19. ADJOURNMENT

Bellevue City Council Meeting, February 27, 2018, Page 1

A regular meeting of the Mayor and Council of the City of Bellevue was called to order by Mayor Rita Sanders at the Bellevue City Hall on the 27th day of February, 2018, at 6:00 p.m. Present were Council Members John Hansen, Paul Cook, Pat Shannon, Donald Preister, Thomas Burns, and Jim Moudry.

Notice of this meeting was given in advance thereof by publication in the Bellevue Leader and posting in three public places, the designated method for giving notice and was also given to the Mayor and all members of the City Council. A copy of the affidavit of publication, the certificate of posting, and the council's acknowledgment of receipt of notice are hereby attached to these minutes. All proceedings shown hereafter were taken while the convened meeting was open to the public.

Piedge of Allegiance and Invocation

Mayor Sanders led the Pledge of Allegiance. Pastor Ryan Jantz, Middle School Pastor at Lifespring Church, 13904 South 36th Street in Bellevue, gave the invocation.

Open Meetings Act

Mayor Sanders announced a copy of the Open Meetings Act is posted in the entry to the City Council Chambers.

Approval of the Agenda

Motion was made by Shannon, seconded by Cook, to approve the agenda. Roll call vote on the motion was as follows: Hansen, Cook, Shannon, Preister, Burns, and Moudry voted yes; voting no: none. Motion carried.

Approval of the Consent Agenda

<u>Motion</u> was made by Shannon, seconded by Burns, to approve the Consent Agenda which included the following items: approval of the Minutes of the February 12, 2018, meeting of the City Council, approve & authorize the Mayor to sign an Affiliation Agreement and Business Associate Agreement with Southeast Community College to allow SECC students to ride with Bellevue Fire Dept. for field internships, approval of the FY17 CDBG Subrecipient Agreement with Diane Bruce, B&B Classic Dogs, for \$125,000, approval of the FY17 CDBG Subrecipient Agreement with Bellevue Junior Sports Association for \$8,000, approval of the FY17 CDBG Subrecipient Agreement with Bellevue Junior Sports Association for \$8,000, approval of the FY17 CDBG Subrecipient Agreement with Habitat for Humanity of Sarpy County for \$50,000, approval of the FY17 CDBG Subrecipient Agreement with Heartland Family Service for \$39,780, and approval of the annual PowerDMS License Agreement for one -year in the amount of \$3,938.99. Roll call vote on the motion was as follows: Hansen, Cook, Shannon, Preister, Burns, and Moudry voted yes; voting no: none. Motion carried.

Approval of Claims

Motion was made by Shannon, seconded by Burns, to approve the payment of claims as presented. Roll call vote on the motion was as follows: Hansen, Cook, Shannon, Preister, Burns, and Moudry voted yes; voting no: none. Motion carried.

SPECIAL PRESENTATIONS: None

LIQUOR LICENSES: None

ORDINANCES:

Ordinance No. 3901: Compensation Ordinance (Second Reading)

Ordinance No. 3901, an ordinance of the City of Bellevue, Nebraska, classifying the employees of the City; fixing the ranges of compensation of such employees; providing a pay range schedule; providing for publication in pamphlet form; repealing Ordinance no. 3828; and providing for an effective date, was read by title only for the second time and presented for public hearing.

Mayor Sanders asked for public comment. No one in the audience came forth to speak in support of or in opposition to the ordinance. Mayor Sanders declared the public hearing closed.

Mayor Sanders stated the third reading of the ordinance will be heard at the next Council meeting on March 12th.

PUBLIC HEARINGS ON MATTERS OTHER THAN ORDINANCES:

Bellevue Amateur Radio Club - Event License Application for ARRL Field Day to be held June 23 at 8:00 a.m. through June 24 at 3:00 p.m. in Washington Park

Mr. Dennis Mitchell was present to answer any questions. Council discussion ensued.

Mayor Sanders asked for public comment. No one in the audience came forth to speak in support of or in opposition to the request. Mayor Sanders declared the public hearing closed.

<u>Motion</u> was made by Cook, seconded by Hansen to approve the event license application of the Bellevue Amateur Radio Club for ARRL Field Day to be held June 23 at 8:00 a.m. through June 24 at 3:00 p.m. in Washington Park. Roll call vote on the motion was as follows: Hansen, Cook, Shannon, Preister, Burns, and Moudry voted yes; voting no: none. Motion carried.

Bellevue City Council Meeting, February 27, 2018, Page 2

RESOLUTIONS: None

CURRENT BUSINESS: None

CITY ADMINISTRATOR'S REPORT

Mayor Sanders asked if there were any questions for him or any of the Directors on the report presented. Mr. Moudry questioned a vehicle acquisition by the Police. Acting Police Chief Dave Stukenholtz advised this is the same one as was previously approved by the Council.

PUBLIC REQUESTS TO BE HEARD:

Mayor Sanders read the following statement: "Any member of the public addressing the Council shall abide by Council Policy Resolution No. 35 regarding the Principles of Conduct and Decorum which states 'any statements made during City Council meetings by the Mayor, members of the City Council, City officials and employees, or members of the general public shall not involve personal, impertinent, or slanderous attacks on individuals, regardless of whether the individual so attacked is an elected official, a city official or employee, or a member of the general public' and also Bellevue City Code Section 2-68 regarding the manner of addressing the Council. Copies of the aforementioned rules are posted outside the Council Chambers. Speakers shall limit their presentations to five minutes."

Mr. Chuck Fredrick stated he wanted to be first to speak as he was the one to get this section of the meeting started when he was on the Council. He said he spoke over 200 times at the old building, but this may be his last meeting. Because City Attorney Sullivan said all he had to do was ask to have his website in the Minutes, he requested his website be mentioned. He does not like that all of what he says is not in the Minutes nor is it reported by the media. Mr. Fredrick does not think the City is being run well; that it is actually "terrible." He outlined things that need to be changed including the following: TIF money should only be given to new businesses, the auditors should never have been hired for five years, there are too many consultants and studies being done, there needs to be a dog park in southwest Bellevue, we need a full-time City Attorney, and there needs to be a monthly balance sheet.

Mayor Sanders advised his five minutes were up, so Mr. Fredrick requested the Council vote to give him more time. No motion for more time was made, so he told everyone "good luck."

Mr. Evan Lake presented information on Liberty Insurance and gave brochures for the City to look at and consider.

Mayor Sanders asked for additional comments from the public. No one came forward to speak. Mayor Sanders closed the public requests to be heard section of the meeting.

CLOSED SESSION:

<u>Motion</u> was made by Burns, seconded by Shannon, to adjourn into Closed Session, for the protection of the public interest, at 6:25 p.m. for the purpose of a discussion on the reuse of the World Baseball Village Property. Roll call vote on the motion was as follows: Hansen, Cook, Shannon, Preister, Burns, and Moudry voted yes; voting no: none. Motion carried.

In addition to the Mayor and City Council, the following people were asked to participate in the Closed Session: City Administrator Joe Mangiamelli, City Attorney Patrick Sullivan, Assistant City Attorney Timothy Buckley, Public Works Director Jeff Roberts, Planning Director Chris Shewchuk, Finance Director Rich Severson, and Andrew Rainbolt with the Sarpy County Economic Development Corporation.

<u>Motion</u> was made by Preister, seconded by Burns, to adjourn from Closed Session and reconvene in regular session at 6:59 p.m. Roll call vote on the motion was as follows: Hansen, Cook, Shannon, Preister, Burns, and Moudry voted yes; voting no: none. Motion carried.

ADJOURNMENT:

There being no further business to come before the Council at this time, on motion by Preister, seconded by Burns, at 7:00 p.m. the meeting adjourned.

OF BE <u>udû M</u> Ohnmacht, City Clerk Rita Sanders, Mayor << Acknowledgement 4 the next page.>>

Bellevue City Council Meeting, February 27, 2018, Page 3

I, the undersigned, City Clerk of the City of Bellevue, Nebraska, hereby certify that the foregoing is a true and correct copy of proceedings had and done by the Mayor and Council on <u>February 27, 2018</u>; that all of the subjects included in the foregoing proceedings were contained in the agenda for the meeting, kept continually current and readily available for public inspection at the office of the City Clerk; that such subjects were contained in said agendas for at least twenty-four hours prior to said meeting; that at least one copy of all reproducible material discussed at the meeting was available at the meeting for examination and copying by members of the public; that the said minutes were in written form and available for public inspection within ten working days and prior to the next convened meeting of said body; that all news media requesting notification concerning meetings of said body were provided advance notification of the time and place of said meeting and the subjects to be discussed at said meeting.

Sabrina Chnnacht-City Clerk

Bellevue Planning Commission Meeting, February 22, 2018, Page 1

The Bellevue Planning Commission held a regular meeting on Thursday, February 22, 2018 at 6:00 p.m. in the Bellevue City Council Chambers. Upon roll call, present were Commissioners Madden, Perrin, Cain, Baumgartner, Jacobson, Ackley, Casey, and Smith. Absent was Ritz. Also present were Chris Shewchuk, Planning Director, and Tammi Palm, Land Use Planner.

Notice of this meeting was given in advance thereof by publication in the Bellevue Leader and posting in three public places, and was also given to the Chairperson and members prior to the meeting. These minutes were written and available for public inspection within ten days of the meeting.

The Commissioners participated in Sparq software training facilitated by city staff.

Ritz joined the meeting at 6:15 p.m.

The Commission took a recess at 6:48 p.m., and reconvened at 7:00 p.m.

Jacobson announced a copy of the Open Meetings Act was posted in the entry to the City Council Chambers.

Motion was made by Cain, seconded by Ackley, to approve the minutes of the December 21, 2017 regular meeting as presented. Upon roll call, all present voted yes. Motion carried unanimously.

Motion was made by Madden, seconded by Perrin, to accept into the record all staff reports, attachments, memos, and handouts regarding each application. Upon roll call, all present voted yes. Motion carried unanimously.

The following items were on the consent agenda:

Item 2a: Request to final plat Lots 1 through 228, and Outlots A through D, Falcon Pointe, being a platting of the North 1/2 of the Northeast 1/4, excluding Tax Lot 1 and right-of-way, located in Section 7, T13N, R13E of the 6th P.M., Sarpy County, Nebraska. Applicant: Charleston Homes. General Location: Southwest corner of 48th Street and Capehart Road. Case #: S-1801-02.

Item 2b: Request to amend Sections 5.07.04, 5.08.04, 5.09.04, 5.10.04, 5.11.04, 5.12.04, 5.13.04, 5.14.04, and 5.15.04, City of Bellevue Zoning Ordinance, regarding the keeping of household pets. Applicant: City of Bellevue.

There was no one present to speak in favor of, or in opposition to these requests. As a result, Jacobson closed the public hearing.

MOTION made by Baumgartner, seconded by Perrin, to recommend APPROVAL of the consent agenda items. APPROVAL on agenda item 2a based upon general conformance with the preliminary plat. APPROVAL on agenda item 2b based upon the Planning Department's recommendation. Upon roll call, all present voted yes. Motion carried unanimously.

Item 2a will proceed to CITY COUNCIL for PUBLIC HEARING on March 12, 2018.

Item 2b will proceed to CITY COUNCIL for PUBLIC HEARING on March 26, 2018.

Jacobson explained the public hearing procedures.

PUBLIC HEARING was held on a request to rezone Lot 2, Wolf Creek Replat 7, from BG to RG-20-PS, with site plan approval, for the purpose of multi-family residential development. Applicant: Wolf Creek Apartments, LLC. General Location: South 15th Street and Cornhusker Road. Case #: Z-1801-01.

Jim Buser, Pansing Hogan Law Firm, 10250 Regency Circle, Omaha, NE, was present on behalf of the property owner. Buser discussed the history of the Wolf Creek development. He indicated the Hogan family has had difficulty selling this lot. Buser mentioned a sanitary sewer easement cuts through the property, making it hard to build on. He stated the property owner was happy to have Quantum Real Estate bring this proposal forward. Buser indicated a 4½ acre parcel to the north will hopefully develop as a fitness center. He mentioned the retail environment is not conducive for commercial development on this property.

Bellevue Planning Commission Meeting, February 22, 2018, Page 2

Scott Brown, Quantum Real Estate, 1925 North 120th Street, Omaha, NE was present. He provided a background and history of Quantum Real Estate's recent projects. Brown mentioned there is a need for multi-family projects throughout the metro area. He stated Quantum switched gears from commercial development to multi-family development in 2012. Brown provided an overview of their recent Titan Springs project in Papillion, NE near 66th Street and Highway 370. He utilized a slideshow presentation to show the Commissioners pictures of the project. Brown described the development process Quantum Real Estate went through with the City of Papillion. He stated the Titan Springs project has several residents who work in Bellevue. Brown advised this spurred Quantum Real Estate to look for property in Bellevue to develop. He stated they wanted an area with retail and shopping adjacent to the development. Brown indicated Quantum Real Estate has been working with Planet Fitness, who is also looking to build in the area. He advised the Wolf Creek property is ideal for multi-family development due to the close proximity of retail and restaurant options. Brown stated the project will have quality apartments with high-end finishes. He mentioned the development will include a clubhouse, pool, and dog wash.

Buser addressed the Planning Department's concerns. He stated a traffic study was required and completed. Buser mentioned the traffic study shows the residential use is a more favorable traffic generator than a commercial use would be. He spoke to staff's concern of a residential zoning adjacent to a heavy industrial zoning. Buser mentioned the developer is perfectly comfortable with the location of this project. In addition, he stated the developer has no concerns being adjacent to the Kennedy Freeway.

Jim Ristow, Bellevue Chamber of Commerce, 1036 Bruin Blvd., Bellevue, NE spoke in favor of the project. He indicated this has been a difficult piece to develop commercially. Ristow stated an area where residents can shop, eat, and play is attractive to tenants. He mentioned this is an ideal location for a mixed use development with the nearby retail and restaurant options. Ristow also mentioned this development would be good for international students attending Bellevue University. He stated developers like the availability of residential development next to commercial development. Ristow concluding by stating the Chamber supports this proposal.

There was no one else present to speak for, or against this request. Subsequently, Jacobson closed the public hearing.

Ackley stated he thought the application was a "no-brainer" when he first looked at it. He indicated he does not take staff's recommendation of denial lightly. He stated the two main issues for this proposal are having residential zoning near heavy manufacturing, and traffic concerns. Ackley utilized the GIS mapping site to illustrate his points to the Commission. He pointed out several spots in the immediate vicinity of South 15th Street and Cornhusker which have residential zoning near industrial zoning. Ackley stated this type of rezoning has been done before. He indicated from a pure planning perspective, residential zoning does not mix with industrial zoning; however, there are several examples in the city where this has happened through development over the years and it works out. Ackley pointed out the folks at risk on this proposal are the developer. He stated if Blue Buffalo leaves and the industrial property turns into a less desirable industrial development, the developer is going to be the one stuck with empty apartments. Ackley mentioned 15th Street and Cornhusker is one of the busiest intersections of Bellevue, which makes it attractive to development. He stated he was pleased to hear a fitness facility was looking at locating in Wolf Creek, and was also happy to hear about this development. Ackley acknowledged traffic is bad at 15th Street and Cornhusker Road, but indicated it is not the fault of this property. He pointed out potential development near 10th Street and Cornhusker Road will also impact traffic along Cornhusker Road. He pointed out the traffic study shows traffic at 15th Street and Cornhusker Road will be impacted by any development in Wolf Creek; however, a residential development will have less impact on the intersection than a commercial development. Ackley indicated if a commercial developer was coming in, there would be no discussion on traffic by the Planning Commission because the commercial zoning is already in place. He advised this is actually an application to "down zone" and move to a less intense zoning district than what currently exists. He thanked Jim Ristow of the Bellevue Chamber of Commerce for coming to the public hearing and providing a business perspective. Ackley pointed out this lot has remained undeveloped for twenty plus years, which indicates it is a difficult property to develop. He pointed out the drainage which exists through the Wolf Creek area. Ackley mentioned the Public Works Department sees the need for improvement along Cornhusker Road and is taking steps to find solutions. He stated this development does not compound the traffic problem. Ackley again stated he understands the recommendation of denial from a purely planning perspective; however, reminded the Commissioners this exists throughout the area already. He also reiterated the risk is on the developer.

Bellevue Planning Commission Meeting, February 22, 2018, Page 3

Smith stated when thinking about planning and zoning, the modern concept is to look at the city as a whole; not on a lot by lot basis, which is what is done with the Comprehensive Plan. She mentioned this zoning request is not consistent with the Comprehensive Plan. Smith stated she realizes there has been a decline for the need for retail, particularly big-box retail. She indicated there is still a need for manufacturing facilities such as Blue Buffalo. She summarized the arguments made so far for the approval of the residential zoning request, as well as the comparisons to the Titan Springs and Shadow Lake developments. Smith addressed the issue of walkability and biking, and indicated she does not see this area as a particularly walkable one. She advised mixed use is a wonderful concept; however it is a concept which needs to be thought about from the beginning of a development, as opposed to an after-thought on an existing development like Wolf Creek. She reiterated to take an existing development like Wolf Creek which has commercial and industrial development, and add residential development on a one lot basis, is not ideal.

Madden thanked Smith for reminding the Commissioners as to what the focus and emphasis of modern planning is. He indicated that is important, and stated he does not take lightly the staff recommendation of denial. Madden mentioned the Comprehensive Plan is an idea of where we think the city will go in the future. He stated at some point, the Comprehensive Plan is just that, and sometimes market forces will need to dictate where development goes. Madden stated it is unwise to ignore that. He understood staff's recommendation from a purely planning perspective; however, he advised sometimes planning principles need to be loosened a little bit. As such, Madden voiced his support for this proposal.

Cain stated she had concerns with this development. She mentioned the staff reports contained comments from Offutt Air Force Base which expressed concern with residential development in this area. Cain questioned whether Offutt would support their personnel residing at this complex and questioned if the applicant had had discussions with Offutt. She mentioned Offutt used to make living recommendations to their personnel. Cain also inquired as to whether or not the applicant had discussed traffic concerns with the Public Works Department. She questioned if the applicant had talked to the adjacent property owners as well. Scott Brown, Quantum Real Estate, indicated he had not had a chance to speak with adjacent neighbors or Offutt. He indicated Quantum is used to enhancing neighborhoods and having support in doing so. Conversation on this topic ensued. Cain stated she frequently hears the citizens of Bellevue voice their desire for more business and retail opportunities and less apartments. She pointed out this proposal is taking away commercial property in favor of a multi-family residential development. Cain stated she was not questioning the quality of Quantum's projects, but mentioned she still had concerns with this request. Brown advised they would speak with Offutt Air Force Base. He also indicated his traffic engineer had communicated with the city's Public Works Department. Cain advised teenaged drivers are much different than experienced drivers. She indicated this is a concern due to the close proximity of Bellevue West High School. Brown advised they have a lot of empty nesters in their developments. He indicated they do not attract many families. Cain stated these residents will use the same streets in the area as the high school students, who are less experienced in following the rules of the road.

Baumgartner stated she found more pros than cons with this development. She indicated she believes this development will be visually appealing from Highway 75. Baumgartner stated the live-walk-play concept is appealing and believes it will be good in this area. She thinks the existing zoning should not impede this process. Baumgartner believes this will be a good location for Bellevue University students. She concluded by stating she supported the request.

Jacobson addressed the traffic study. He inquired if the traffic study included anything regarding walkability. Shewchuk stated it did not. Jacobson mentioned the Bellaire subdivision was heralded as a walkable one when it was originally developed. He stated this was not the case. Jacobson indicated he is equally troubled by this development. He mentioned he has walked Shadow Lake, and stated this proposal is much different. Jacobson advised Shadow Lake was planned to be walkable; Wolf Creek was not. He challenged the concept this is a walkable area, and provided several examples within the development where walkability is an issue. Jacobson stated from a livability standpoint, he believes residents would benefit most by using the adjacent Willow Springs neighborhood for walking and biking opportunities. He indicated he does not see students walking to Bellevue University from Wolf Creek. Jacobson stated he would look to the city to address the walkability issue in this area if this development were approved. He advised this is a concern to him.

