grant again this year so we will need to budget again. We increase the amount because when we get paid may not fall in line with our budget year.

SPECIAL BUILDING FUND

- Last year we levied 3 cents in the special building fund for a tax asking of \$484,090. We were 4 cents the year before.
- On July 31, 2019 we had a cash balance of \$2,013,094, but we will pay bills in August/September of \$400,000-\$500,000.
- Plan on having \$1,500,000
- So what do we levy?
- Project Lists has been established and we can continue to work on the list.
- My suggestion is 2 cents= \$322,242

SPECIAL BUILDING FUND CONTINUED

- Each penny on the levy = \$161,121

SUMMARY

- General Fund – Knowing our conservative nature I do feel like we need to increase our general fund this year. As a reminder salary/insurance increase will be \$381,926
- Bond Fund and QCPU Fund – I feel very comfortable with my proposal.
- Special Building Fund: I have it at .02 to keep the overall levy at 3.28% increase to keep it close to the 3%

QUESTIONS AND/OR COMMENTS

- Again, this is a proposal. If you want clarification or if you want to recommend changes, now is the time to do so. I want to know what your support is tonight, rather than wait until our September 9 board meeting to find out you disagree.
- Again: \$.01 levy = \$161,121 in terms of property taxes requested.

Rank	Project	Score	Estimated Cost	Source	Notes	Completed	Total Cost est.
1	New Bleachers Old Gym High School-	4.83	\$100,500.00	Clark Enersen	485 seats on side / 690 on the opposite = 1175 - \$85-\$100 per seat	summer 2019	\$60,000
2	Storage Unit	4.57	\$70,000			summer 2019	\$95,000
3	Card Access at the High School and Elementary School	4.5	\$2000-\$3000 per door	Engineer Controls	I would say 6-7 doors at the elementary and 10-12 at the high school.	summer 2019	\$85,000
4	New Fire Alarm Panel at the High School	4.43	unknown	Midwest Alarm we worked with them on the Elementary project	This project more than likely we will need to work with a architecture/engineering firm on. We will need to replace the main panel and bring the building up to current life safety codes. This could be done all at once or in talking with contractors the fire marshal has let schools phase it in over several years We will need to work with an architecture/engineer to look over the power at the high school and guide us on how best to update panels and add outlets to certain areas where we are needing additional power but can not add because on current panels are out of space		
5	Electrical Update throughout High School-	3.83	unknown		Old gym floor is a little bigger and to add new logo and graphics		
6	Redo High School Old Gym Floor	3.78	\$15,000-\$20,000	Elementary floor was \$9,797.0	would raise the cost	summer 2019	\$20,000
7	Air Conditioning Weight Room-	3.63	\$30,000.00		Air Conditioning	summer 2019	\$30,000
8-9	HVAC High School	2.75	\$600,000.00	Trane	This was taken from		
8-9	HVAC Elementary	2.75	\$600,000.00	Trane			
8-9	High School Bathrooms in old section of building	2.75	\$5		We will need to work with architecture firm to look over existing restroom for code update and give us recommendations on how to best update the restrooms		
10	Reface counter and countertops in Family Consumer Sci	2.44	\$50,000-\$70,000		After talking to several cabinet contractors it sound like it will be more cost effective to just replace the cabinets and countertops compared to resurfacing them all.		
11	Update High School Science Labs	2.43	\$5		J Pinkall- no labs 2 sinks, C. Gebhardt 7 sinks 7 gas valves, Pat P. 5 sinks 3 labs, S. Pinkall 3 sinks no lab tables		
12	Expand Greenhouse space-	2.29	\$47,439	Stuppy Greenhouse	Adding a 22' x 24' to our exciting greenhous. This includes HD10SS heater.		
13	Elementary Playground Drainage, Resurface, Equipment Updates to Football Field- New Bleachers, Restrooms, C	2	\$250,000	Crouch Playground	This would include surfacing underneath the main playground but not swings		
14		1.83	\$350,000-\$400,000	BleachHeartland Seating	This is for Bleachers only. This would be adding into the system. If we did a stand alone units if would be less money.		
15	Air Conditioning Old Gym High School- Projects already Slated for the summer 2019	1.75	\$100,000.00	Trane			
	New Ventilation and Welding Stations	3.5	\$68,000.00	Avanienivormental	14 stations	Summer 2019	15,000
	Bus Garage Update and two new bays		\$175,000				\$200,000
	Maintenance Projects						
			\$4.00-\$6.00 square foot LVT tile installed tile \$3.50 for asbestos abatement		Most halls and classrooms in the old section of the high school have asbestos tile that will need to be removed. LVTtile is what most schools are installation cost is a little higher but the savings comes from less maintenance of stripping and waxing yearly and chemical cost to redo the floor	Social Studies and Science Hallway-Summer 2018	
	New Flooring in old section of High School	3.21	abatement	Midwest Flooring/ Bockmann		Social Studies and Science Hallway-Summer 2018	
	Paint certain sections of the high school	2.79	\$1.00 per square foot \$3.00-\$4.00 square foot	Kucera Painting, Kearney Ne	If we want large area done this would be the way to go. Our summer time schedule and getting help to paint limits us to how much our staff can do in that time frame		
	Sections of Elementary new carpet-	2.15	installed	Midwest Flooring Lincoln Ne	Average Elementary classroom is 850 square feet		
				estimated total			\$505,000
	As of July, 2019 our special building fund balance is \$2,013,000-. From our previous conversations we would like to leave \$500,000 as a base. We also will have \$500,000 in bills from summer projects. Leaving us NOTES roughly 1,500,000						
	Completed Projects						
1	New Camera Systems District Wide	4.14	Total \$144,000	Met with Engineer Controls	High School 52 cameras Middle school 37 Elementary 28 This estimate is a little high as we would be able to reduce cameras with the new camera system.	Summer 2018	
2	Refurbish High School Lockers	3.93	\$25,000-\$75,000	Storage and design group.	\$50.00-\$55.00 per locker to paint and install new locks\$60.00-\$75.00 to paint install new locks and hardware \$150.00per locker for all new lockers installed. 500 lockers at the high school. Around half or a little more are in need of some work	Summer 2018	
7-8.	New Lighting High School	3.43	\$125,000.00	Maintenance Department	Tom and I both think this is a little high and depends upon if we go with complete replacement vs. doing a kil.	Summer 2018	
9-10.	New Intercom System at the Elementary School	3.29	\$12,000-\$15,000	The last intercom we did at the high school was right around \$12,000	This would bet replacing the head end of the system. the original system we can not get parts to repair. If we wanted to move the head end to a different location to free up space in the office area it would add a little extra cost	Summer 2018	
22	New Lighting Elementary School	2.23	\$125,000.00	Maintenance Department		2018-2019 School Year
