| Rank | Project | Score | Estimated Cost | Source | Notes | Completed | Total Cost est. |
|-------|---|---|--|--|--|---|-----------------|
| 2 | Storage Unit | 4.57 | \$70,000 | | | summer/fall 2019 | \$95,000 |
| 3 | Card Access at the High School and Elementary School | 4.5 | \$2000-\$3000 per door | Americom | I would say 6-7 doors at the elementary and 10-12 at the high school. | Fall/Winter 2019 | \$85,000 |
| 4 | New Fire Alarm Panel at the High School | 4.43 | unknown | Midwest Alarm we worked with them on the Elementary project | This project more than likely we will need to work with a architecture/engineering firm on. We will need to replace the main panel and bring the building up to current life safety codes. This could be done all at once or in talking with contractors the fire marshall has let schools phase it in over several years We will need to work with an architecture/engineer to look over the power at the high school and guide us on how best to update panels and add outlets to certain areas where we are needing additional power but can not add because our current panels are out of space | | |
| 5 | Electrical Update throughout High School- | 3.83 | unknown | | We will need to work with architecture firm to look over existing restroom for code update and give us recommendations on how to best update the restrooms | | |
| 8-9 | HVAC High School | 2.75 | \$600,000.00 | Trane | After talking to several cabinet contractors it sound like it will be more cost effective to just replace the cabinets and countertops compared to resurfacing them all. | | |
| 8-9 | HVAC Elementary | 2.75 | \$600,000.00 | Trane | J Pinkall- no labs 2 sinks, C. Gebhardt 7 sinks 7 gas valves, Pat P. 5 sinks 3 labs, S. Pinkall 3 sinks no lab tables | | |
| 8-9 | High School Bathrooms in old section of building | 2.75 | Rough estimate \$25,000 | | Adding a 22' x 24' to our exciting greenhouse. This includes HD10SS heater. This would include surfacing underneath the main playground but not swings | | |
| 10 | Reface counter and countertops in Family Consumer Sci | 2.44 | \$50,000-\$70,000 | | This is for Bleachers only. | | |
| 11 | Update High School Science Labs | 2.43 | \$S | | This would be adding into the system. If we did a stand alone units if would be less money. | | |
| 12 | Expand Greenhouse space- | 2.29 | \$47,439 | Stuppy Greenhouse | | | |
| 13 | Elementary Playground Drainage, Resurface, Equipment Updates to Football Field- New Bleachers, Restrooms, C | 2 | \$250,000 | Crouch Playground | | | |
| 14 | | 1.83 | \$350,000-\$400,000 | BleachHeartland Seating | | | |
| 15 | Air Conditioning Old Gym High School- | 1.75 | \$100,000.00 | Trane | | | |
| | Bus Garage Update and two new bays | | \$175,000 | | | Summer/Fall 2019 | \$200,000 |
| | Maintenance Projects | | | | | | |
| | | \$4.00-\$6.00 square foot LVT tile installed tile \$3.50 for asbestos abatement | | Most halls and classrooms in the old section of the high school have asbestos tile that will need to be removed .LVTtile is what most schools are installation cost is a little higher but the savings comes from less maintenance of stripping and waxing yearly and lchemical cost to redo the floor | Social Studies and Science Hallway- Summer 2018 | | |
| | New Flooring in old section of High School | 3.21 | | Midwest Flooring/ Bockmann | | | |
| | Paint certain sections of the high school | 2.79 | \$1.00 per square foot \$3.00-\$4.00 square foot | Kucera Painting, Kearney Ne | If we want large area done this would be the way to go. Our summer time schedule and getting help to paint limits us to how much our staff can do in that time frame | Social Studies and Science Hallway- Summer 2018 | |
| | Sections of Elementary new carpet- | 2.15 | installed | Midwest Flooring Lincoln Ne | Average Elementary classroom is 850 square feet | | |
| | | | | estimated total | | | \$380,000 |
| | As of July, 2019 our special building fund balance is \$2,013,000- From our previous conversations we would like to leave \$500,000 as a base. We also will have \$500,000 in bids from summer projects. Leaving us NOTES roughly 1,500,000 | | | | | | |
| | Completed Projects | | | | | | |
| | New Ventilation and Welding Stations | 3.5 | \$68,000.00 | Avanienivormental | 14 stations | Summer 2019 | 15,000 |
| 6 | Redo High School Old Gym Floor | 3.78 | \$15,000-\$20,000 | Elementary floor was \$9,797.00 | Old gym floor is a little bigger and to add new logo and graphics would raise the cost | summer 2019 | \$20,000 |
| 1 | New Bleachers Old Gym High School- | 4.83 | \$59,381.00 | Heartland Seating | 485 seats on side / 690 on the opposite = 1175 - \$85-\$100 per seat | summer 2019 | \$60,000 |
| 7 | Air Conditioning Weight Room- | 3.63 | \$30,000.00 | | Air Conditioning | summer 2019 | \$30,000 |
| 1 | New Camera Systems District Wide | 4.14 | Total \$144,000 | Met with Engineer Controls | High School 52 cameras Middle school 37 Elementary 28 This estimate is a little high as we would be able to reduce cameras with the new camera system. | Summer 2018 | |
| 2 | Refurbish High School Lockers | 3.93 | \$25,000-\$75,000 | Storage and design group. | \$50.00-\$55.00 per locker to paint and install new locks\$60.00-\$75.00 to paint install new locks and hardware \$150.00per locker for all new lockers installed. 500 lockers at the Dehigh school. Around half or a little more are in need of some work | Summer 2018 | |
| 7-8. | New Lighting High School | 3.43 | \$125,000.00 | Maintenance Department | Tom and I both think this is a little high and depends upon if we go with complete replacement vs. doing a kit. | Summer 2018 | |
| 9-10. | New Intercom System at the Elementary School | 3.29 | \$12,000-\$15,000 | The last intercom we did at the high school was right around \$12,000 | This would be replacing the head end of the system, the original system we can not get parts to repair. If we wanted to move the head end to a different location to free up space in the office area it would add a little extra cost | Summer 2018 | |
| 22 | New Lighting Elementary School | 2.23 | \$125,000.00 | Maintenance Department | | 2018-2019 School Year | |