Casey stated he deals with traffic issues in his professional life, so his major concern was that of traffic and safety. He stated this is an issue not only at the intersection of 15th Street and Cornhusker Road, but also in Willow Springs. He stated traffic is already a mess in this area. Casey asked the applicant if they had considered land near the intersection of Fort Crook and Cornhusker Roads for residential development instead of the Wolf Creek area. Brown stated he was considering "walkability" to mean

Bellevue Planning Commission Meeting, February 22, 2018, Page 4

walking to WalMart or Starbucks; not Bellevue University. He mentioned having Planet Fitness next door will also be an opportunity for his residents. Brown stated there is no arrangement with Bellevue University. He stated they did look at the Fort Crook Road and Cornhusker Road property. Brown stated HUD (U.S. Department of Housing and Urban Development) is their partner on this project. He indicated their concerns are not Blue Buffalo or the industrial property at Wolf Creek; however, he believes HUD would have concerns about the railroad tracks at Fort Crook Road and Cornhusker Road.

Smith mentioned she used to work in the real estate department at Union Pacific Railroad. She indicated a number of properties have been sold to developers which are located next to the railroad tracks. Smith provided the example of the south downtown area near the Omaha Old Market which is being developed by Christian Christensen.

Ackley stated he also noticed the comment from Offutt Air Force Base, and wondered why they were commenting, as it will not have an impact on the Base. He addressed the issue of citizens wanting more businesses. Ackley stated this is the last lot in the Wolf Creek development. He indicated there was a reason no one was touching it. Ackley mentioned it was reminiscent of the discussion had recently when commercial property was rezoned for more apartments next to the existing Landings apartment complex. He stated the original intent was for commercial to follow the residential development, but it never transpired that way. Ackley stated apartments are going to go where they are going to go. He reiterated it is the developer taking the risk at this location. Ackley indicated the opportunity cost needs to be addressed. He stated he sees an opportunity for a long vacant piece of ground to be developed by someone willing to take a risk. Cain stated she still had concerns with Offutt's comments and wonders if they will not want their personnel to live there. She stated this is a tough request to make a decision on, and reminded the Commissioners their responsibility is to look out for the health, safety, and welfare of the citizens of Bellevue. Cain also said she could not dispute apartments would bring funds to the City of Bellevue, but questioned whether this was the best use of the property.

Ackley asked if the city could do things at the 15th Street and Cornhusker Road intersection to make this area more walkable and take care of the existing conditions to make it safer. Discussion followed as to the location of existing sidewalks and crosswalks in the area. Shewchuk stated the city will be embarking on a study to look at these issues and how to improve the Cornhusker Road corridor. Further discussion occurred as to the location of a potential crosswalk across 15th Street from the apartment complex to the adjacent retail. Jacobson expressed concerns mixing semi-trucks from the industrial property with pedestrians. He urged the city to consider that impact.

Ritz indicated many of his friends rent rather than own homes. He stated he realizes there is a demand for apartments in the Bellevue area. Ritz indicated traffic is bad at 15th Street and Cornhusker Road. He advised the city realizes that and will be studying the area for a solution. Ritz stated this development should not be denied because there is already a traffic problem in the area. He reiterated a commercial development could come in now without Planning Commission or City Council approval, and the traffic issue would not be debated. Ritz advised he believed adding residential development will help the existing commercial development in the area.

Baumgartner inquired as to the latest apartment complex developed east of Highway 75. Conversation ensued on this topic.

Casey stated there is the traffic issue at 15th Street and Cornhusker Road, but reminded Commissioners there is also a traffic issue through the Willow Springs neighborhood. He indicated there has been a lot of recent discussions about this problem, and stated the city should expect to hear more from those citizens if this development is approved.

Perrin stated there is not a sidewalk shown on the site plan. He inquired if this would be a requirement of the developer. Shewchuk stated it would.

MOTION was made by Ackley, seconded by Ritz, to recommend APPROVAL of a request to rezone Lot 2, Wolf Creek Replat 7, from BG to RG-20-PS, with site plan approval, for the purpose of multifamily residential development. Applicant: Wolf Creek Apartments, LLC. General Location: South 15th Street and Cornhusker Road. Case #: Z-1801-01. APPROVAL based upon compatibility with other residential and heavy manufacturing areas within one mile of this development. APPROVAL of an amendment to the Comprehensive Plan, which will make this request in conformance with the Zoning Ordinance. APPROVAL of the site plan as presented. Upon roll call, Madden, Perrin, Cain, Baumgartner, Jacobson, Ackley, and Ritz voted yes. Casey and Smith voted no. Motion carried.

Bellevue Planning Commission Meeting, February 22, 2018, Page 5

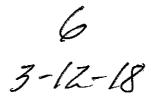

This item will proceed to CITY COUNCIL for PUBLIC HEARING on March 26, 2018.

Ackley thanked the developer for wanting to develop a difficult property.

Meeting adjourned at 8:20 p.m.

SUBJECT:

Settlement of Potential Litigation

SYNOPSIS:

This is a resolution to potential litigation against the City of Bellevue. The matter has resolved for a settlement amount of \$125,000 plus three months of health insurance.

FISCAL IMPACT:

\$125,000 plus health insurance for three months

BUDGETED ITEM: YES NO PROJECT # & TRACKING INFORMATION:

RECOMMENDATION:

This matter is a negotiated, compromised settlement. No action is necessary other than to acknowledge it and authorize execution of the documents. Therefore, this matter can be placed upon the Consent Agenda.

BACKGROUND:

This matter is regarding a potential litigation of an employee regarding her claims for damages she sustained while working for the City of Bellevue.

ATTACHMENTS:

SETTLEMENT AGREEMENT AND MUTUAL RELEASE

This Settlement Agreement and Mutual Release ("Agreement") is entered into by and between Lauretta Synowiecki, her heirs, executors, administrators, and successors (collectively "Synowiecki") and the City of Bellevue and its past and present corporate and political officers, directors, council members, employees in their official capacities, and attorneys (hereinafter collectively referred to as "City").

WHEREAS, Synowiecki has brought forth allegations, that while employed by the City, she has been unlawfully harassed and subjected to a hostile work environment;

WHEREAS, Synowiecki and the City desire to settle, resolve, and dispose of any and all of the allegations brought forth in order to avoid expensive, time-consuming, and uncertain litigation; and

WHEREAS, Synowiecki and the City agree that her employment with the City will end on March 31, 2018.

In consideration of the mutual promises and commitments below, Synowiecki and the City agree as follows:

1. <u>Non-Admission</u>. This Agreement shall not be construed as an admission by the City of any wrongful or unlawful acts or omissions against Synowiecki or any other person or entity. The City specifically disclaims any liability to, or wrongful or unlawful acts or omissions against, Synowiecki or any other person or entity.

2. <u>Waiver</u>. As a material inducement to the City entering into this Agreement, Synowiecki represents that, subject to the City's compliance with the terms of this Agreement, Synowiecki will not seek to recover any damages against the City and its past and present corporate and political officers, directors, council members, employees in their official capacities, and attorneys, in the future for any wrongful, unlawful or unfair acts or omissions alleged to have occurred up to and including the date and time Synowiecki executes this Agreement. In making this Agreement it is understood and agreed that the undersigned relies wholly upon the undersigned and her attorney's judgment, belief, and knowledge of the nature, extent, effect, and duration of said damages, injuries and liability therefore, and is made without reliance upon any statement or representation of the party or parties hereby released or their representatives. The City likewise represents that, subject to Synowiecki's compliance with the terms of this Agreement, the City will not seek to recover any damages against Synowiecki in the future for any wrongful, unlawful or unfair acts or omissions alleged to have occurred up to and including the date and time the City will not seek to recover any damages against Synowiecki in the future for any wrongful, unlawful or unfair acts or omissions alleged to have occurred up to and including the date and time the City executes this Agreement.

3. <u>Release</u>. As a material inducement to the City to enter into this Agreement, Synowiecki agrees to release and forever discharge the City and its past and present corporate and political officers, directors, council members, employees in their official capacities, and attorneys from any and all claims, actions, causes of actions, and suits of any kind Synowiecki may have against the City and/or its said representatives up to the date and time Synowiecki executes this Agreement,

including, but not limited to, those arising under the common law, under federal, state, and local statute, law, ordinance, code, regulation and/or policy. The City likewise agrees to release and forever discharge the Synowiecki from any and all claims, actions, causes of action, and suits of any kind the City may have against Synowiecki up to the date and time the City executes this Agreement, including, but not limited to, those arising under the common law, under federal, state, and local statute, law, ordinance, code, regulation and/or policy.

4. <u>Consideration</u>. As full, sufficient, and complete consideration for the City's promises and releases contained herein, the City agrees to pay Synowiecki as follows:

Lauretta Synowiecki:

Continued family health insurance at the City's expense for 3 months (May, June and July 2018) and \$125,000 as follows: one check payable to Lauretta Synowiecki in the amount of \$18,210.39 less standard payroll withholdings for all alleged future lost wages for which an IRS form W-2 will be issued; and one check payable to Lauretta Synowiecki in the amount of \$106,789.61 for all alleged compensatory and punitive damages and other nonwage losses for which an IRS form 1099-MISC will be issued with the amount listed in box 3. These checks will be direct deposited in Synowiecki's bank account or delivered to Synowiecki's attorney within five (5) business days of the next regular pay day following the termination of her employment and receipt of a properly completed IRS Form W-9 from Lauretta Synowiecki..

The City will provide a positive employment reference for Synowiecki and disclose nothing else without her written consent or pursuant to subpoena and/or court order. The City will provide Synowiecki with notice of any such subpoena or court order as soon as practicable.

The City will pay Synowiecki for all of her accrued vacation, sick time and leave time at her 10year anniversary rate within thirty (30) days following the termination of her employment.

Synowiecki will be available to the City of Bellevue for testimony and reasonable cooperation in any pending litigation.

Synowiecki will also assist the Bellevue Police Department in the transition of her departure and the orientation of her replacement.

5. <u>Intent</u>. Synowiecki and the City understand and agree that the overriding and controlling intent of this Agreement is to accomplish a full release of all claims or actions that Synowiecki has or may have against the City for any wrongful, unlawful or unfair act or omission up to and including the date Synowiecki executes this Agreement.

6. <u>No Representations</u>. Except for representations made in this Agreement, it is understood and expressly agreed that Synowiecki and the City rely solely on their own independent analysis of the facts and claims at issue and their judgment, belief, and knowledge of the nature, extent, and duration of injuries, expenses, damages, and losses, if any, and that they have not been influenced in any way whatsoever in executing this Agreement by any representations made by the other or the other's attorneys or representatives. Synowiecki and the City expressly accept and assume the risks that their independent analysis of the facts and claims at issue and their own judgments, belief, and knowledge on which they rely in executing this Agreement shall be in all respects effective and not subject to termination or rescission by any such inaccuracy or difference.

7. <u>Governing Law</u>. This Agreement shall in all respects be interpreted, enforced, and governed under the laws of the State of Nebraska. The language of all parts of this Agreement shall in all cases be construed as a whole, according to its fair meaning, and not strictly for or against either of the parties.

8. <u>Scope and Effect of Invalidity</u>. This Agreement shall be binding upon and inure to the benefit of Synowiecki and her heirs, executors, administrators, successors, and assigns, and the City and its past and present corporate and political officers, directors, council members, employees in their official capacities, and attorneys. Should any provision of this Agreement be declared or be determined by any court of competent jurisdiction to be illegal, invalid, void or unenforceable, the legality, validity, and enforceability of the remaining parts, terms or provisions shall not be affected thereby, and any said illegal, unenforceable or invalid part, term or provision shall be deemed not to be a part of this Agreement.

9. <u>Entire Agreement</u>. The undersigned further declares and represents that no promise, inducement or agreement not herein expressed has been made to the undersigned. This Agreement sets forth the entire agreement between the parties hereto and fully supersedes any and all prior agreements or understandings between the parties.

10. <u>Costs and Fees</u>. Synowiecki and the City acknowledge that they are responsible for their own costs, including attorneys' fees, if any, except as otherwise provided herein.

11. <u>Opportunity to Review</u>. Synowiecki expressly acknowledges that the City has encouraged and given her the opportunity to thoroughly discuss all aspects of this Agreement with an attorney or other advisor before signing it. Synowiecki also expressly acknowledges that she has thoroughly discussed, or, in the alternative, has freely elected to waive any further opportunities to thoroughly discuss this Agreement, with an attorney or advisor.

I HAVE READ THE ABOVE SETTLEMENT AGREEMENT AND RELEASE. I HAVE TAKEN THE TIME TO CONSIDER ITS IMPLICATIONS, I FULLY UNDERSTAND ITS CONTENTS, I AGREE TO ITS TERMS, AND I VOLUNTARILY SUBMIT TO ITS EXECUTION.

Signed: LAURETTA SYNOWIECKI

STATE OF NEBRASKA)) ss. COUNTY OF SARPY)

On this day of , 2018, before me, the undersigned, a Notary Public duly commissioned and qualified for said county, personally came Rita Sanders and Sabrina Ohnmacht, Mayor and City Clerk, respectively, of the City of Bellevue, a Nebraska Municipal Corporation, to me personally known to be the identical persons whose names are affixed to the foregoing instrument who acknowledged the same to be their voluntary act and deed on behalf of said corporation.

Witness my hand and notarial seal on the day and year last above written.

Notary Public

Approved as to form:

PROCLAMATION

WHEREAS, Jeff Roberts was appointed and has served as Public Works Director for the City of Bellevue since 2013; and,

WHEREAS, calendar year 2017 was a difficult year for public works and a challenge for Jeff's abilities given the additional responsibilities during that period of bringing the new City Offices into fruition, establishing a new method of providing solid waste collection and disposal services and responding to tornado damage and cleanup occurring in June; and,

WHEREAS, Jeff met all obligations head on and with the assistance of able and determined staff, was successful in opening the City Offices dedicated here today, presented a contract for solid waste collection and disposal to serve the community for the next ten years and restored the areas most damaged by the tornado events to normalcy sooner than originally contemplated or planned; and,

WHEREAS, the Citizens of Bellevue are well served by Jeff Roberts and his staff of qualified and hard working public works professionals and technicians, we salute their tireless and consistent efforts to improve our city.

NOW, THEREFORE, BE IT RESOLVED BY THE Mayor and City Council of the City of Bellevue, Nebraska, that we recognize and appreciate the leadership Jeff Roberts provided during calendar year 2017 when so many responsibilities were added to his scope of services as Public Works Director in leading his team beyond the customary public works services and challenges.

BE IT FURTHER RESOLVED, that, as we dedicate and cut the ribbon opening new City Administrative Offices and City Council Chambers, 2017 will be remembered as a year of historic opportunities for Bellevue that will remain a testament to the character and perseverance of public works employees and their leadership in meeting tasks head on and overcoming the challenges presented.

Signed:

Mayor

Subject: Re: Application for Class I License for Pharaoh's Bar and Grill

Hi Ryan and Deb,

Here is what needs to be on the application. Michelle at the Commission needs this from either of you.

I updated the dimensions to match what Sarpy County shows.

Please forward this to Michelle at the Commission.

"Please supply a box type diagram showing the outer wall dimensions and areas to be licensed. I will also need a description to put on the license. The current license has the following description, although the measurements on the application do no match this description. The current license one story bldg. approx. 87'x 49' including a sidewalk café approx. 31' x 25'" Please verify and make changes to the measurement to fit your license."

V/R, John Stude A Pharaoh's, Inc. 402-332-6078

APPLICANT INFORMATION # 2 PART & 2 PART

PERSONAL OATH AND CONSENT OR INVESTIGATION

The above individual(s), being first duly sworn upon oath, deposes and states that the undersigned is the applicant and/or spouse of applicant who makes the above and foregoing application that said application has been read and that the contents thereof and all statements contained therein are true. If any false statement is made in any part of this application, the applicant(s) shall be deemed guilty of perjury and subject to penalties provided by law. (Sec §53-131.01) Nebraska Liquor Control Act.

The undersigned applicant hereby consents to an investigation of his/her background including all records of every kind and description including police records, tax records (State and Federal), and bank or lending institution records, and said applicant and spouse waive any rights or causes of action that said applicant or spouse may have against the Nebraska Liquor Control Commission and any other individual disclosing or releasing said information to the Nebraska Liquor Control Commission. If spouse has NO interest directly or indirectly, a spousal affidavit of non-participation may be attached.

The undersigned understand and acknowledge that any license issued, based on the information submitted in this application, is subject to cancellation if the information contained herein is incomplete, inaccurate, or fraudulent.

SPOUSAL AFFIDAVIT OF NON PARTICIPATION INSERT

NEBRASKA LIQUOR CONTROL COMMISSION 301 CENTENNIAL MALL SOUTH PO BOX 95046 LINCOLN, NE 68509-5D46 PHONE: (402) 471-2571 FAX: (402) 471-2814 Website: www.lcc.nebraska.gov

I acknowledge that I am the spouse of a liquor license holder. My signature below confirms that I will not have any interest, directly or indirectly in the operation of the business (§53-125(13)) of the Liquor Control Act. I will not tend bar, make sales, serve patrons, stock shelves, write checks, sign invoices, represent myself as the owner or in any way participate in the day to day operations of this business in any capacity. The penalty guideline for violation of this affidavit is cancellation of the liquor license.

I acknowledge that I am the applicant of the <u>non-participating</u> spouse of the individual signing below. I understand that my spouse and I are responsible for compliance with the conditions set out above. If, it is determined that my spouse has violated (§53-125(13)) the commission may cancel or revoke the liquor license.

SUBJECT:

Request to amend Sections 5.07.04, 5.08.04, 5.09.04, 5.10.04, 5.11.04, 5.12.04, 5.13.04, 5.14.04, and 5.15.04 of the Bellevue Zoning Ordinance regarding household pets.

SYNOPSIS:

The proposed amendment brings the Zoning Ordinance into conformance with the City Code with regard to the recently approved Pet Avocation Permit.

FISCAL IMPACT:

None

BUDGETED ITEM: YES NO PROJECT # & TRACKING INFORMATION:

RECOMMENDATION:

The Planning Department and Planning Commission have recommended approval to this Zoning Ordinance text amendment.

BACKGROUND:

The Zoning Ordinance currently limits residences to three household pets over the age of six months. On January 22, 2018 the City Council passed Ordinance No. 3894 which allows up to five dogs or cats, and no more than a total of six dogs and cats, over the age of six months with the approval of a Pet Avocation Permit from the Nebraska Humane Society. This text amendment brings the Zoning Ordinance into conformance with the provisions of the City Code regarding the permitted number of household pets.

Planning Commission Hearing (s) was held on: February 22, 2018

City of Bellevue Office of the Planning Department

To:	Mayor Sanders
	City Council
	City Administrator Joe Mangiamelli
From:	Chris Shewchuk, Planning Director
Date:	March 5, 2018
Subject:	Zoning Ordinance Text Amendment

On January 22, 2018 the City Council approved Ordinance No. 3894 amending the City Code with regard to the number of pets permitted per dwelling unit. The ordinance allows residents to apply for and receive a "Pet Animal Avocation Permit" from the Nebraska Humane Society. Upon approval of such a permit, a resident would be allowed to keep up to five dogs or five cats total and no more than six total dogs and cats six months of age or older.

Approval of Ordinance No. 3894 created a conflict with the provisions of the zoning ordinance. In each residential zoning district (RE, RS-120, RS-84, RS-72, RD-60, RG-50, RG-28, RG-20, and RG-8), the keeping of dogs, cats, and other household pets is a permitted accessory use, but it is limited to three animals over 6 months of age. In order to bring the zoning ordinance into conformance with the amended City Code, the Planning Department is proposing to amend Sections 5.07.04 (RE), 5.08.04 (RS-120), 5.09.04 (RS-84), 5.10.04 (RS-72), 5.11.04 (RD-60), 5.12.04 (RG-50), 5.13.04 (RG-28), 5.14.04 (RG-20), and 5.15.04 (RG-8), Permitted Accessory Uses as follows:

The keeping of dogs, cats, and other household pets, but limited to 3 animals over six months of age, except as provided for in Sections 6.0, 6.23, and 6.47 of the Bellevue City Code.

PLANNING DEPARTMENT RECOMMENDATION:

APPROVAL of the proposed amendment based upon previous action of the City Council.

PLANNING COMMISSION RECOMMENDATION:

APPROVAL based upon the Planning Department's recommendation.

ORDINANCE NO. 3900

AN ORDINANCE TO AMEND SECTIONS 5.07.04, 5.08.04, 5.09.04, 5.10.04, 5.11.04, 5.12.04, 5.13.04, 5.14.04, AND 5.15.04, ORDINANCE NO. 3619, BELLEVUE ZONING ORDINANCE, RELATING TO THE KEEPING OF HOUSEHOLD PETS; TO REPEAL SUCH SECTIONS AS HERETOFORE EXISTING; TO PROVIDE AN EFFECTIVE DATE OF THE ORDINANCE; AND TO PROVIDE FOR THE PUBLICATION OF THIS ORDINANCE IN PAMPHLET FORM.

NOW, THEREFORE, BE IT ORDAINED BY THE MAYOR AND COUNCIL OF THE CITY OF BELLEVUE, NEBRASKA:

Section 1. That Section 5.07.04 of Ordinance No. 3619 is hereby amended to read as follows:

5.07.04 Permitted Accessory Uses:

1. Accessory structures no larger than three thousand (3,000) square feet provided they meet the following requirements:

- A. The accessory structure shall comply with the applicable space limitations, including maximum building height, for the principal structure on the lot.
- B. The accessory structure shall be adequately screened, in accordance with the provisions of Article 9, from abutting residential properties.
- C. Use of the accessory structure shall be limited to the residents of the lot upon which the structure is located.
- D. The accessory structure shall not be used for a home based business or any other commercial use.

The Planning Director shall determine that the purpose, design, and construction of the accessory structure shall be compatible or otherwise in keeping with the surrounding neighborhood.

2. Amateur radio towers and associated facilities, as per Section 8.05.

3. Buildings and uses customarily incidental to the permitted and conditional uses, provided they are located to the rear or side of the primary structure, including private sheds, barns, stables, and garages, provided size of the accessory structure is in conformance with these regulations.

4. Family Child Care Home I.

5. Guest houses, not rented or otherwise conducted as a business.

6. Home based businesses, as per Section 8.04.

7. Incidental public safety uses such as emergency sirens.

8. Living quarters for not more than two persons regularly employed on the premises, but not including labor camps or dwellings for transient labor.

9. Offices incidental to and necessary for conducting a permitted use.

10. Portable Outdoor Storage shall be a permitted accessory uses subject to the following conditions:

A. Portable outdoor storage shall be permitted for no more than seven days in any thirty day period.

B. Portable outdoor storage containers shall be no more than eight feet wide, eight feet high, and sixteen feet long.

C. Portable outdoor storage containers shall be placed on an approved hard surface.

D. No more than one portable outdoor storage container may be located on a lot at any one time.

11. Private stables, corrals and paddocks when located no closer than 20 feet from any property line, no closer than 50 feet from a street line and no closer than 40 feet from any dwelling on the same or adjoining property. No horse or other equine shall be kept on a lot of less than one acre and two horses, or other equines, may be kept on an acre, but for each additional horse or other equine above two kept there shall be an additional 20,000 square feet in lot area.

12. Raising of hens, as per Section 8.12.

13. Residential and small wind energy systems, subject to Section 8.09.

14. Roadside stands not exceeding 400 square feet in floor area, for the sale of agricultural products grown on the premises.

15. Temporary buildings incidental to construction work where such buildings or structures are removed upon completion of work.

16. The keeping of dogs, cats, and other household pets, but limited to 3 animals over six months of age, except as permitted for in Sections 6.0, 6.23, and 6.47 of the Bellevue City Code.

 \mathbf{S} ection 2. That Section 5.08.04 of Ordinance No. 3619 is hereby amended to read as follows:

5.08.04 Permitted Accessory Uses:

The following accessory uses are permitted in the RS-120 District:

- 1. Amateur radio towers and associated facilities, as per Section 8.05.
- Buildings and uses customarily incidental to the permitted and conditional uses, provided they are located to the rear or side of the primary structure, including private sheds and garages, provided size of the accessory structure is in conformance with these regulations.
 Family Child Care Home I
- 3. Family Child Care Home I
- 4. Guest houses, not rented or otherwise conducted as a business.
- 5. Home based businesses, as per Section 8.04.
- 6. Incidental public safety uses such as emergency sirens.
- 7. Living quarters for not more than two persons regularly employed on the premises.
- 8. Offices incidental to and necessary for conducting a permitted use.
- 9. Portable Outdoor Storage shall be a permitted accessory uses subject to the following conditions:
 - A. Portable outdoor storage shall be permitted for no more than seven days in any thirty day period.
 - B. Portable outdoor storage containers shall be no more than eight feet wide, eight feet high, and sixteen feet long.
 - C. Portable outdoor storage containers shall be placed on an approved hard surface.
 - D. No more than one portable outdoor storage container may be located on a lot at any one time.
- 10. Private stables, corrals and paddocks when located no closer than 20 feet from any property line, no closer than 50 feet from a street line and no closer than 40 feet from any dwelling on the same or adjoining property. No horse or other equine shall be kept on a lot of less than one acre and two horses, or other equines, may be kept on an acre, but for each additional horse or other equine above two kept there shall be an additional 20,000 square feet in lot area.
- 11. Residential and small wind energy systems, subject to Section 8.09.
- 12. Temporary buildings incidental to construction work where such buildings or structures are removed upon completion of work.
- 13. The keeping of dogs, cats, and other household pets, but limited to 3 animals over six months of age, except as provided for in Sections 6.0, 6.23, and 6.47 of the Bellevue City Code.

 \mathbf{S} ection 3. That Section 5.09.04 of Ordinance No. 3619 is hereby amended to read as follows:

5.09.04 Permitted Accessory Uses:

The following accessory uses are permitted in the RS-84 District:

- 1. Amateur radio towers and associated facilities, as per Section 8.05.
- 2. Buildings and uses customarily incidental to the permitted and conditional uses, provided they are located to the rear or side of the primary structure, including private sheds and garages, provided size of the accessory structure is in conformance with these regulations.
- 3. Family Child Care Home I.
- 4. Guest houses, not rented or otherwise conducted as a business.
- 5. Home based businesses, as per Section 8.04.
- 6. Incidental public safety uses such as emergency sirens.
- 7. Living quarters for not more than two persons regularly employed on the premises.
- 8. Offices incidental to and necessary for conducting a permitted use.
- 9. Portable Outdoor Storage shall be a permitted accessory uses subject to the following conditions:
 - A. Portable outdoor storage shall be permitted for no more than seven days in any thirty day period.
 - B. Portable outdoor storage containers shall be no more than eight feet wide, eight feet high, and sixteen feet long.
 - C. Portable outdoor storage containers shall be placed on an approved hard surface.
 - D. No more than one portable outdoor storage container may be located on a lot at any one time.

- 10. Residential and small wind energy systems, subject to Section 8.09.
- 11. Temporary buildings incidental to construction work where such buildings or structures are removed upon completion of work.
- 12. The keeping of dogs, cats, and other household pets, but limited to 3 animals over six months of age, except as provided for in Sections 6.0, 6.23, and 6.47 of the Bellevue City Code.

Section 4. That Section 5.10.04 of Ordinance No. 3619 is hereby amended to read as follows:

5.10.04 Permitted Accessory Uses:

The following accessory uses are permitted in the RS-72 District:

- 1. Amateur radio towers and associated facilities, as per Section 8.05.
- Buildings and uses customarily incidental to the permitted and conditional uses, provided they are located to the rear or side of the primary structure, including private sheds and garages, provided size of the accessory structure is in conformance with these regulations.
 Family Child Care Home I
- 4. Guest houses, not rented or otherwise conducted as a business.
- 5. Home based businesses, as per Section 8.04.
- 6. Incidental public safety uses such as emergency sirens.
- 7. Living quarters for not more than two persons regularly employed on the premises.
- 8. Offices incidental to and necessary for conducting a permitted use.
- 9. Portable Outdoor Storage shall be a permitted accessory uses subject to the following conditions:
 - A. Portable outdoor storage shall be permitted for no more than seven days in any thirty day period.

- 10. Residential and small wind energy systems, subject to Section 8.09.
- 11. Temporary buildings incidental to construction work where such buildings or structures are removed upon completion of work.
- 12. The keeping of dogs, cats, and other household pets, but limited to 3 animals over six months of age, except as provided for in Sections 6.0, 6.23, and 6.47 of the Bellevue City Code.

 \mathbf{S} ection 5. That Section 5.11.04 of Ordinance No. 3619 is hereby amended to read as follows:

5.11.04 Permitted Accessory Uses:

The following accessory uses are permitted in the RD-60 District:

- 1. Adult Care Center.
- 2. Amateur radio towers and associated facilities, as per Section 8.05.
- 3. Buildings and uses customarily incidental to the permitted and conditional uses, provided they are located to the rear or side of the primary structure, including private sheds and garages, provided size of the accessory structure is in conformance with these regulations.
- 4. Congregate housing.
- 5. Emergency Shelters.
- 6. Family Child Care Home I.
- 7. Guest houses, not rented or otherwise conducted as a business.
- 8. Home based businesses, as per Section 8.04.
- 9. Incidental public safety uses such as emergency sirens.
- 10. Living quarters for not more than two persons regularly employed on the premises.
- 11. Offices incidental to and necessary for conducting a permitted use.
- 12. Portable Outdoor Storage shall be a permitted accessory uses subject to the following conditions:
 - A. Portable outdoor storage shall be permitted for no more than seven days in any thirty day period.
 - B. Portable outdoor storage containers shall be no more than eight feet wide, eight feet high, and sixteen feet long.
 - C. Portable outdoor storage containers shall be placed on an approved hard surface.

D. No more than one portable outdoor storage container may be located on a lot at any one time.

- 13. Residential and small wind energy systems, subject to Section 8.09.
- 14. Temporary buildings incidental to construction work where such buildings or structures are removed upon completion of work.
- 15. The keeping of dogs, cats, and other household pets, but limited to 3 animals over six months of age, except as provided for in Sections 6.0, 6.23, and 6.47 of the Bellevue City Code.

Section 6. That Section 5.12.04 of Ordinance No. 3619 is hereby amended to read as follows:

5.12.04 Permitted Accessory Uses:

The following accessory uses are permitted in the RG-50 District:

- 1. Adult Care Center.
- 2. Amateur radio towers and associated facilities, as per Section 8.05.
- 3. Buildings and uses customarily incidental to the permitted and conditional uses, provided they are located to the rear or side of the primary structure, including private sheds and garages, provided size of the accessory structure is in conformance with these regulations.
- 4. Congregate housing.
- 5. Emergency Shelters.
- 6. Family Child Care Home I.
- 7. Guest houses, not rented or otherwise conducted as a business.
- 8. Home based businesses, as per Section 8.04.
- 9. Incidental public safety uses such as emergency sirens.
- 10. Living quarters for not more than two persons regularly employed on the premises.
- 11. Offices incidental to and necessary for conducting a permitted use.
- 12. Portable Outdoor Storage shall be permitted accessory uses subject to the following conditions:
 - A. Portable outdoor storage shall be permitted for no more than seven days in any thirty day period.
 - B. Portable outdoor storage containers shall be no more than eight feet wide, eight feet high, and sixteen feet long.
 - C. Portable outdoor storage containers shall be placed on an approved hard surface.
 - D. No more than one portable outdoor storage container may be located on a lot at any one time.
- 13. Residential and small wind energy systems, subject to Section 8.09.
- 14. Temporary buildings incidental to construction work where such buildings or structures are removed upon completion of work.
- 15. The keeping of dogs, cats, and other household pets, but limited to 3 animals over six months of age, except as provided for in Sections 6.0, 6.23, and 6.47 of the Bellevue City Code.

 \mathbf{S} ection 7. That Section 5.13.04 of Ordinance No. 3619 is hereby amended to read as follows:

5.13.04 Permitted Accessory Uses:

The following accessory uses are permitted in the RG-28 District:

- 1. Adult Care Center.
- 2. Amateur radio towers and associated facilities, as per Section 8.05.
- 3. Buildings and uses customarily incidental to the permitted and conditional uses, provided they are located to the rear or side of the primary structure, including private sheds and garages, provided size of the accessory structure is in conformance with these regulations.

- Congregate housing.
 Emergency Shelters.
 Family Child Care Home I.
- 7. Guest houses, not rented or otherwise conducted as a business.
- 8. Home based businesses, as per Section 8.04.
- 9. Incidental public safety uses such as emergency sirens.
- 10. Living quarters for not more than two persons regularly employed on the premises.
- 11. Offices incidental to and necessary for conducting a permitted use.
- 12. Residential and small wind energy systems, subject to Section 8.09.
- 13. Temporary buildings incidental to construction work where such buildings or structures are removed upon completion of work.
- 14. The keeping of dogs, cats, and other household pets, but limited to 3 animals over six months of age, except as provided for in Sections 6.0, 6.23, and 6.47 of the Bellevue City Code.

 \mathbf{S} ection 8. That Section 5.14.04 of Ordinance No. 3619 is hereby amended to read as follows:

5.14.04 Permitted Accessory Uses:

The following accessory uses are permitted in the RG-20 District:

- 1. Adult Care Center.
- 2. Amateur radio towers and associated facilities, as per Section 8.05.
- 3. Buildings and uses customarily incidental to the permitted and conditional uses, provided they are located to the rear or side of the primary structure, including private sheds and garages, provided size of the accessory structure is in conformance with these regulations.

- Congregate housing.
 Emergency Shelters.
 Family Child Care Home I.
- 7. Guest houses, not rented or otherwise conducted as a business.
- 8. Home based businesses, as per Section 8.04.
- 9. Incidental public safety uses such as emergency sirens.
- 10. Living quarters for not more than two persons regularly employed on the premises.
- 11. Offices incidental to and necessary for conducting a permitted use.
- 12. Residential and small wind energy systems, subject to Section 8.09.
- 13. Temporary buildings incidental to construction work where such buildings or structures are removed upon completion of work.
- 14. The keeping of dogs, cats, and other household pets, but limited to 3 animals over six months of age, except as provided for in Sections 6.0, 6.23, and 6.47 of the Bellevue City Code.

Section 9. That Section 5.15.04 of Ordinance No. 3619 is hereby amended to read as follows:

5.15.04 Permitted Accessory Uses:

The following accessory uses are permitted in the RG-8 District:

- 1. Adult Care Center.
- 2. Amateur radio towers and associated facilities, as per Section 8.05.
- 3. Buildings and uses customarily incidental to the permitted and conditional uses, provided they are located to the rear or side of the primary structure, including private sheds and garages, provided size of the accessory structure is in conformance with these regulations.
- 4. Congregate housing.
- 5. Emergency Shelters.
- 6. Family Child Care Home I.
- Guest houses, not rented or otherwise conducted as a business.
 Home based businesses, as per Section 8.04.
- 9. Incidental public safety uses such as emergency sirens.
- 10. Living quarters for not more than two persons regularly employed on the premises, but not including labor camps or dwellings for transient labor.
- 11. Offices incidental to and necessary for conducting a permitted use.
- 12. Residential and small wind energy systems, subject to Section 8.09.
- 13. Temporary buildings incidental to construction work where such buildings or structures are removed upon completion of work.
- 14. The keeping of dogs, cats, and other household pets, but limited to 3 animals over six months of age, except as provided for in Sections 6.0, 6.23, and 6.47 of the Bellevue City Code.

Section 10. That Sections 5.07.04, 5.08.04, 5.09.04, 5.10.04, 5.11.04, 5.12.04, 5.13.04, 5.14.04, and 5.15.04 of Ordinance No. 3619, the Bellevue Zoning Ordinance, as heretofore existing are hereby repealed.

Section 11. That this Ordinance shall be in full force and effect from and after its passage, approval and publication in pamphlet form as required by law.

CITY OF BELLEVUE, NEBRASKA AGENDA ITEM COVER SHEET

116 3-12-18

COUNCIL MEETING DATE:	March 12, 2018	AGENDA ITEM TYPE:	
		SPECIAL PRESENTATION	
SUBMITTED BY:		LIQUOR LICENSE	
Chris Shewchuk, Planning Director		ORDINANCE	~
Chins Shewchuk, Flaining Director CMS		PUBLIC HEARING	
		RESOLUTION	
		CURRENT BUSINESS	
		OTHER (SEE CLERK)	

SUBJECT:

Request to rezone Lot 2, Wolf Creek Replat 7, from BG to RS-20-PS, with site plan approval, for the purpose of multi-family residential development. Applicant: Wolf Creek Apartments, LLC. General Location: South 15th Street, south of Cornhusker Road.

SYNOPSIS:

The applicant is requesting a change of zone from BG to RS-20-PS in order to build a multi-family residential development. There are four apartment buildings, garage structures, and a club house proposed for this site. There will be a total of 204 dwelling units in this project.

FISCAL IMPACT:

None

	BUDGETED ITEM:	YES	NO
--	----------------	-----	----

PROJECT # & TRACKING INFORMATION:

N/A

RECOMMENDATION:

The Planning Department recommends denial of this request; the Planning Commission has recommended approval of this change of zone request and the site plan.

BACKGROUND:

Scott Brown, for Wolf Creek Apartments, LLC, is requesting approval of a change of zone from BG to RG-20-PS to allow for the construction of a 204-unit multi-family residential development. Site plan approval for the residential development is also being requested at this time. The Planning Department has recommended denial of this request due to the incompatibility of the residential zoning with the surrounding business and industrial zoning; if the change of zone is approved by the Council, the Planning Department recommends approval of the site plan. The Planning Commission has recommended approval of this request due to other locations within a mile of this site having similar zoning patterns.

PLANNING COMMISSION RECOMMENDATION

APPLICANT:	Wolf Creek Apartments, LLC
GENERAL LOCATION:	South 15th Street and Cornhusker Road
CASE #:	Z-1801-01
CITY COUNCIL HEARING DATE:	March 26, 2018

REQUEST: to rezone Lot 2, Wolf Creek Replat 7, from BG to RG-20-PS, with site plan approval, for the purpose of multi-family residential development.

On February 22, 2018, the City of Bellevue Planning Commission voted seven yes, two no, zero abstained, and zero absent to recommend:

APPROVAL based upon compatibility with other residential and heavy manufacturing areas within one mile of this development. *APPROVAL* of an amendment to the Comprehensive Plan, which will make this request in conformance with the Zoning Ordinance. *APPROVAL* of the site plan as presented.

CITY OF BELLEVUE PLANNING DEPARTMENT

RECOMMENDATION REPORT # 2

CASE NUMBERS: Z-1801-01

FOR HEARING OF:

REPORT #1: REPORT #2: February 22, 2018 March 26, 2018

I. <u>GENERAL INFORMATION</u>

A. APPLICANT:

Wolf Creek Apartments, LLC Scott Brown 1925 North 120th Street Omaha, NE 68154

B. PROPERTY OWNER:

Hogan Wolf Creek North, LLC c/o: Jim Buser 10250 Regency Circle, Suite 300 Omaha, NE 68114

C. GENERAL LOCATION:

South 15th Street and Cornhusker Road

D. LEGAL DESCRIPTION:

Lot 2, Wolf Creek Replat 7, located in the Southeast ¼ of Section 27, T14N, R13E of the 6th P.M., Sarpy County, Nebraska.

E. REQUESTED ACTIONS:

1. Rezone Lot 2, Wolf Creek Replat 7, from BG to RG-20-PS with site plan approval.

F. EXISTING ZONING AND LAND USE:

BG, Vacant

G. PURPOSE OF REQUEST:

The purpose of this request is to obtain approval of a rezoning and site plan for the construction of a 204 unit multi-family residential development.

H. SIZE OF SITE:

The site is approximately 9.37 acres.

II. <u>BACKGROUND INFORMATION</u>

A. EXISTING CONDITION OF SITE:

The site is presently vacant and covered in vegetation.

B. GENERAL NEIGHBORHOOD/AREA LAND USES AND ZONING:

- 1. North: Vacant/Commercial
- 2. East: Blue Buffalo Warehouse and Distribution Center/MH
- 3. South: Commercial/BGH
- 4. West: Highway 75 right-of-way

C. REVELANT CASE HISTORY:

1. On December 28, 2017, an administrative plat was approved for Lots 1 and 2, Wolf Creek Replat 7, being a replat of Lot 2, Wolf Creek Replat 3.

2. The Planning Commission recommended approval of a request to rezone Lot 2, Wolf Creek Replat 7, from BG to RG-20-PS, with site plan approval, for the purpose of multi-family residential development on February 22, 2018.

D. APPLICABLE REGULATIONS:

1. Section 5.14, Zoning Ordinance, regarding RG-20 uses and requirements.

2. Section 5.17, Zoning Ordinance, regarding Planned Subdivision District.

III. ANALYSIS

A. COMPREHENSIVE PLAN:

The Future Land Use Map of the Comprehensive Plan shows this area as commercial.

B. OTHER PLANS:

None

C. TRAFFIC AND ACCESS:

1. The 2016 MAPA Traffic Flow Chart estimates 14,200 vehicles per day along 15th Street South and Cornhusker Road.

2. The property has access from two points along South 15th Street.

D. UTILITES:

All utilities are available to this property.

E. ANALYSIS:

1. Scott Brown, on behalf of Wolf Creek Apartments, LLC has submitted a request for a rezoning for Lot 2, Wolf Creek Replat 7, from BG to RG-20-PS for the purpose of a multi-family residential development.

2. Staff does not believe this proposed residential development is compatible with the surrounding neighborhood. The adjacent zonings include BG (General Business), BGH (Heavy General Business), and MH (Heavy Manufacturing). The intent of these adjacent zonings is to provide for a wide range of retail and service establishments, as well as the widest range of industrial operations permitted in the city. Furthermore, the intent of the MH zone goes on to state "It is the zone for location of those industries which have not reached a technical stage in processing which renders them free of nuisance factors or where economics precludes construction and operation in a nuisance free manner." While the current distribution center across the street from the proposed development may not be offensive to most residents, this existing zoning district allows for permitted uses such as temporary batch plants, livestock yards, and junk yards with auto parts salvage and auto wreckage; none of which are compatible with a residential development.

3. In conjunction with the change of zone, the applicant is also requesting site plan approval for the apartment buildings.

4. The proposal consists of 204 units in three buildings. The buildings are a mix of studio, one-, two-, and three-bedroom units. The applicant has indicated the apartments will range in size from 500 square feet (studio) to in excess of 1,300 square feet (three-bedroom). Additionally, five detached garaged structures are proposed.

5. The site plan shows 306 surface parking stalls for the development, in addition to 102 garage spaces (attached and detached), for a total of 408 parking spaces. The ordinance requires a minimum of 408 parking stalls.

6. The applicant is proposing a clubhouse with a private 24-hour fitness center and a heated saltwater pool with a sundeck as recreational opportunities for residents. Additionally, the applicant indicates some of the project's amenities will include two buildings with elevators, an onsite pet bathing station, enclosed dog area for pet exercise, a social room in the clubhouse, as well as the convenience of the surrounding Wolf Creek commercial area.

7. The landscape plan has been reviewed by staff and meets the minimum requirements of the zoning ordinance.

8. The applicant has submitted building elevations. These elevations will need to be revised to meet the city's required design standards. This information has been conveyed to the applicant and his architect.

9. The site plan shows an existing monument sign for the adjacent Holiday Inn Express on proposed parking stalls. This has been brought to the applicant's attention and will need to be addressed if the site plan is approved.

10. A traffic study was required by staff and submitted with this application. This study has been reviewed by the Public Works Department.

The traffic study indicates that the overall current level of service (LOS) for the intersection of 15th Street and Cornhusker Road is "D" during the AM peak hour and "E" during the PM peak hour, although some movements are at LOS "F" during this time. As a result of either residential or commercial development at this site, the proposed 2022 level of service would remain at "D" during the AM peak hour and at "E" during the PM peak hour, but delay times on some movements would increase significantly.

The traffic study recommends "that signal timings be optimized at the signalized intersection of S. 15th Street with Cornhusker Road. With optimized timings, the intersection is anticipated to operate at LOS D in both the AM and PM peak periods under 2022 Wolf Creek build traffic conditions."

The applicant states based on the traffic study completed by Felsburg Holt & Ullevig, traffic would be reduced significantly during peak hours by changing the zoning from BG to RG-20-PS. The Public Works Department has pointed out the traffic study compares trips generated by each of the two scenarios (residential versus commercial). The claim of a <u>reduction</u> in peak-hour traffic in the traffic study and by the applicant is misleading; both the proposed residential development and a potential commercial development would cause increases in peak-hour

traffic, however, the increase resulting from residential development would be less than that resulting from commercial development.

Dean Dunn, Public Works Engineering Manager, expressed traffic concerns relating to the impact at 15th Street and Cornhusker Road, 10th Street and Cornhusker Road, as well as increased traffic through the Willow Springs neighborhood. Mr. Dunn stated in comparing the impacts between the residential versus the commercial scenarios on the 15th and Cornhusker intersection, both scenarios appear to negatively impact the surrounding traffic as summarized by the traffic study: "both the commercial and residential scenarios will increase delay and queuing at the intersection of S. 15th Street with Cornhusker Road. However, the commercial scenario will cause significantly higher delay and longer queues compared to the residential scenario."

The Planning Department was particularly concerned about the impact of this development through the Willow Springs neighborhood. Based upon current trip distribution patterns, both the residential and commercial development would have minimal impacts on Willow Springs as shown on the memo from Dean Dunn. The traffic study also points out that increased delays at 15th and Cornhusker may cause drivers to alter their routes to avoid the increased delays.

Mr. Dunn commented the Public Works Department understands there is a need to improve the Cornhusker Road corridor from Fort Crook Road to 25th Street. He mentioned the Public Works Department will be pursuing a study to determine the needed modifications. Once this is completed, Mr. Dunn stated "the necessary steps will be taken to program, design, and construct the necessary modifications to improve the efficiency of the corridor which includes the intersection at 15th Street. Mr. Dunn stated the only apparent recommendation from the traffic study was to optimize signal timings. Subsequently, he further commented "In absence of any recommendations involving immediate major reconstruction, the question becomes one of the degree of impact the City of Bellevue is willing to accept versus the opportunity costs involved." He concluded by stating "The opportunity costs to be considered are having the land left undeveloped, having the land developed to produce higher property taxes, or having the land developed to produce higher property taxes and sales tax revenue."

11. This application was sent out to the following departments for review: Public Works, Streets Department, Permits and Inspections, Acting Chief of Police, Offutt Air Force Base, Fire Inspector, and the Bellevue Public School District. The cover letter indicated a deadline to send comments back to the Planning Department, and also stated if the requested department did not have comments pertaining to the application, no response was needed.

Traci Stites, Offutt Air Force Base, stated she was surprised the city would consider this request in this particular location. She questioned how the proposed development fits into the city's masterplan. Ms. Stites indicated this does not seem a desirable location for residential development given it backs up to Highway 75 and is across the street from an industrial facility.

David Stukenholtz, Acting Chief of Police, expressed traffic concerns. Captain Stukenholtz stated, "Although it will add significant vehicular traffic to Cornhusker at both 15th St. and 10th St. during peak hours my greater concern is the Willow Springs area. The Cornhusker Road intersections are controlled by traffic signals so traffic may need to wait through an additional cycle. The Willow Springs subdivision only has stop signs and speed bumps so I am fearful that since the proposed units are near the Southern end of 15th St. more traffic may attempt to get out of the area through the south exit. The Willow Springs area has been a point of emphasis on the enforcement side of things for several years."

Dean Dunn, Public Works Engineer, had technical comments pertaining to the traffic study.

No other comments were received on this case.

12. The Future Land Use Map of the Comprehensive Plan shows this area as commercial.

F. TECHNICAL DEFICIENCIES:

1. The site plan should show a sidewalk along South 15th Street.

IV. DEPARTMENT RECOMMENDATION

DENIAL based upon incompatibility with the surrounding neighborhood and lack of conformance with the Comprehensive Plan. If the Planning Commission or City Council votes to approve the change of zone, the Planning Department would recommend approval to the site plan for multi-family development.

V. PLANNING COMMISSION RECOMMENDATION

APPROVAL based upon compatibility with other residential and heavy manufacturing areas within one mile of this development. APPROVAL of an amendment to the Comprehensive Plan, which will make this request in conformance with the Zoning Ordinance. APPROVAL of the site plan as presented.

VI. <u>ATTACHMENTS TO REPORT</u>

- 1. Zoning Map
- 2. GIS aerial photo of the property
- 3. Site plan received February 13, 2018
- 4. Exterior and interior photos of proposed apartments received January 19, 2018
- 5. Landscape plan received February 13, 2018
- 6. Justification letter received February 14, 2018

7. Traffic Study review memo from Dean Dunn, dated February 15, 2018

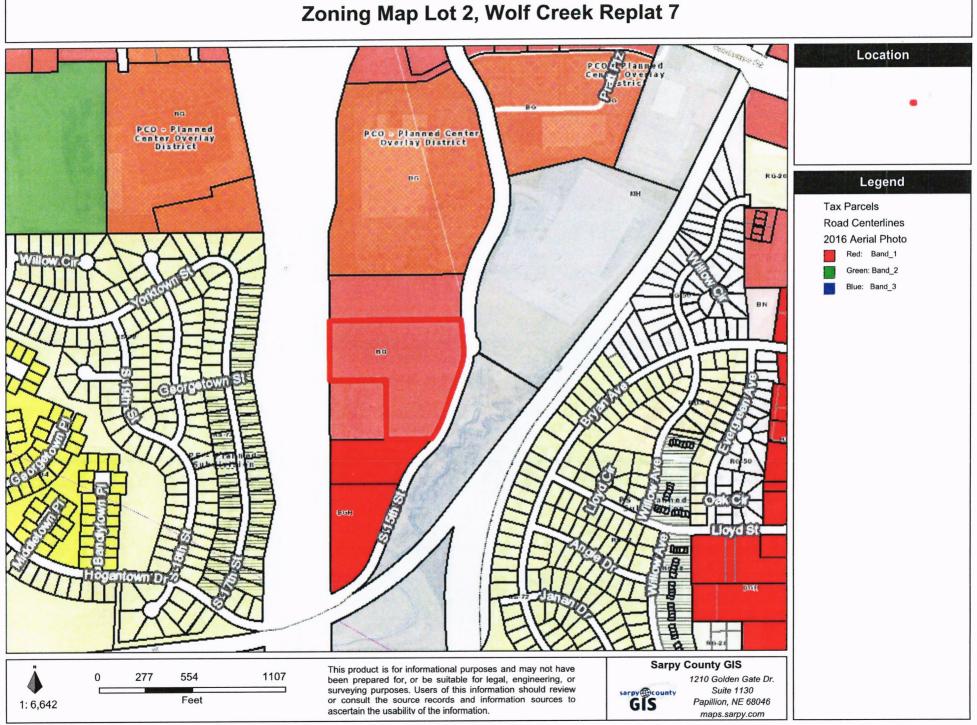

VII. <u>COPIES OF REPORT TO:</u>

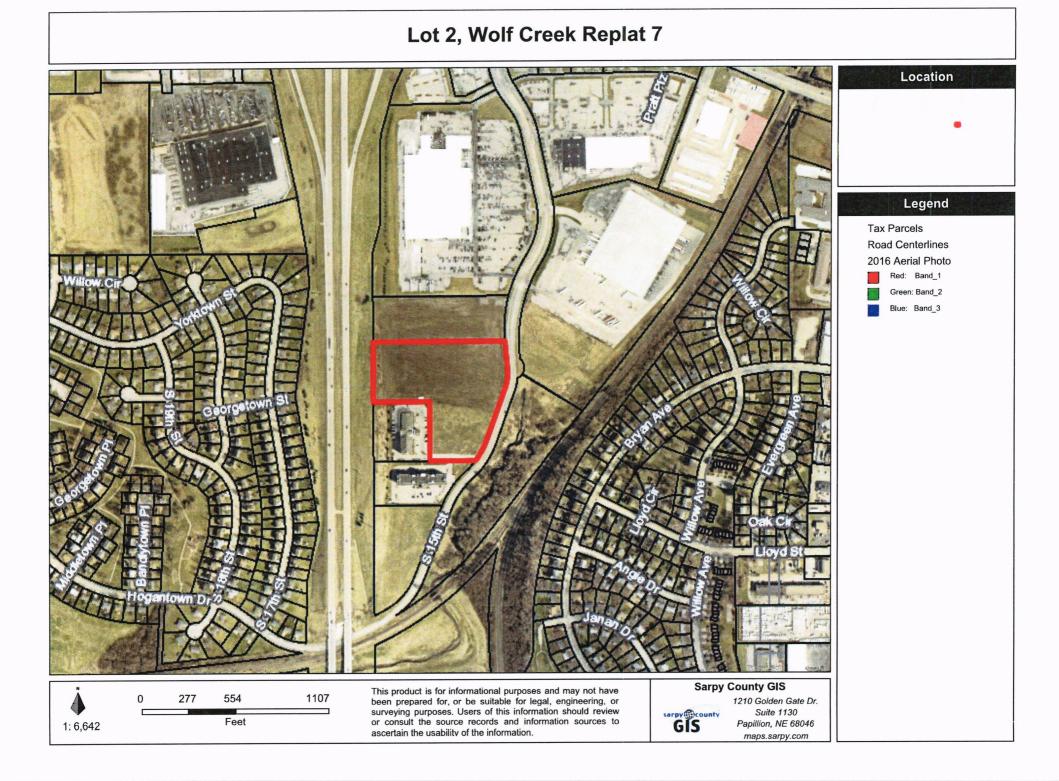

- 1. Wolf Creek Apartments, LLC
- 2. Hogan Wolf Creek North, LLC
- 3. Thompson, Dreessen & Dorner, Inc.
- 4. Public Upon Request

PLANNING DEPT.

Mr. Chris Shewchuk Bellevue Planning Director 1510 Wall Street Bellevue, NE 68005

Re: Rezoning Request Lot 2, Wolf Creek Replat 7

Dear Chris:

This letter serves as a supplement to the application to rezone the approximate 9.37 +/- acre property legally described as Lot 2, Wolf Creek Replat 7 located in the Wolf Creek subdivision in Bellevue, Nebraska (the "Property") from its existing BG zoning to RG-20-PS. The Property is currently surrounded by hotels to the south and west, a vacant outlot and railroad tracks to the east, Kennedy Freeway to the west, and commercial to the north. The rezoning of the Property is necessary to accomplish several key benefits for the City of Bellevue.

The applicant is proposing to develop six (6) three (3) story multi-family buildings along with a clubhouse and pool. Despite the difficulties in layout due to a sewer line running diagonally from the northwest corner to the southeast portion of the lot which contains a no build easement of twenty (20) feet, we believe we have put together a project that will benefit the current and future residents of Bellevue, the commercial owners, and the City of Bellevue.

1. Lack of Marketability for the Land

The property has been in a finished developed condition for over 20 years and yet the owner has had no interest from any commercial users for the land. The retail market is currently saturated with empty space. Locally, Hancock Fabric and Gordmans left over 100,000 sq. ft. of empty space at the corner of 15th Street & Cornhusker. The retail landscape has also shifted with less retailers looking to expand, and instead, retailers are more likely to reduce the size of their stores or eliminate the underperforming stores. Furthermore, the Property is not well suited for a retail development with the sewer line running through the middle of the property as users are limited to the location of the buildings and consequently, reduced visibility from Kennedy Freeway.

2. Multi-family housing needed in Mixed Use areas

The applicant had a market study prepared which showed the need for 204 multi-family units to serve the needs of the community, especially Bellevue University and Offutt Air Force Base. Shopping centers today are being developed with multi-family communities either near or part of the shopping center to support the retailers. These types of mixed used developments are commonplace in the Douglas and Sarpy county marketplaces. In our case, the Bellevue retailers located at 15th & Cornhusker would benefit from the proposed 204 multi-family units due to its close proximity to the multi-family dwellings

FEB 1 4 2018 PLANNING DEPT.

RECEIVED

and the residents would benefit from being able to walk to the stores and purchase goods and services. The walkability between the shopping center and the multi-family units is consistent with current planning models. It is also what people are asking and looking for when determining a place to live.

3. Reduction of traffic

We understand 15th & Cornhusker is one of the busiest intersections in Bellevue. The applicant had a traffic study completed on November 3, 2017, by Felsburg, Hot & Ullevig. The study found that traffic would be reduced daily by approximately 4,414 cars due to changing the zoning from BG to RG-20-PS. More importantly, peak hour traffic would be significantly reduced by 228 cars in the morning and 365 cars in the evening.

Facility	Daily	AM	AM Peak Hour			PM Peak Hour		
Facility	Trips	In	Out	Total	In	Out	Total	
Wolf Creek Land Use Total	1,502	22	72	94	72	42	114	
Commercial Land Use Total	5,916	193	129	322	245	234	479	
Difference in Generated Traffic (Commercial - Proposed)	+4,414	+171	+57	+228	+173	+192	+365	

Change In Trips by Land Use

4. Assessed Valuation

The land was valued at \$406,981 in 2012 and since increased to \$946,468 in 2016. The applicant is proposing an apartment project with clubhouse and pool that may increase the property valuation to over Ten Million Dollars (\$10,000,000). That is a 956.6% potential increase in property valuation.

We are sincerely looking forward to working with the City of Bellevue on the development of the Property. We see this project as a win for all parties involved and the current and future residents of the City of Bellevue. Should you or anyone else require or desire any additional information, please do not hesitate to ask.

City of Bellevue Public Works Administration 1510 Wall Street • Bellevue, Nebraska 68005 • (402) 293-3025

MEMO	TO:	Tammi Palm	

FROM: Dean Dunn

DATE: February 15, 2018

SUBJECT: REZONING REVIEW – LOT 2 OF WOLF CREEK REPLAT 7

Public Works has reviewed FHU's response memo and its revised traffic impact analysis dated 2/12/2018 and 2/13/2018 respectively. The memo and revised traffic impact analysis were in response to Public Work's request for additional information or clarification on the following items:

- 1. Clarify why traffic through Willow Springs is expected to maintain the same trip distribution regardless of how bad the intersection delay/level of service and queuing at 15th & Cornhusker Road becomes.
- 2. Clarify why impacts to 10th & Cornhusker, Wolf Creek Drive, and cut-through traffic behind Wolf Creek Plaza was not addressed in the report.
- 3. The comparison between the possible future residential and commercial development did not continue in the discussion of future conditions. To adequately understand the consequences of selecting one type of development over another, all information should be presented. In this case, provide counterpart analysis for the commercial development scenario.
- Clarify how signal optimization at 15th & Cornhusker will affect traffic/intersections east and west (Fort Crook Road to 25th Street) and whether additional traffic studies have been completed, are underway, or are required.

Public Works still has concerns regarding the degree of impact Willow Springs may face under the two scenarios. Under the FHU response regarding the trip distribution through Willow Springs, it was stated that *"Traffic using Hogantown Drive and Lewis and Clark Road through the Willow Springs neighborhood would be expected to increase 3 to 4 times under the commercial scenario."* This statement is slightly misleading and should be clarified by stating it is based on comparing only the trips generated by each of the two scenarios (residential vs. commercial). A similar misrepresentation occurs with the response comment explaining *"With a less intense land use on the site, traffic through the Willow Springs neighborhood would be lessened"* and should be clarified by mentioning it is when compared to the commercial scenario.

To provide a better understanding, on following page, Table PW-1 may help illustrate the overall anticipated change in peak hour traffic volume based on the current study's assumptions.

TABLE PW-1. TOTAL PEAK HOUR TRAFFIC VOLUMES								
		15 [™] S	treet to Wi	illow Spring	S			
Scenario	FROM Will	ow Springs	ngs TO Willow Springs		Total		% Increase vs. Existing	
Scenario	AM	PM	AM	PM	AM	PM	AM	PM
2017 Existing	258	87	3	148	261	235		
2022 Residential	259	91	7	150	266	241	1.9%	2.6%
2022 Commercial	268	99	9	160	277	259	6.1%	10.2%

The FHU report and response appears to contradict itself when maintaining their 5% trip distribution assumption while stating, "the commercial scenario will cause significantly higher delay and longer queues compared to the residential scenario" and "traffic would need to experience significant delays for drivers to alter their route". Given these statements, it would seem that the potential impacts to Willow Springs may be understated.

With respect to the impacts to 10th and Cornhusker being ignored to provide a conservative analysis at 15th and Cornhusker, it stands to reason that the analysis of the traffic impacts at 15th and Cornhusker may be overstated based on the previously mentioned statement that *"traffic would need to experience significant delays for drivers to alter their route."*

In comparing the impacts between the residential versus the commercial scenarios on the 15th and Cornhusker intersection, both scenarios appear to negatively impact the surrounding traffic as summarized by *"both the commercial and residential scenarios will increase delay and queueing at the intersection of S. 15th Street with Cornhusker Road. However, the commercial scenario will cause significantly higher delay and longer queues compared to the residential scenario."*

The Public Works Department understands there is a need to improve the Cornhusker Road corridor from Fort Crook Road and 25th Street. While a feasibility study is not yet being contracted, Public Works will be pursuing a study to determine the needed modifications. Once the study is completed, the necessary steps will be taken to program, design, and construct the necessary modifications to improve the efficiency of the corridor which includes the intersection at 15th Street.

With this in mind, the only recommendation made involving improvements to the intersection was to optimize signal timings. In absence of any recommendations involving immediate major reconstruction, the question becomes one of the degree of impact the City of Bellevue is willing to accept versus the opportunity costs involved. The degree of impact is summarized in the report's Table 9 (Lane Group Delay Build Comparison) and Table 10 (95% Queue Lengths Build Comparison. The opportunity costs to be considered are having the land left undeveloped, having the land developed to produce higher property taxes, or having the land developed to produce higher property taxes and sales tax revenue.

ORDINANCE RECORD

No. 728-REDFIELD & COMPANY INC., OMAHA

ORDINANCE NO. 3903

AN ORDINANCE TO AMEND THE OFFICIAL ZONING MAP OF THE CITY OF BELLEVUE, NEBRASKA, AS PROVIDED FOR BY ARTICLE 3 OF ORDINANCE NO. 3619 BY CHANGING THE ZONE CLASSIFICATION OF LAND LOCATED <u>AT OR ABOUT</u> <u>SOUTH 15TH STREET AND CORNHUSKER ROAD</u>, MORE PARTICULARLY DESCRIBED IN SECTION 1 OF THE ORDINANCE AND TO PROVIDE AN EFFECTIVE DATE.

WHEREAS, having received a recommendation from the city of Bellevue Planning Commission and proper notice having been given and public hearing held as provided by law:

Be it ordained by the mayor and city council of the city of bellevue, nebraska:

Section 1. That part of the official zoning map of the City of Bellevue, Nebraska, as provided in Article 3, of Ordinance No. 3619 is hereby amended to change the zone classification of the following described parcel of land:

Lot 2, Wolf Creek Replat 7, located in the Southeast ¹/₄ of Section 27, T14N, R13E of the 6th P.M., Sarpy County, Nebraska

From BG (General Business District) to RG-20-PS (General Residence, 2,000 Square Foot Zone, Planned Subdivision District)

(Wolf Creek Apartments, LLC)

Section 2. Except as amended herein, the official zoning map and the classification shown therein shall remain as heretofore existing.

Section 3. This ordinance shall take affect and be in force from and after its adoption and publication according to law.

ADOPTED by the Mayor and City Council this _____ day of _____, 2018.

SUBJECT:

Request from SID #208, Sunrise (Phases III and IV), for approval to expend \$30,350 for park improvements.

SYNOPSIS:

Doug Kellner, engineer for SID #208, is requesting City Council approval for the SID to expend \$30,350 of SID funds for park improvements. The improvements will consist primarily of sidewalk/trail repair and replacement. State Statutes require City Council approval prior to Sanitary and Improvement Districts spending funds on park and recreation improvements.

FISCAL IMPACT:

None, park improvements will be paid for from SID funds.

BUDGETED ITEM:	YES	
----------------	-----	--

PROJECT # & TRACKING INFORMATION:

N/A

RECOMMENDATION:

The Planning Department recommends approval of this request as it is necessary repairs to an existing park area. The Planning Commission does not make a recommendation on this matter.

BACKGROUND:

SID #208 is proposing to make improvements to the existing park within Sunrise Subdivision. The improvements consist primarily of repairing and replacing segments of the existing sidewalk and trail within the park. Additionally, two new curb ramps will be installed in order to be in compliance with ADA and City of Bellevue standards. The cost of the improvements is \$30,350 which will be paid by the SID from its construction fund. The SID will be responsible for maintenance of the park area until such time as the SID is annexed; the City will then be responsible for maintenance.

RESOLUTION NO. <u>2018 – 08</u>

BE IT RESOLVED by the Mayor and City Council of the City of Bellevue, Nebraska:

WHEREAS, Sanitary and Improvement District No. 208 of Sarpy County, Nebraska, which encompasses the subdivision in Sarpy County known as Sunrise (Phases III and IV) and is located within the zoning jurisdiction of the City of Bellevue, proposes to construct park improvements within the boundaries of Sanitary and Improvement District No. 208, Sunrise (Phases III and IV), at the following estimated costs: sidewalk removal and replacement - \$19,535; remove and replace curb ramps - \$3,380; sod installation - \$1,162.50; replace trash receptacle - \$200; engineering, legal, and fiscal costs - \$6,072.50.

WHEREAS, such park improvements are in conformity with the construction specifications and standards established by the City of Bellevue.

NOW THEREFORE, the City Council of the City of Bellevue, Nebraska, following a public hearing, does herewith approve the expenditure by Sanitary and Improvement District No. 208, Sunrise (Phases III and IV), a subdivision in Sarpy County, Nebraska, as surveyed, platted and recorded, in the amount of \$30,350 for construction of specified park improvements.

PASSED AND APPROVED this 12th day of March, 2018.

Rita Sanders, Mayor

Mr. Chris Shewchuk Planning Director City of Bellevue 1510 Wall Street Bellevue, NE 68005

RE: S.&I.D. No. 208 of Sarpy County, NE (Sunrise Addition) 2018 Trail Reconstruction TD2 File No. 1156-118.166

S.&I.D. No. 208 of Sarpy County, Nebraska (Sunrise Addition) is seeking to enter into contract for reconstruction of pedestrian trails within Sunrise Park located at Lot 339 of Sunrise Addition. The District's reasoning for said reconstruction is as follows:

- The existing trails have settled unevenly at several locations within the park and present a trip hazard to pedestrians.
- Some concrete panels are cracked to the extent that crack sealing is not feasible and present a further trip hazard to pedestrians.
- The existing curb ramps at Avery Road are not in compliance with current ADA standards and will be reconstructed to conform to current ADA and City of Bellevue standards.

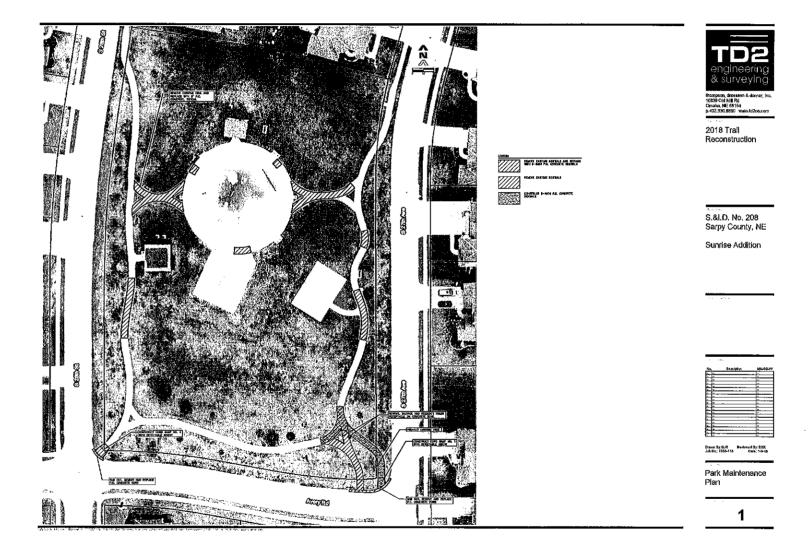

Plans for the trail reconstruction are being prepared by Thompson, Dreessen and Dorner, Engineers for the District. The District has bid the project and B&W Co., Inc. was the low bidder at \$24,277.50. The total estimated construction cost for this trail reconstruction including engineering, legal, and fiscal costs is expected to be \$30,350.00. These costs are proposed to come from the construction fund as general obligation to the District

Respectfully-submitted,

THOMPSON, DREESSEN & DORNER, INC. Douglas E. Kellner, P.E.

NOTICE TO CONTRACTORS

SANITARY AND IMPROVEMENT DISTRICT NO. 208 OF SARPY COUNTY, NEBRASKA SUNRISE 2018 TRAIL RECONSTRUCTION

Sealed proposals will be received at the office of Thompson, Dreessen & Dorner, Inc., 10836 Old Mill Road, Omaha, Nebraska 68154, until 4:00 p.m. on the _____ day of _____, 2018 for the furnishing of all labor, materials, use of Contractor's equipment, plant, and all else necessary to construct properly all of the improvements within the improvement generally designated 2018 TRAIL RECONSTRUCTION, within and for Sanitary and Improvement District No. 208 of Sarpy County, Nebraska.

At such hour, or as soon as practicable thereafter, the Board of Trustees of the District will proceed to open in the presence of all bidders and consider the bids received for the furnishing of such labor, materials, and equipment necessary for the proper construction of such improvements.

The extent of the work consists of the construction or other effectuation of the items listed below and other related preparatory and subsidiary work from issuance of the Notice to Proceed:

Item	REMOVE AND REPLACE SIDEWALK WITH 5-INCH P.C. CONCRETE SIDEWALK REMOVE EXISTING SIDEWALK CONSTRUCT 5-INCH P.C. CONCRETE SIDEWALK SAW CUT, REMOVE AND REPLACE P.C. CONCRETE CURB CONSTRUCT P.C. CONCRETE CURB RAMP NO. 1 WITH DETECTABLE INSERT	Estima Quanti		
1	REMOVE AND REPLACE SIDEWALK WITH 5-INCH P.C. CONCRETE SIDEWALK	1,920	S.F.	
2	REMOVE EXISTING SIDEWALK	860	S.F.	
3	CONSTRUCT 5-INCH P.C. CONCRETE SIDEWALK	710	S.F.	
4	SAW CUT, REMOVE AND REPLACE P.C. CONCRETE CURB	60	L.F.	
5	CONSTRUCT P.C. CONCRETE CURB RAMP NO. 1 WITH DETECTABLE INSERT	1	L.S.	
6	CONSTRUCT P.C. CONCRETE CURB RAMP NO. 2 WITH DETECTABLE INSERT	1	L.S.	
7	REMOVE, SALVAGE AND REPLACE TRASH RECEPTACLE ON CONCRETE PAD	1	EA.	
8	FURNISH AND INSTALL SOD	1550	S.F.	

The Engineer's estimate of the construction or other effectuation of all such improvements and work is \$26,285.00.

All work called for in the drawings and specifications shall be furnished in strict accordance with the drawings and specifications prepared by Thompson, Dreessen & Dorner, Inc., Engineers for the District, and now filed in the office of the Clerk of the District, and bids will be received only upon the proposal form furnished through the Engineer for the District.

Each bid must be accompanied in a SEPARATE SEALED ENVELOPE by a certified check drawn on a bank whose deposits are insured by the Federal Deposit Insurance Corporation in the amount of \$1,300.00, payable without condition to the Treasurer, Sanitary and Improvement District No. 208 of Sarpy County, Nebraska, <u>or a bid bond for a like amount</u> as evidence of good faith of the bidder and as agreed upon liquidated damages to the District in the event the bidder whose proposal is accepted by the Board of Trustees of the District fails to enter into contract within ten (10) days after Notice of Award and furnish acceptable bond to complete the work and pay for all labor done and materials used, such bond to be in the amount of 100% of the total bid price.

No bidder may withdraw his proposal for a period of thirty (30) days after the date set for the opening of bids.

Drawings, specifications, and Contract Documents may be examined at the office of the Clerk of the District, and may be procured from the office of the Engineer, Thompson, Dreessen & Dorner, Inc., 10836 Old MIII Road, Omaha, Nebraska 68154, upon the payment of \$20.00, of which no part will be refunded.

Sanitary and Improvement District No. 208 of Sarpy County, Nebraska reserves the right to waive informalities and to reject all or any bids.

CITY OF BELLEVUE PLANNING DEPARTMENT

RECOMMENDATION REPORT # 2

CASE NUMBER: S-1801-02

FOR HEARING OF:

REPORT #1: REPORT #2:

February 22, 2018 March 12, 2018

I. <u>GENERAL INFORMATION</u>

A. APPLICANT:

Charleston Homes Attn: Marc Stodola 3803 N. 153rd Street Omaha, NE 68116

B. PROPERTY OWNERS:

Bonnie Jean Miller Trustee c/o Diana M. Dohse Trustee 16402 South 75th Street Papillion, NE 68046

C. GENERAL LOCATION:

Southwest corner of 48th Street and Capehart Road

D. LEGAL DESCRIPTION:

Lots 1 through 228, and Outlots A through D, Falcon Pointe, being a platting of the North $\frac{1}{2}$ of the Northwest $\frac{1}{4}$, excluding Tax Lot 1, and excluding right-of-way, located in Section 7, T13N, R13E of the 6th P.M., Sarpy County, Nebraska.

E. REQUESTED ACTION:

Final Plat Lots 1 through 228, and Outlots A through D, Falcon Pointe.

F. EXISTING ZONING AND LAND USE:

AG, Vacant

G. PURPOSE OF REQUEST:

The purpose of this request is to obtain final plat approval to enable single family residential development.

H. SIZE OF SITE:

The site is approximately 77 acres.

II. BACKGROUND INFORMATION

A. EXISTING CONDITION OF SITE:

The site was most recently used agriculturally.

B. GENERAL NEIGHBORHOOD/AREA LAND USES AND ZONING:

- 1. North: Vacant/Ag and Single Family Residential, AG and RE
- 2. East: Vacant and Single Family Residential, RE, RG-28, and RG-50-PS
- **2.** South: Vacant/Ag, AG
- 3. West: Vacant/Ag, AG

C. REVELANT CASE HISTORY:

1. On December 21, 2017 the Planning Commission recommended approval of a request to rezone Lots 1 through 227, and Outlots A through D, Falcon Pointe, being a platting of the North ½ of the Northeast ¼, excluding right-of-way, located in Section 7, T13N, R13E of the 6th P.M., Sarpy County, Nebraska from AG to RG-50-PS and RS-72, for the purpose of single family residential development; and preliminary plat Lots 1 through 227, and Outlots A through D, Falcon Pointe. The aforementioned request was approved by the City Council on February 12, 2018.

2. The Planning Commission recommended approval of a request to final plat Lots 1 through 228, and Outlots A through D, Falcon Pointe, being a platting of the North $\frac{1}{2}$ of the Northeast $\frac{1}{4}$, excluding Tax Lot 1, and excluding right-of-way, located in Section 7, T13N, R13E of the 6th P.M., Sarpy County, Nebraska on February 22, 2018.

D. APPLICABLE REGULATIONS:

- 1. Chapter 4, Subdivision Regulations, regarding Final Plats.
- 2. Chapter 7, Subdivision Regulations, regarding Capital Improvements.

III. ANALYSIS

A. COMPREHENSIVE PLAN:

The Future Land Use Map of the Comprehensive Plan designates this area as medium density residential.

B. OTHER PLANS:

None

C. TRAFFIC AND ACCESS:

1. The 2016 traffic data from MAPA indicates less than 2,000 vehicles per day along Capehart Road near South 48th Street.

2. Access is proposed from one point along Capehart Road, as well as one point along South 48th Street.

D. UTILITES:

All utilities are available or will be constructed to serve this development.

E. ANALYSIS:

1. Marc Stadola, on behalf of Charleston Homes, has submitted a request to final plat Lots 1 through 228, and Outlots A through D, Falcon Pointe.

2. RG-50-PS zoning was requested for Lots 1 through 63, of the development, while RG-72 zoning was requested for Lots 64 through 228. This zoning will take effect upon filing of the final plat.

3. This application was sent out to the following departments/individuals for review: Public Works, Permits and Inspections, Offutt Air Force Base, Sarpy County Planning Director, Sarpy County Public Works Director, and the Springfield Platteview School District. The cover letter indicated a deadline to send comments back to the Planning Department, and also stated if the requested department did not have comments pertaining to the application, no response was needed.

Public Works Engineer Matt Knight had minor technical comments pertaining to the plat. The applicant's engineer has since made the necessary revisions.

No other comments were received on this case.

4. The preliminary plat was approved with 227 lots. Due to some minor adjustments in lot lines, the final plat has 228 lots. All of these lots meet the minimum zoning requirements for their respective districts. Subsequently, the final plat is in general conformance with the approved preliminary plat.

5. The applicant submitted a Subdivision Agreement which has been reviewed by the City Attorney.

F. TECHNICAL DEFICIENCIES:

None

IV. **DEPARTMENT RECOMMENDATION**

APPROVAL based upon conformance with the preliminary plat.

V. PLANNING COMMISSION RECOMMENDATION

APPROVAL based upon conformance with the preliminary plat.

VI. **ATTACHMENTS TO REPORT**

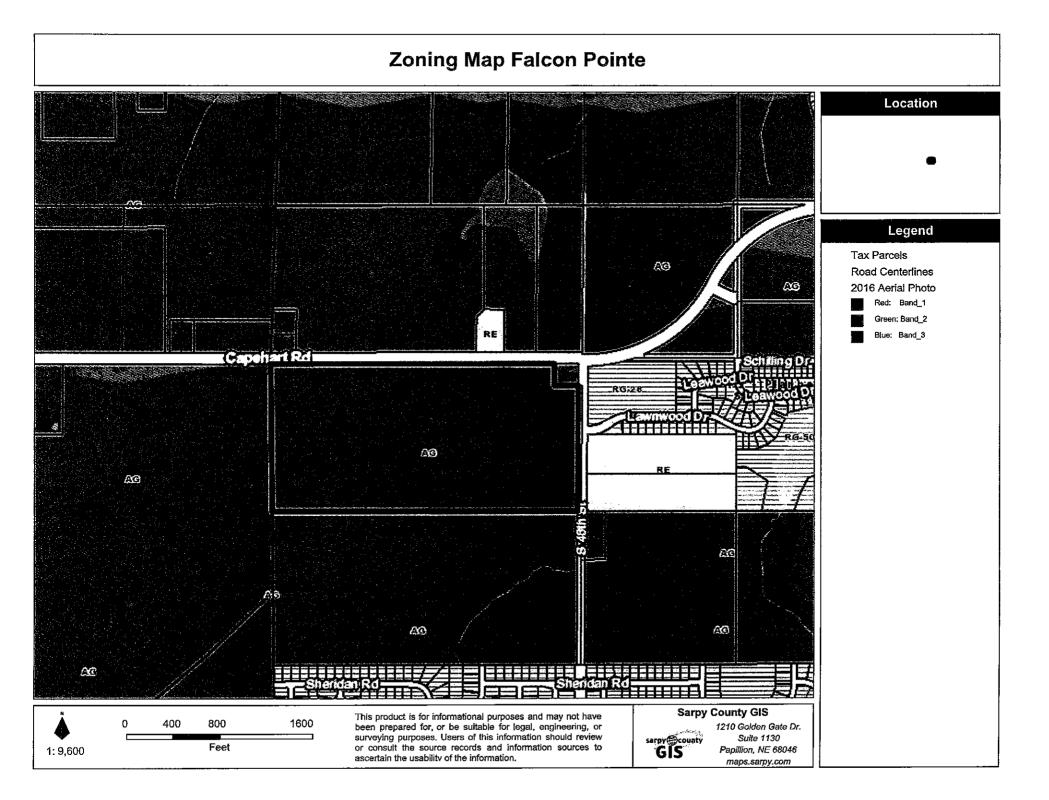

- 1. Zoning Map
- 2. 2016 GIS aerial photo of the property
- 3. Final plat received February 15, 2018
- 4. Subdivision Agreement received March 2, 2018

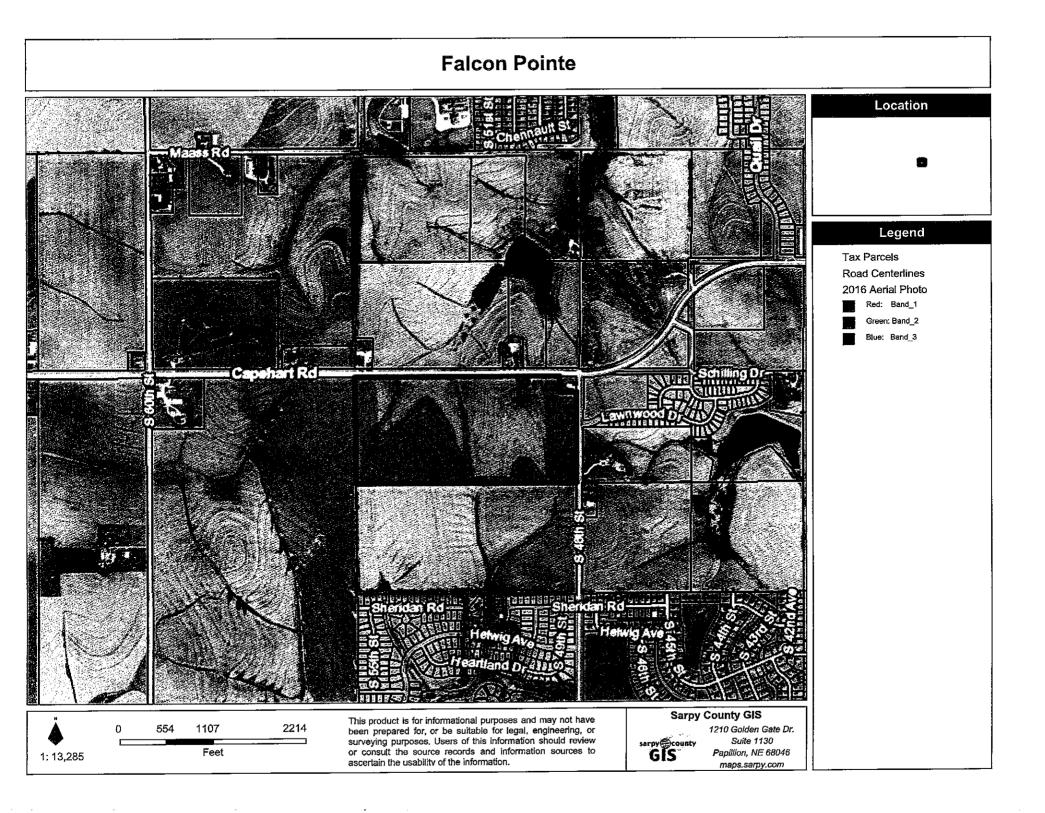

VII. **COPIES OF REPORT TO:**

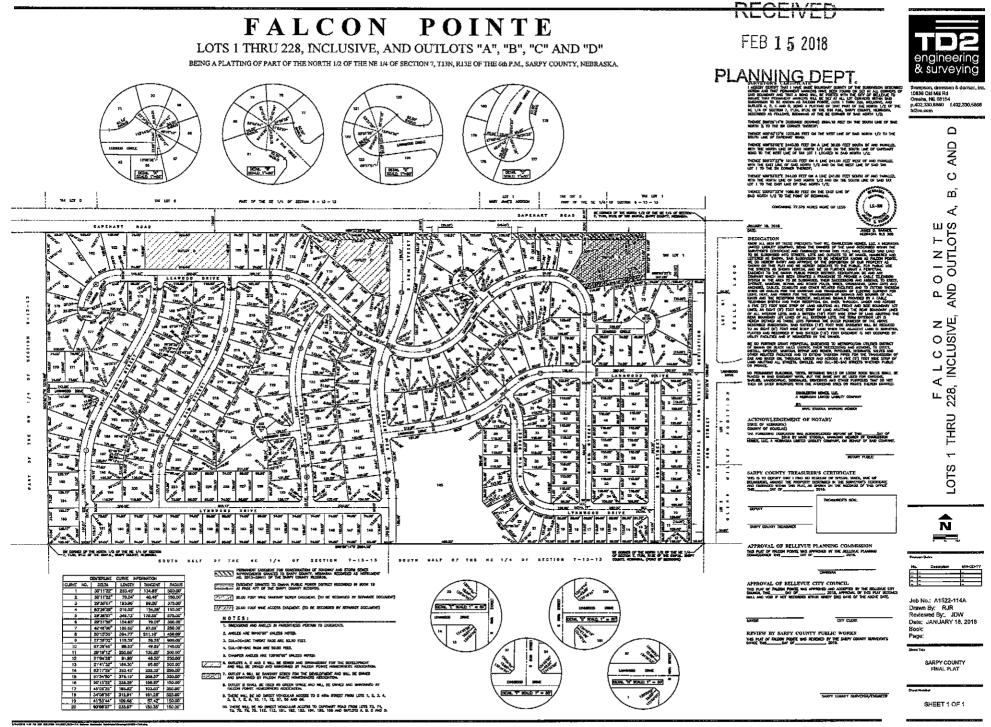

- 1. Charleston Homes (Marc Stodola)
- 2. Thomson, Dreessen, & Dorner, Inc. (Doug Kellner)
- 3. Pansing Hogan Ernst and Bachman, LLP (Mark LaPuzza)
- 4. Bonnie Jean Miller Trustee (Diana M. Dohse Trustee)
- 5. Public Upon Request

SUBDIVISION AGREEMENT

THIS SUBDIVISION AGREEMENT ("Agreement") is made this 12th day of March, 2018 ("Effective Date"), by and among CHARLESTON HOMES, LLC, a Nebraska limited liability company ("DEVELOPER"), SANITARY AND IMPROVEMENT DISTRICT NO. 334 OF SARPY COUNTY, NEBRASKA, a Nebraska political subdivision ("DISTRICT"), and THE CITY OF BELLEVUE, a municipal corporation of the first class ("CITY").

WITNESSETH:

WHEREAS, DEVELOPER is the contract purchaser or owner of the real property situated within the Development Area (as defined in Section 1); and

WHEREAS, DISTRICT and DEVELOPER desire to construct, install and locate certain improvements within the Development Area; and

WHEREAS, the Development Area is outside the incorporated limits of the CITY but within the CITY's zoning jurisdiction.

WHEREAS the Development Area will be developed in two (2) phases.

NOW, THEREFORE, in consideration of the premises, the PARTIES agree as follows:

SECTION 1 DEFINITIONS

For the purpose of this Agreement, unless the context otherwise requires, the following words and phrases shall have the following meanings:

(a) "Benefitted Property" shall mean any parcel or lot within the Development Area which, as of the Effective Date, may actually be used as a buildable lot.

(b) "Cost" shall mean all construction costs, engineering fees, design fees, attorneys' fees, testing expenses, publication costs, financing costs (which shall include all warrant fees and bond fees, and interest on warrants to date of levy of special assessments), the administrative costs incurred by DISTRICT by application of Section 5(c) and all other related or miscellaneous costs or expenses directly incurred by DEVELOPER or DISTRICT in connection with Public Improvements.

(c) "Dedicated Street(s)" shall mean those concrete or paved area(s), including curbing, to be constructed, modified or improved within that portion of the Development Area designated as Dedicated Street right-of-way on Exhibit B.

(d) "Development Area" shall mean the real property situated within the area identified or depicted on Exhibit A.

(e) "General Obligation" shall mean any indebtedness for Public Improvements which is not required by law or this Agreement to be specially assessed against Benefited Property.

(f) "Party" shall mean CITY, DEVELOPER or DISTRICT, individually, and "Parties" shall mean the CITY, DEVELOPER and DISTRICT, collectively.

(h) "Plat" shall mean the Final Plat of Falcon Pointe, Lots 1 thru 228, inclusive, and Outlots A through D, approved by the City Council for the CITY on March 12, 2018, subject to any conditions expressly provided for at such time or in this Agreement.

(i) "Public Improvements" shall mean:

(i) All Dedicated Streets (including that portion of any "T" intersection abutting any buildable lot or parcel and Street Intersections) identified on Exhibit B.

(ii) All concrete sidewalks to be constructed, modified or improved along any Dedicated Streets and lying within the boundaries of any Dedicated Street right-of-way.

(iii) All Dedicated Street signage required by, and meeting the standards of, the "Manual of Uniform Traffic Control Devices" but only if first approved in writing by the CITY's Public Works Department and only if located at a Street Intersection.

(iv) All "Wastewater Sewers" constructed within the Development Area as identified in the sanitary sewer layout (Exhibit B) prepared by Thompson, Dreessen & Dorner, Inc. ("Engineer"). Wastewater Sewers shall include all necessary sanitary and wastewater sewer mains, manholes, lines, pipes, lift stations and related appurtenances.

(v) All "Storm Sewers" to be constructed in the Development Area identified on the storm sewer plan (Exhibit C) prepared by the Engineer, including all necessary storm sewers, inlets, manholes, lines, pipes and related appurtenances.

(vi) The "Water Distribution System" to be constructed and installed by Metropolitan Utilities District within the boundaries of any Dedicated Street right-ofway within the Development Area or other areas specifically approved by the CITY (Exhibit E).

(vii) The "Gas Distribution System" to be constructed and installed by Metropolitan Utilities District within any Dedicated Street right-of-way within the Development Area or other areas specifically approved by the CITY.

(viii) The "Lighting System" for any Dedicated Streets to be constructed and installed by the Omaha Public Power District within the boundaries of any Dedicated Street right-of-way within the Development Area, including any decorative, ornamental or other lighting not conforming to CITY standards but which has been specifically approved by the CITY.

(ix) The "Electrical Power Service" to be constructed and installed by the Omaha Public Power District within the boundaries of any Dedicated Street rightof-way within the Development Area. The Electrical Power Service shall include all electrical utility lines and other devices, other than the Lighting System, so constructed and installed for the benefit of the Development Area.

(j) "Sewer System" shall mean, collectively, all sewer systems within the DISTRICT and the Development Area, and shall also include all existing wastewater systems, Wastewater Sewers, existing storm sewer systems, the Storm Sewers and existing sanitary sewer systems located within the DISTRICT or the Development Area.

(k) "Street Improvements" shall mean those Public Improvements described in Sections 1(i)(i), (ii), (iii), and (viii) other than the Street Intersections.

(I) "Street Intersections" shall mean those portions of the Dedicated Streets (other than that portion of any "T" intersection abutting any buildable lot or parcel) designated as intersections on Exhibit B.

(m) "Weeds" shall include, but not be limited to, bindweed (Convulvis arvensis), puncture vine (Tribulus terrestris), leafy spurge (Euphorbia esula), Canada thistle (Cirsium arvense), perennial peppergrass (Lepidium draba), Russian knapweed (Centuarea pieris), Johnson grass (Sorghum halepense), nodding or musk thistle, quack grass (Agropyron repens), perennial sow thistle (Sonchus arvensis), horse nettle (Solanum carolinense), bull thistle (Cirsium lanceolatum), buckthorn (Rhamnus) (tourn), hemp plant (Cannabis sativa), and ragweed (Ambrosiaceae).

(n) "Urban Design Standards" shall mean public concrete streets of various width and thicknesses including curbs, guttering, and related storm sewer systems, meeting the design, surface and other specifications of CITY, the plans for which shall be first approved by CITY in accordance with Section 2(b)(i).

SECTION 2 AUTHORITY AND DOCUMENTATION

(a) The DISTRICT and the DEVELOPER shall cause all Public Improvements to be constructed and installed in accordance with the terms and conditions of this Agreement.

(b) Subject to the remaining terms and conditions of this Agreement, CITY hereby approves construction and installation of the Public Improvements substantially in accordance with the Plat; provided, however, that at least thirty (30) days before commencing any work in connection with the Public Improvements, the DISTRICT and DEVELOPER shall first:

(i) Deliver to the appropriate department(s) of the CITY duly executed copies of any agreement(s) for work required for, or otherwise entered into in connection with the Public Improvements, and all plans for the manner and means of any additional connections required by or for the Wastewater Sewers or Storm Sewers. The specifications and technical terms of all such agreements and plans shall be subject to review and approval of CITY. All agreements and plans shall require the timely and orderly engineering, design, procurement, construction, installation and

testing of Public Improvements and that all work therefore shall be performed in a good and workmanlike manner, using quality materials, in accordance with industry standards, in compliance with all applicable laws, rules, regulations, standards and specifications of any governmental agency with jurisdiction over any such work or over the Public Improvements and as otherwise may be reasonably required by the CITY. All such agreements shall require the contractor to procure and maintain throughout the term of any such agreement, policies of insurance as follows: (1) workers' compensation insurance and employer's liability insurance in the statutory amount; (2) commercial general liability insurance covering bodily injury, including death, and property damage coverage; (3) broad form contractual liability coverage for all obligations and liabilities undertaken by the agreement and product and completed operations; (4) comprehensive automobile liability and coverage providing bodily injury and property damage coverage covering all motor vehicles including hired and non-owned autos as well as mobile equipment to the extent that may be excluded from the general liability insurance. All such insurance shall have a combined single limit of at least \$1,000,000 per person, and an aggregate limit of at least \$2,000,000 per occurrence; umbrella liability coverage for all of the above with policy limits of \$2,000,000. The CITY and DISTRICT shall be named additional insured for purposes of all policies. Certificates of insurance shall be presented to the CITY upon request. No policy of insurance shall be cancelable, except upon thirty (30) days' notice to CITY and DISTRICT. All insurance shall be procured from and maintained by a reputable and financially responsible insurance company authorized to transact business in the State of Nebraska. The CITY shall endeavor to review and approve or require modification to any such agreement within fifteen (15) days after delivery, provided, however, that unless the CITY notifies the DISTRICT of its objection to any such agreement at least seven (7) days prior to the date scheduled for commencement of such work, the CITY shall be deemed to have approved such agreement.

(ii) Deliver to the Finance Director of the CITY duly executed copies of any written agreement(s) between the DISTRICT and its municipal financial advisor for the placement of the warrants or bonds of the DISTRICT used for the payment of the Costs of the Public Improvements.

(iii) Deliver to the Public Works Director of the CITY duly executed copies of an agreement between the DISTRICT and the City of Omaha for wastewater treatment for any wastewater or sewage flowing out of the Development Area.

(iv) Deliver to the Public Works Director of the CITY copies of all performance, labor and material payment or other bonds required by law or the Public Works Director.

(c) At least thirty (30) days prior to any meeting of the Board of Trustees for the DISTRICT when the Board will consider the levy of special assessments in connection with Public Improvements, the DISTRICT and DEVELOPER shall deliver to the CITY:

(i) A full and detailed statement of the Cost of each Public Improvement, which statement or statements shall separately identify and itemize:

- 1. The amount and date paid to each contractor, together with releases, lien waivers and other documentation necessary to show that all obligations of the DISTRICT in connection with the Public Improvements have been discharged; and
- 2. All other direct or indirect Costs of the DISTRICT or any other person which have been or will be expended or otherwise incurred in connection with the Public Improvement including, but not limited to, all engineering fees, attorneys' fees, testing expenses, publication costs, and financing costs including, but not limited to, interest on all warrants to date of levy of special assessments.

(ii) A detailed schedule of each proposed special assessment together with the amount of any General Obligation incurred or to be paid by the DISTRICT for the Public Improvement;

(iii) A plat of all real property to be assessed; and

(iv) Information as may be necessary to evidence that the Public Improvement has been completed in compliance with all applicable laws, rules, regulations, standards and specifications of any governmental agency with jurisdiction over any such work or the Public Improvements and as otherwise has been required by the CITY together with any other information reasonably requested by the CITY.

(d) The DISTRICT shall also provide the Finance Director of the CITY with at least thirty (30) days' prior written notice of any meeting whenever the issues of levying special assessments or equalizing or apportioning any debt in connection with the Public Improvements are being considered or discussed by any political or governmental body or agency of competent jurisdiction.

SECTION 3 COSTS OF PUBLIC IMPROVEMENTS

(a) The Costs of Public Improvements shall be paid for by the DISTRICT but shall be defrayed as required by law. All such Costs, other than General Obligations, shall be privately financed or specially assessed against Benefitted Property on an equitable basis.

(i) If not previously paid for, all special assessments for Public Improvements shall be assessed pursuant to applicable provisions of Nebraska Revised Statutes Chapter 31, as amended from time to time, and DISTRICT shall take all necessary actions to see that such assessments are paid in the manner and time required by Chapter 31.

(ii) The DEVELOPER and DISTRICT shall, upon request of the CITY, evidence to the CITY's satisfaction that any lot or parcel to be assessed is a buildable lot. If any lot, parcel, or other area within the Development Area is not a buildable lot for any reason whatsoever, (e.g. by reason of sufficient size, dimensions, easements or similar burdens or for any other reason), then such lot

or parcel shall not be considered to be Benefitted Property and no portion of the Cost of the Public Improvements shall be levied against such lot or parcel.

(b) The following Costs of Public Improvements shall constitute General Obligations to the extent permitted by law:

(i) The Cost of any extra width paving for any Dedicated Streets exceeding twenty-five feet (25').

(ii) The Cost of Street Intersections.

(iii) The Cost of the original street signs for Dedicated Streets, other than the Cost of any decorative, ornamental or other signs not conforming to the "Manual of Uniform Traffic Control Devices" which (and notwithstanding any provision in Section 3(b) to the contrary) shall be the obligation of the DEVELOPER to be paid for at the time of installation.

(iv) The Cost of the Lighting System, other than the Cost of any decorative, ornamental or other Dedicated Street, Street Intersection or other lighting not conforming to CITY standards which (and notwithstanding any provision in Section 3(b) to the contrary) shall be the obligation of the DEVELOPER to be paid for at the time of installation. One hundred percent (100%) of the entire cost of monthly contract charges paid to the Omaha Public Power District for furnishing lighting of public streets shall be paid from the operating fund of the District.

(v) The Cost of Storm Sewers.

(vi) The difference in Cost between piping eight inches (8") in diameter and the size actually required for piping for the Wastewater Sewers, if greater than eight inches (8") in diameter.

(vii) The Cost of any outfall line of the Wastewater Sewers which is designed to serve a drainage area beyond the Development Area, but only if actually constructed and installed outside of the Development Area.

(viii) Charges paid to connect the DISTRICT's Wastewater Sewer System (but not merely the Wastewater Sewers) to another sanitary and improvement district.

(ix) The Cost of any sewage treatment plant or lift station for the Wastewater Sewers which is designed to serve the entire DISTRICT.

(x) The Cost of that portion of the Water Distribution System which is designed to benefit areas of the DISTRICT beyond the Development Area, including any pioneer main fees paid to MUD.

(xi) The Cost of that portion of the Gas Distribution System which is designed to benefit areas of the DISTRICT beyond the Development Area.

(xii) The Cost of the installation of Electrical Power Service other than that portion of the Cost equal to the estimated refundable charge from Omaha Public Power District (which shall be a General Obligation; provided that the refund to the DISTRICT shall be credited to the Bond Construction Account of the DISTRICT) shall be specially assessed against the Benefited Property.

(xiii) Payments for previous improvements made to 48th Street.

(xiv) The Cost of installation of any additional improvements to 48th Street including lane widening, left turn lanes, deceleration lanes, and pedestrian trails.

(xv) Future signalization will be required at the intersection of South 48th Street and Capehart Road. At such point as Sarpy County determines warrants are met for the installation of a permanent traffic signal, the District shall participate in a cost sharing of that construction. The cost of the installation will be a general obligation of the District.

(xvi) The cost of culverts or channel improvements necessary to improve the drainage characteristics of the Development Area and/or downstream areas.

(xvii) The cost of construction of permanent detention basin improvements and post construction stormwater management facilities.

(xviii) No more than 30% of the City of Bellevue plan review fees.

(xix) Traffic calming devices including speed tables or speed bumps.

(xx) The cost of sediment removal from permanent detention basins during infrastructure construction.

(c) One hundred percent (100%) of the entire cost of all sidewalk and construction by the DISTRICT per the sidewalk plan (Exhibit B), including handicap ramps at the corners of intersections (not shown) may be a general obligation of the DISTRICT. All sidewalks constructed on other lots shall be privately installed and at the cost of the owner of said lots. In the event sidewalks on any of the other lots have not been constructed within six (6) years of the recording of the subdivision plat, the DISTRICT shall construct sidewalks and shall be paid by special assessment against the property benefitted.

(d) Notwithstanding any provisions in Subsection 3(a)(i) related to DEVELOPER's payment obligations in connection with special assessments, to the extent the Water Distribution System or Gas Distribution System is financed in accordance with MUD policies, the payment of special assessments for such Public Improvements shall be undertaken in accordance with such policies.

SECTION 4 REPRESENTATIONS

(a) DEVELOPER covenants and represents to the CITY as follows:

(i) DEVELOPER is, or will be at the time the final plat is recorded, the owner of record of the Development Area and has full right and authority to make decisions affecting the Development Area and to enter into this Agreement.

(ii) DEVELOPER is duly organized, validly existing and in good standing under the laws of the State of Nebraska and is currently authorized to do business in the State of Nebraska.

(iii) DEVELOPER has full power and authority to enter into, deliver and perform its obligations under this Agreement and each of the documents related thereto.

(iv) DEVELOPER has taken all necessary action to authorize DEVELOPER's execution, and delivery of, and its performance under, this Agreement and as such, this Agreement constitutes DEVELOPER's valid and binding obligation, enforceable against DEVELOPER in accordance with its terms.

(v) No consent, order, authorization, waiver, approval or any other action, or registration, declaration or filing with any person, board or body, public or private is required to be obtained by the DEVELOPER in connection with the execution, delivery or performance of this Agreement or the consummation of the transactions contemplated thereby, except as may be described or contemplated by this Agreement.

(vi) DEVELOPER shall take all steps reasonably necessary to cause all Public Improvements to be constructed and installed in accordance with the terms and conditions of this Agreement.

(vii) DEVELOPER shall take all steps reasonably necessary to cause all of the Public Improvements to be substantially constructed and installed by the DISTRICT in all phases by approximately August 1, 2021. To the extent not provided by the DISTRICT, DEVELOPER shall provide CITY with quarterly progress reports during the development and allow CITY reasonable access to any relevant financial or other records pertaining to the Public Improvements.

(viii) INTENTIONALLY LEFT BLANK

(ix) INTENTIONALLY LEFT BLANK.

(x) DEVELOPER shall comply with (i) the terms of this Agreement and (ii) the provisions of any agreement submitted to the CITY pursuant to this Agreement, which agreements shall not be amended or assigned without prior written approval of the CITY.

(xi) DEVELOPER shall not permit any private wastewater/sewage disposal systems to be constructed, installed or used on, under or in the vicinity of the Development Area, except as permitted by this Agreement.

(xii) DEVELOPER shall not permit any discharge into the Wastewater/Sewage System to be constructed, installed or used on, under or in the vicinity of the Development Area, in violation of an applicable law, ordinance, statute, rule or regulation. (xiii) DEVELOPER has not employed or retained any company or person, other than a bona fide employee of DEVELOPER to solicit or secure this Agreement and has not paid or agreed to pay any entity or person other than a bona fide employee working for the DEVELOPER any fee, commission, percentage, brokerage fee, gift or any other consideration, contingent upon or resulting from the award or making of this Agreement.

(xiv) All documents, contracts and instruments submitted to CITY now, or at any time in the future, or otherwise entered into by or on behalf of DEVELOPER shall in all material respects be fully authorized, and in all material respects shall be valid, binding and enforceable in accordance with their terms.

(xv) DEVELOPER shall construct the development according to the Phasing Plan (Exhibit F).

(b) DISTRICT covenants and represents as follows:

(i) It is duly organized, is in good standing and is currently authorized to do business in the State of Nebraska; that this Agreement has been duly executed and constitutes its valid and binding obligation, enforceable in accordance with its terms.

(ii) No consent, order, authorization, waiver, approval or any other action, or registration, declaration or filing with any person, board or body, public or private is required to be obtained by the DISTRICT in connection with the execution, delivery or performance of this Agreement or the consummation of the transactions contemplated thereby, except as may be described or contemplated by this Agreement.

(iii) It shall abide and be bound by the terms of this Agreement and the provisions of any agreement submitted to the CITY pursuant to this Agreement, which agreements shall not be amended or assigned without written approval of the CITY.

(iv) The performance of DISTRICT contemplated by this Agreement is within its lawful power and authority and has been duly authorized under, pursuant to and in accordance with its constituent documents and the laws of the State of Nebraska. The DISTRICT shall not incur any General Obligation other than those expressly contemplated by this Agreement for, or in connection with, Public Improvements for any purpose without prior approval from the CITY which may be withheld in the absolute discretion of the CITY.

(v) DEVELOPER shall not permit any private wastewater/sewage disposal systems to be constructed, installed or used in the Development Area.

(vi) It shall not permit any discharge into the Sewer System in violation of an applicable law, ordinance, statute, rule or regulation.

(vii) To maintain all Public Improvements in a good and functional state of repair.

(viii) DISTRICT shall cause CITY to be named as an additional insured under any policy of insurance, including all payment and performance bonds obtained by DEVELOPER (whether or not required by this Agreement) or any other person, including DISTRICT, in connection with the construction or operation of the Public Improvements.

(ix) Other than DISTRICT's Agreement with its municipal financial advisor or this Agreement, there are no agreements to which DISTRICT is a party or by which DISTRICT is bound concerning the construction or installation, or the repair, replacement or maintenance of any of the Public Improvements. DISTRICT shall not modify any such agreement nor otherwise undertake or assume any such obligation or liability therefor without the express prior written approval of the Bellevue City Council, which approval may be withheld in its absolute discretion.

(x) DISTRICT shall not issue any debt, bonds, warrants or enter into any other form of financing arrangement in furtherance of any other improvement lying, in whole or in part, outside the boundaries of the DISTRICT, without first obtaining an unqualified favorable opinion from competent bond counsel of DISTRICT's choice, including, among other appropriate matters, that such financing is within its lawful power and authority and has been duly authorized under, pursuant to, and in accordance with its constituent documents and the laws of the State of Nebraska. Such opinion shall be made to those parties deemed appropriate by DISTRICT and to the City of Bellevue, its elected officials and officers.

(xi) DEVELOPER shall contribute \$42,080.50 to the Park Development Fund.

(c) DISTRICT and DEVELOPER acknowledge that the CITY makes no representation or warranty as to the validity or effect of (i) any expenditure, bond or indebtedness contemplated to be incurred by DISTRICT or DEVELOPER in furtherance of this Agreement or otherwise to be incurred or actually incurred by DISTRICT in furtherance of the Public Improvements, (ii) CITY's approval of the plat or this Agreement, (iii) any future act of CITY in respect to DISTRICT or DEVELOPER's performance, under the Agreement or otherwise, in developing the Development Area; provided further that to the extent CITY has, or may, undertake any act in respect to any of the foregoing now or at a time in the future, both DISTRICT and DEVELOPER are proceeding at their own risk. The DEVELOPER and DISTRICT do hereby waive and release the CITY from any right, remedy or recourse against it or its elected officials, officers and employees in connection with any provision of this Agreement; provided, however, that such waiver shall not be construed to preclude DISTRICT from enforcing CITY's performance obligations in this Agreement.

SECTION 5 OTHER OBLIGATIONS

(a) DEVELOPER shall undertake such acts, responsibilities and obligations as may be necessary or appropriate to prevent and control any adverse impact on any real estate or property beyond the Development Area directly or indirectly caused by, or attributable or related to construction and installation of the Public Improvements. Such acts shall include seeding the Development Area disturbed by grading operations, construction of temporary terraces on slopes, temporary silting basins, swales and spillways, and other acts which may be necessary to prevent erosion, damage and sedimentation to adjacent properties and public rights-of-way. (b) Following the construction and installation of such Public Improvements, the DISTRICT shall pay for the Cost of (i) maintaining street signs, other than decorative, ornamental or other signs not conforming to the "Manual of Uniform Traffic Control Devices" (which shall be the sole obligation of the owner of the real estate and not the DISTRICT) and (ii) for monthly charges paid to Omaha Public Power District for the Lighting System for Dedicated Streets out of the operating fund of the DISTRICT, to the extent permitted by law.

(c) DISTRICT shall pay to the CITY \$27,300 (1% of the estimated public improvement costs) concurrent with the CITY's approval of the plans and specifications for the Public Improvements, as reimbursement for any costs incurred by the CITY for review of this Agreement and all actions undertaken by the CITY in connection with the adoption of this Agreement and the development contemplated thereby; provided, however, DISTRICT shall not be permitted by any provision of Section 3 to generally obligate, in the aggregate, an amount exceeding thirty percent (30%) of the fee paid pursuant to this Section 5(c).

(d) DEVELOPER shall comply with all applicable state statutes and CITY ordinances. DEVELOPER shall further adopt such regulations so as to require compliance by the owner, agent, occupant, or any person acquiring possession, charge or control of any lot or ground within the Development Area, or any part of any lot within the Development Area with the following:

(i) All state statutes and CITY ordinances, including Nebraska Revised Statute Section 16-230 and CITY ordinances enacted pursuant thereto.

(ii) That all such persons cut and clear any part of any lot within the Development Area in its possession, charge or control of all weeds, grass and worthless vegetation which has reached a height of twelve inches (12") or more.

(iii) That such weeds, grass and worthless vegetation be cut as close to ground level as possible and be maintained so that at any time the same does not exceed twelve inches (12") or more above the ground.

(iv) That the cuttings be raked and removed from such premises.

(v) That if any such person fails to comply with these requirements, DEVELOPER shall cause such weeds, grass and worthless vegetation to be cut and assess the costs thereof upon the owner of the affected real estate.

(vi) The name and telephone number of the person designated by the DISTRICT or the DEVELOPER to be contacted in the event that such violation occurs, with such name and telephone number being kept current at all times.

(e) DEVELOPER shall make a contribution to the Park Development Fund in the aggregate amount of Forty-two Thousand Eighty Dollars and Fifty Cents (\$42,080.50), which amount shall be paid prior to the filing of the Falcon Pointe plat.

(f) Sidewalks along both sides of all public streets shall be constructed by the DEVELOPER, the DISTRICT, or the lot owners in accordance with the following schedule:

(i) Sidewalks shall be constructed immediately abutting built-upon lots as soon as weather permits. No final Certificate of Occupancy shall be issued until such sidewalks are completed.

(ii) All sidewalks along outlots shall be constructed with the installation of adjacent streets unless such outlot is required for a water quality basin, then such sidewalks shall be installed upon the later of the water quality basin being completed or the installation of the streets.

(ili) In any event, all sidewalks shall be constructed upon both sides of all public streets within six (6) years of the recording of the subdivision plat.

(g) Except when otherwise specifically prohibited by law, the DISTRICT agrees to annually levy a minimum ad valorem property tax rate of eighty-eight cents (\$0.88) per one hundred dollars (\$100.00) of taxable valuation for all tax collection years through the year that all DISTRICT warrants can be paid on a cash basis and/or are converted to bonded debt. If the levy of such a minimum ad valorem property tax rate is specifically prohibited by law, then the DISTRICT agrees to levy the maximum ad valorem property tax rate allowed by law for all tax collection years through the year that all DISTRICT warrants can be paid on a cash basis and/or are converted to bonded debt.

(h) Following the construction of Post-Construction Stormwater Management BMPs, the DISTRICT shall assume the responsibility for maintaining these features. Maintenance of post-construction stormwater management features may be paid from the operating fund of the DISTRICT provided that the maintenance activities are required to maintain the water quality benefits as designed. Routine maintenance, mowing, landscaping, screening or other amenities that do not contribute to water quality shall be maintained and paid for the by the DEVELOPER or the ASSOCIATION. Furthermore, upon annexation by the CITY, all maintenance responsibilities for the water quality features and BMPs shall transfer from the DISTRICT to the ASSOCIATION.

SECTION 6 USE OF SEWER SYSTEM

(a) DISTRICT shall connect its Sewer System to the wastewater sewer systems operated by the CITY pursuant to plans approved by CITY. Additional connections necessary for the Wastewater Sewers or Storm Sewers, or otherwise required by the Public Improvements shall be made in such a manner and by such means as shall be approved by the CITY.

(b) In no event shall the DISTRICT permit any person (i) to connect to or otherwise use the Sewer System; (ii) to connect any part of the Sewer System to any other sewer system (including to the CITY's sewer system or to any outfall sewer or any wastewater or sewage treatment plant lying within the zoning jurisdiction of the CITY), except as may be currently existing (and then only to the extent as may be currently existing) or as may be specifically permitted by this Agreement or the subsequent express written consent of the CITY; or (iii) to make or allow any unlawful or improper discharge into the CITY's sewer system.

(c) At the request of the CITY the DISTRICT shall permit any person to connect to the Sewer System unless then prohibited by the City of Omaha, provided, however, that the DISTRICT shall use reasonable efforts to obtain consent from the City of Omaha for such purposes. Except as provided in Section 6(d), the DISTRICT shall not be required to permit such connection except upon the payment of a duly levied connection fee calculated after giving due

consideration to the Costs, maintenance and other investment of the DISTRICT to date in the Sewer System (including a proportionate share of any unrecovered costs, plus accrued interest) and additional design, engineering or maintenance costs, for the outfall line. Such proportionate share shall be determined on a pro rata basis of the contributing design flows to the total outfall design flow, which flows and fees shall be reviewed and approved by the CITY prior to levying said fees.

(d) Notwithstanding any provision in Section 6(c), the DISTRICT shall not charge the CITY nor the owner of such real estate nor place any lien or encumbrance upon any real estate for any connections permitted by CITY to, or any persons use of, the Sewer System as may be necessary in order to permit the discharge of wastewater, sewage or storm water from any areas within the then incorporated limits of the CITY for which the CITY shall, nevertheless, have the right to collect its own fees and charges.

(e) No Sewer System, or connection thereto, allowable pursuant to this Section 6 shall be made unless an appropriate permit is first issued by and obtained from the CITY. The construction, installation and other work related to such connection or Sewer System shall be made in compliance with applicable engineering, design, construction, installation and testing rules, regulations, standards, laws and specifications of any governmental agency with jurisdiction over any such work and as otherwise may be reasonably required by the CITY.

(f) Notwithstanding any other provision of this Agreement, the CITY retains the right to immediately require the DISTRICT to disconnect the Sewer System from the CITY's sewer system or to disconnect any user from the Sewer System for any discharge in violation of any rules, regulations, standards, laws and specifications of any governmental agency with jurisdiction over the same or as may otherwise be prohibited by the CITY.

SECTION 7 AMENITIES

(a) Installation of decorative street lights, subdivision signs, entrance signs, fencing, related fixtures or landscaping, and the installation of any median, street island, outlot, or common area landscaping and related fixtures shall be paid for by the DEVELOPER. Plans for such proposed improvements must be submitted to the CITY for review and approval prior to the installation of such improvements.

(b) DEVELOPER agrees to be responsible for the permanent and continuous maintenance and upkeep of all landscaped medians, landscaped street islands, and outlots within the area to be developed, including all decorative street lights, subdivision signs, entrance signs, fencing, landscaping and related fixtures, until such time as all of the provisions of Sections 7(c) and 7(d) below are fully complied with. Upon compliance with such provisions, the association to be formed (per the terms hereof) shall be responsible for such maintenance and upkeep and DEVELOPER shall be relieved of responsibility therefor.

(c) DEVELOPER shall file with the Sarpy County Register of Deeds prior to the DEVELOPER'S sale of any lot within the area to be developed, covenants which shall provide that all owners of all lots within the area to be developed, shall be members of an incorporated lot owners' association and shall be subject to the levy and payment of all charges, dues, assessments and special assessments of said incorporated lot owners' association.

(d) DEVELOPER shall cause to be incorporated prior to the sale of any lot within the area to be developed, a permanent and continuous lot owners' association. The articles of incorporation and by-laws for such corporation shall provide that all owners of all lots within the area to be developed shall be members of such corporation and shall be subject to the levy and payment of all charges, dues, assessments and special assessments of such corporation. The articles of incorporation and by-laws for such corporation shall further provide that such corporation shall annually establish, levy and collect all charges, dues, and assessments required to pay all expenses in connection with the maintenance and upkeep of all decorative street lights, subdivision signs, entrance signs, fencing, landscaping and related fixtures, and all landscaped medians, landscaped street islands, outlots, and common areas within the area to be developed as hereinafter required, and to pay all other expenses incurred pursuant to the conduct of the business of such corporation. The articles of incorporation must be submitted to and approved by the CITY prior to execution and filing.

(e) Notwithstanding any provisions herein seemingly to the contrary, the DISTRICT may install decorative street lights at its cost, but the DEVELOPER shall pay the DISTRICT for the costs of any such decorative street lights in excess of the costs and charges by the Omaha Public Power District for its regular and standard non-decorative street lights. Additionally, all replacement, maintenance and upkeep expenses in connection with any such decorative street lights, in excess of the costs and charges of the Omaha Public Power District for its regular and standard non-decorative street lights, in excess of the costs and charges of the Omaha Public Power District for its regular and standard non-decorative street lights, shall be the responsibility of and paid by the aforesaid incorporated lot owners' association.

SECTION 8 MISCELLANEOUS

(a) <u>TERMINATION OF AGREEMENT</u>.

(i) This Agreement shall not be terminated except (1) by the written agreement among DEVELOPER, DISTRICT and CITY; (2) by CITY for any material breach or default by any other PARTY which remains uncured thirty (30) days following notice to the respective PARTY specifying such breach or default ("Notice to Cure"), to be effective as of the date specified in a written Notice of Termination provided, however, that no such Notice to Cure shall be required whenever the breach or default shall recur within 180 days of a Notice to Cure, in which event termination shall be effective as of the date specified in a written Notice of Termination; or (3) upon annexation of the DISTRICT by CITY. No termination shall relieve the DISTRICT or the DEVELOPER of any unperformed obligation required as of the effective date of termination nor any liability which may have then accrued, each of which shall survive such termination.

(ii) The provisions of this Section 8 shall survive the expiration or termination of this Agreement.

(b) <u>INDEMNITY</u>. DEVELOPER shall defend, indemnify and hold CITY, its officers, elected officials, employees, agents and assigns harmless from and against any and all third party or CITY claims, judgments, actions, loss, liability, damage or injury of any nature whatsoever, whether under theory of tort, contract or otherwise ("Damages"), which may arise or result from, out of or in connection with (i) any material misrepresentation made by DISTRICT or DEVELOPER in this Agreement, (ii) any breach of any representation or covenant made by DEVELOPER or DISTRICT in this Agreement, (iii) any negligent or other act, error or omission of

DEVELOPER or DISTRICT (including any of their respective employees, agents, contractors, subcontractors or other representatives) in furtherance of this Agreement or any other agreement contemplated by this Agreement to be entered into by DEVELOPER or DISTRICT, including the failure to perform or properly perform as may be so required, and (iv) any default in or breach of any provision of this Agreement, including any obligation or responsibility of DEVELOPER or DISTRICT in this Agreement. Notwithstanding the preceding sentence, DEVELOPER's indemnity and related obligations under (ii), (iii) and (iv) thereof in respect to Damages related to DISTRICT's conduct shall apply only in the event that the occurrence giving rise to such obligation shall occur during any period that DEVELOPER, its officers, directors or affiliates shall have, in the aggregate, sufficient voting power to elect a majority of DISTRICT's Board of Trustees; otherwise, between DEVELOPER and DISTRICT, DISTRICT shall be responsible and liable for any such indemnity or related obligation in respect to such Damages, to the extent the same shall arise from, out of, or in connection with DISTRICT's conduct.

(c) <u>ASSIGNMENT</u>. Neither this Agreement nor any obligations hereunder shall be assigned without the express written consent of CITY which may be withheld in CITY's sole discretion.

(d) <u>WAIVER</u>. A waiver by any Party of any default, breach or failure of another shall not be construed as a continuing waiver of the same or of any subsequent or different default, breach or failure.

(e) <u>GOVERNING LAW</u>. This Agreement shall be governed exclusively by its provisions and by the laws of the State of Nebraska except to the extent such provisions may be superseded by applicable federal law regulation, in which case the latter shall apply.

(f) <u>ENTIRE AGREEMENT</u>.

(i) This Agreement, and the Exhibits and documents referenced in this Agreement (which are intended to be and hereby are specifically made a part of this Agreement whether or not so stated) express the entire understanding and all agreements of the PARTIES. Specifically, this Agreement supersedes any prior written or oral agreement or understanding between any of the PARTIES, whether individually or collectively concerning the subject matter hereof.

(ii) This Agreement may be modified only by a written agreement, executed by all PARTIES; provided that the PARTIES agree, without cost to the CITY, to conform this Agreement and all performance obligations hereunder to the requirements of any applicable laws, rules, regulations, standards and specifications of any governmental agency with jurisdiction over any such matter, including any amendment or change thereto.

(iii) This Agreement shall not be construed to be a joint venture or a lease among any of the Parties. Notwithstanding the preceding sentence, whenever any provision of this Agreement has reference to a performance obligation or requirement of the DISTRICT and the DEVELOPER, such performance obligation or requirement shall be the joint and several obligation or requirement of the DISTRICT and the DEVELOPER, whether or not so stated, unless otherwise specifically stated.

(g) <u>NOTICES, CONSENTS AND APPROVAL</u>. All payments, notices, statements, demands, requests, consents, approval, authorizations or other submissions required to be made

by the PARTIES shall be in writing, whether or not so stated, and shall be deemed sufficient and served upon the other only if sent by United States registered mail, return receipt requested, postage prepaid and addressed as follows:

For DEVELOPER:	Charleston Homes, LLC Attn: Marc D. Stodola 3803 North 153 rd Street Suite 2000 Omaha NE 68116
With Copy To:	Thompson, Dreessen & Dorner, Inc Attn: Doug Kellner 10836 Old Mill Road Omaha, NE 68154
For DISTRICT:	Pansing Hogan Ernst and Bachman, LLP Attn: Mark LaPuzza 10250 Regency Circle Suite 300 Omaha NE 68114
For CITY:	City Clerk City of Bellevue 210 West Mission Avenue Bellevue, Nebraska 68005
	AND

Public Works Director City of Bellevue 1510 Wall Street Bellevue, Nebraska 68005

Such address may be changed from time to time by notice to all other PARTIES.

(h) <u>NON-DISCRIMINATION</u>. In performing under this Agreement, no PARTY shall discriminate against any persons on account of disability, race, national origin, sex, age, and political or religious affiliations in violation of any applicable laws, rules and regulations of any governmental agency with jurisdiction over any such matter.

(i) <u>MISCELLANEOUS</u>. Unless otherwise specified, all references in this Agreement to Exhibits, numbered paragraphs or Sections shall mean those Exhibits attached to this Agreement, which are incorporated into this Agreement as if fully set out herein, and those numbered paragraphs and Sections of this Agreement.

(j) <u>CAD DRAWINGS</u>. DEVELOPER shall provide to the City Engineer along with the final plat, a complete copy of the CAD Drawings of the area to be developed, showing all lots, blocks, and water and sewer system improvements. Such CAD Drawings shall be in AutoCAD.

(k) <u>VIOLATIONS</u>. As a result of any violation of this Subdivision Agreement, the CITY shall have the authority, after first giving ten (10) days written notice to the DEVELOPER and/or the DISTRICT, to discontinue the issuance of building and/or sewer or water connection permits for the lots in the DISTRICT, until such time as the violation is corrected.

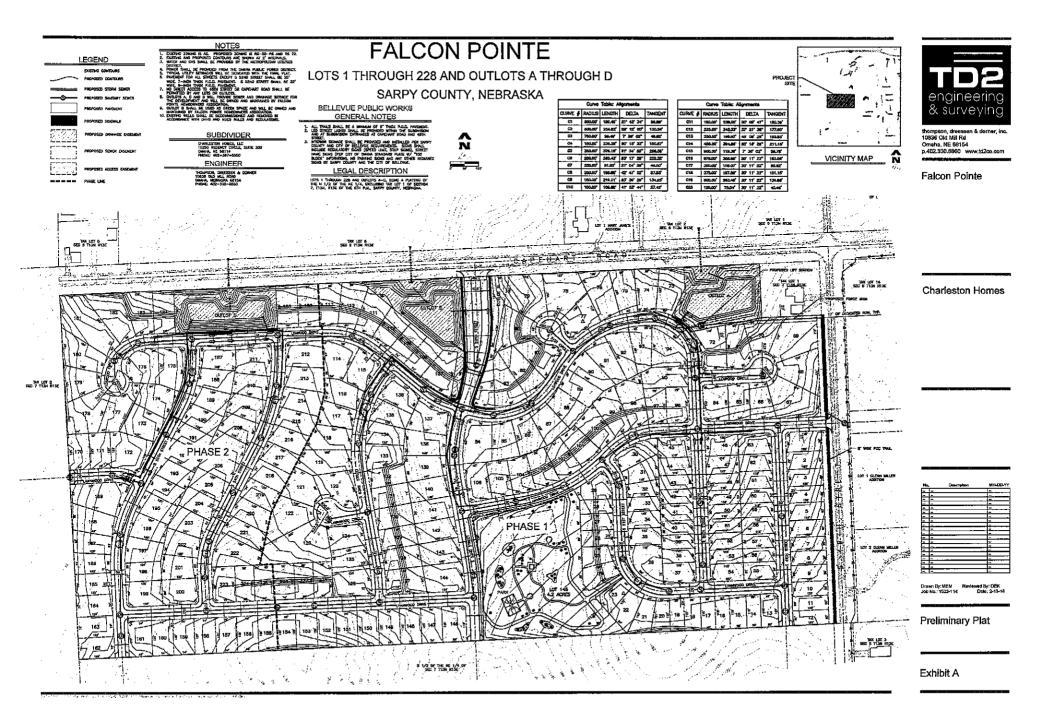

(I) <u>PERMIT</u>. No building permits shall be issued until after the substantial completion of all required public improvements, or as otherwise authorized by the City Engineer.

[Remainder of Page Left Intentionally Blank; Execution Page Follows.]

IN WITNESS WHEREOF, the PARTIES have executed this Agreement as of the date and year first above written.

Strategic Planning Report

2017 – 2019

Year Three Planning Document

Facilitated by: Beth Morrissette 12-19-2017

Narrative Summary

The City Administrator, the Assistant City Administrator, the Mayor, all available members of the Bellevue City Council, and department directors met on December 19, 2017 to review 2017's accomplishments, update goals for 2018 and identify action steps to be completed quarterly in 2018. The attendee list is in appendix A.

The agenda for the planning session was confirmed as follows (see appendix B):

- Introductions and Purpose
- Mission Statement, Vision and Core Values Review
- Financial Update
- Review of Current Long-Term Plan Strategic Initiatives and 2017 Accomplishments
- What were Some Challenges this year? Were there Other Successes we Should Celebrate?
- Strategic Conversation
- Small group per Strategic Initiatives
- Implementation Planning Specific 2018 Quarterly Steps
- Large Group Report Out and Discussion

Document Summary

The current strategic initiatives have been in place and worked on since the 2014 – 2016 strategic plan. These initiatives will remain in 2018. New strategic initiatives for three years will be developed at the next strategic planning session for 2019 – 2021.

- Pursuing Economic and Community Growth and Development Initiatives
- Increasing Efficiency and Effectiveness in all City Operations
- Promoting Comprehensive Financial Planning

Strategic planning allows for groups to look at the progress they made in 2017 and plan for 2018. This strategic planning session focused on previously set goals for 2017. No new goals were added. Some goals were completed or operationalized and removed from the document. When reviewing the goals and quarterly action steps the reader may not that a number may be missing. For

example, under strategic initiative Pursuing Economic and Growth and Development Initiatives A10 has been removed. That goal has become operationalized. But for on-going tracking purpose (2017 to 2018) the numbering will remain the same to track progress overtime.

Strategic conversations were added to this year's agenda. This was designed to be an opportunity for Administration to share and hear from the City Council and the Mayor for strategic thinking about this upcoming year. Documentation in this report follows the conversation had during that time. This is the last year of the current strategic initiatives.

Introductions and Purpose

The meeting began by describing the day. This strategic planning session's agenda was slightly different compared to the past several years. The current Strategic Initiatives were to remain in place and goals that were completed this year would be removed. Updating the goals for 2018 would be reviewed, modified or eliminated if no longer appropriate. A fresh look at possible initiatives will occur at next year's strategic planning session. This allowed for continued focus and opportunity for intentional, strategic discussion by the City Council, Mayor, City Administrator and City Department leadership.

Review of Mission/Vision/Values Statement

Mission, vision statements and core values were read aloud by the participants. Brief discussion took place around the mission and vision statements. Highlights included the "importance of being future-focused – it's all about planning for the future, keep moving forward". Integrity was word that resonated with at least one participant, "it's the heart and soul of what we do as a City and our response to citizens. Citizens need to have trust and faith in the city government." Another word that resonated with another participant was collaborative. "We depend on others to complete task efficiency."

Mission Statement: To be one of the nation's best cities in terms of fiscal responsibility, environmental stewardship, innovation, integrity, continuous growth, and economic vitality (created 2011, updated 2017)

Bellevue will provide exceptional customer service, uphold the public interest and advance the Community Vision

Organizational Vision Statement: Be a collaborative and innovative organization that is future-focused and committed to excellence.

5 | Page

For core values, several items were identified in areas that the City of Bellevue excel in. Such as, community participation, integrity, commitment to employees, and innovation. For *community participation* the response in our community after the tornado was strong. Many individuals stepped up and helped. For *integrity*, "this year it has become more prominent due to the environment and what's going on. Everyone is more aware of what needs to happen with conduct in public forums and it needs to be a focus for improvement in 2018." As for *commitment to employees* it was mentioned that "we have done a lot this year to value employees as work increases and citizens demands grow it is important to continue to recognize the contributions of employees". Finally, participants felt that they have learned, "from our success and failures and implement changes in future projects and planning" which demonstrates an aptitude for *innovation*.

When asked about taking risks around innovation a couple of comments were stated.

- "Public Works and the new solid waste program is innovative and leading the charge in the metro area".
- "As a city we are accepting more risk, but it is measured. The risk is more calculated for a higher probability of a good outcome."

Overall, the mission, vision statements and core values continue to be in alignment for the City of Bellevue.

. . . .

Core Values

Stewardship: preserve and enhance the community's environmental, financial, human and physical resources

Innovation: encourage and reward creative ideas and solutions

Integrity: be trustworthy, truthful, ethical, and transparent

Commitment to Employees: value all employees and their contribution and treat each other with caring and respect. Creative service and ethics promote and encourage the highest level of efficiency, effectiveness and professionalism

Exceptional Public Service: deliver outstanding service to Bellevue, Nebraska residents. Provide timely and reasonable response to the community

Community Participation: engage community members to shape and manage their community.

Financial Update

Rich Severson, City Finance Director, reviewed a financial spreadsheet. Highlights included:

- New bond council is very good and thorough in the decision process.
- Bond rates are better than comparable.
- Bonds for last year were for public building remodel and swimming pool improvements.

Threats in the Future

- SAFER grant, aerial trucks, recreation facility.
- One of the questions, how to plan for the loss of the SAFER grant.
- Public Works is facing additional costs (i.e., sewer system needs) and the library upgrades/possible new library to better serve the public which are all big-ticket items.
- Right now, labor costs are reasonable with the current negotiations, but if it gets more difficult, these costs would increase
- Need to plan for all these future costs and how we are going to do this.
- Overall the City financing and budget is managed well with what we have.

2017 Accomplishments

Larry Burks, Assistant City Administrator, reviewed the information that was provided in the packet to the City Administrator, Mayor and the City Council dated October 17, 2017 (See appendix C). The assessment was included in the packet in preparation for the strategic plan and is included in the appendix of this document. Mr. Burks provided a narrative review of the document provided in the packet. It was noted that for some of these goals, we need to look at making the outcomes more metric or measurable.

Following Mr. Burks' review, the entire team was asked to list and highlight accomplishments they were most proud of that may or may not have been included in Mr. Burks' report.

2017 Accomplishments Identified by Participants

• Street Light Initiative – There has been some progress with collaboration with OPPD. Getting a number from OPPD to Omaha was a great step forward. Bellevue's involvement has been driving both OPPD and Omaha to make more progress. Omaha is

taking the lead and Bellevue is following with them. Currently the price seems too high on light poles. An appraisal will need to be done.

- The Police Academy is planning to host the first class in July.
- Collaboration with Sarpy has been positive, an example is the copier/printer purchase.
- New Meeting Management System was approved and the implementation will begin when the city offices move to the new building.

What were Some Challenges this year?

- Intergovernmental Relationships an example of those collaboration is the street light initiative.
- This was shown when unforeseen barriers arose such as, the tornado damage at World Baseball Village.
- Natural Disaster the tornado itself.
- Communicating with the public misinformation can be spread through social media. When that occurs, it can be detrimental to the city's ability to complete successful projects.
- Tearing down dilapidated buildings and enforcing city codes has shown lack of integrity and responsibility with individuals.
- See these challenges as opportunities such as the 5 union contracts that have been negotiated, solid waste contract.
- These items are things that we can look back and be glad that we did.
- Olde Towne Vision/Transition Plan city offices will no longer located there, future development and attracting a quality developer.

Were there Other Successes We Should Celebrate?

- TIF is working well for the community, achieves more than anticipated.
- Street Department does an excellent job, last year's paving project was successful.
- Parks Department over the years have implemented the no mowing, at first negative, but has worked well, successfully handled the tornado damage, Two Springs Park.
- Permits and Inspections handling the building and home repair permits following the tornado.
- Solid Waste contract has been a successful collaboration.
- Opening two pools in May.

- New City Hall substantially complete, soon to move into.
- Implementing building efficiency in development.
- Public Safety always positive, those outside Bellevue have great things to say.
- Police Academy
- Union Contracts, pay rates are toward comparability.
- Bellevue residents volunteer and always have a willingness to act to improve the community.
- Bellevue Community Foundation has grown, had the biggest year this past year for fundraising.
- All city committee are volunteers and the volunteer dinner.
- Relationship with Offutt
- Fire building blocks to start program with heart surgeons to take patients to cath labs without stabilization, currently working on protocols.
- PCS property is listed for sale, which is finally moved forward, working on protocols.
- Steve Betts and Sarpy County IT partnership to head off malware and other threats.
- Collaboration between departments heads.
- The outreach completed by Mayor and City Council through attendance at various meeting and events, evenings and weekends.
- All goes to community engagement and outreach to city, county, state and congressional relationships.
- The new area under Bellevue schools which has increased housing development, partnerships helped with this.

Strategic Conversations

Olde Towne Transition

- City offices will be moving out. Will develop an RFP for new development.
- Concurrence with use of tax increment financing.
- Message from council do not want to redevelop a building with existing issues.
- See what market can give us with city hall, annex, and additional building.
- Prefer a mixed-use development with commercial and multi-family in addition to public/green space.
- Work with other property owners for additional new development and improvements.
- Possibility of CDBG funding to assist with streetscaping.
- Property is still located in LOIS and will remain until we are instructed by administration to remove from LOIS.
- Would like to bring something to Council 1st Quarter or 2nd Quarter.

City Revenue Strategies

- Need to address issues that have been kicked down the road. Focus on staffing and equipment for Fire Department.
- The vehicles are just wearing out and a replacement plans needs to be identified.
- Distribution of the Equipment List and discussion on need to replace.
 - Currently of the three aerial trucks, only one is operational, two are unserviceable due to repairs.
 - OPTION 1: \$300,000 each to repair current fleet, but after repairs will only be worth \$150,000.
 - Will they be certified? Yes, they will be, but the next day it could mechanically break again.
 - Replacement parts for the older trucks are no longer being produced and harder to find.
 - Repair cost will continue to rise; these trucks were bought with a bond issue in the 90s.
 - o OPTION 2: Purchase new aerial trucks.
 - Council has authority to issue small restaurant tax which would generate about \$750k a year, or a bond.
 levy of up to 5 mils. This could be used to purchase new trucks.
 - Can be purchased out right or can be purchased over time.
- Need to identify funding source for new vehicles and SAFER grant.
- Depends on what the council wants to do to raise the funding needed.
- The goal is to be included in future budget.

Councilmember Feedback

- Think outside the box are there services being provided by the city that would be better offered through private industry?
 - The City provides services wanted by citizens because no one else will provided it due to limited or no profit margin.
 - o If you know of or have seen something else that has worked for another city, please let us know.
- No elected official what's to leave office having raised taxes, but we can no longer cut other departments and services to address the shortfall.
- We can no longer tell staff to cut 6% from their budgets, a decision needs to be made of how to raise the needed funding.
- For example, the bus service for schools was reviewed for operation options either in house or private. Could this be an option for the Fire Department, privatize the ambulance service?
 - o Some cities do only fire and privatize rescue because the rescue is where the profit is.
 - Another issue is when privatizing services and they only consider the profit margin, you risk losing the quality of the service.
- Currently the Fire Department budget is about \$7 million.
- When the City started the fire department, they didn't provide the necessary funding mechanism for equipment replacement.
- Other departments have continued to face budget cuts to fund the fire department budget.
- Could we look at naming rights or advertising on city vehicles to raise additional funds?
 - o What are best practices from other cities?
 - With our model, no one can provide the service the fire department does at the current price/budget.
- Response times are critical, 5 mins is considered the best time limit.
- How much for the vehicles?
 - About \$920k for each fully equipped aerial truck purchased outright.
 - A lease purchase agreement would be about \$80k per year over 10 years with a final pay out of \$220 or about \$1.2 million.
- Is there a current proposal/plan for purchasing new vehicles? A step process or all purchased at once?
 - o To keep current ISO (Insurance Services Office) rating we need 2 aerial trucks.
 - o If increase the ISO rating, insurance cost will increase.

- Economic development and businesses also look at ISO ratings in a community. They are considering relocating.
- Property tax is not going up, restaurant tax would be another way to generate funds.
- There has yet to be another proposal or alternative to the restaurant tax.
- Street lights are a potential revenue source which could open other alternative revenue streams.
- Regarding street lighting, in the new development, could the city have OPPD install the poles and have a lease/purchase. agreement with ownership transferring to the City?
- City also approached leasing of the landfill by solar company which would be about \$35-40,000 per year.
- Revenue Options
 - Citizen vote for the higher restaurant tax or the council could move forward with the small restaurant, wait for the numbers/success of the small tax and then move forward with the vote for the larger tax.
 - Omaha moved forward without a public vote, but has generated millions and it continues to grow.
- Need to look at this in the 1st Quarter, please let staff know the council wishes so that we can move forward with researching opportunities.
- Can we package other department needs together with the Fire Department, other departments are facing big ticket items such as the Library, Public Works and sanitary sewer needs.
- How much is needed a year in additional revenue?
 - The SAFER grant alone is \$700k.
- Need an answer on options soon for planning purposes.
- The long-range union contracts that have been approved assisted with financial planning.
- We have been in this situation each year and have been delaying addressing the issue.
- Public Works and Streets Department have annexed miles and miles of streets without an increased budget or workers.
- Parks Master Plan is in place without any impact because the funding isn't there to support the projects.
- Have to come up with revenues, we have stretched efficiency as far as it will lead us.

Possible City Council Initiatives

- Sale of Fireworks
 - One call from church that has sold fireworks for years and would like to make the space more usable through the year by paving, but the current ordinance doesn't allow it.
 - Any opinions on fireworks or this item?
- Smoke Free Public Areas All city spaces and athletic events should move towards being smoke free.
 - There have been issues in the past with items such as police enforcement, but peer pressure will enforce the policy.
 - Sarpy County Smoke Free is willing to put up signage for free.
- Volunteer Program last year there were ideas regarding volunteer opportunity program within the city, i.e. posting volunteer opportunities to allow citizen options for positions.
 - Such as the parks department, adopt a park.
 - Omaha had a program, Offender at Work Program, which was a good idea, but had unforeseen costs such as transportation, supervisor time, clothes, etc.
- New regional park by the veteran's home.
- Larry would like to see council members at more League of Municipality meetings.
 - Council members don't get a lot of information about the events such as attendance by other members and timeliness.
 - Could all meetings be pulled together on one calendar and include attendance responses. Council member Cook volunteered to create a calendar.
 - o Also, provide assistance to prioritize events and funnel the dates to the members.

Other Items

- Encouraging development of higher priced homes.
 - Working towards this on Capehart Road.
 - The change in school boundaries has assisted in increasing development in southwest Bellevue.
- Energy Audit on Safety Building.
 - Staff has been working to correct issues with the current systems to optimize performance.
 - The audit should be done next summer.

- What else can we do to build more efficiencies into buildings.
- NCEA (Nebraska Community Energy Alliance) grant opportunity for solar panels, would like to see parking lot solar panels that can also provide shade for cars.
- These items are not going away, and staff will continue to pursue additional funding options. Our job to propose, your job to dispose. Any other issues please let us know.

Strategic Initiatives Review

The current strategic initiatives are:

- Pursuing Economic and Community Growth and Development Initiatives
- Increasing Efficiency and Effectiveness in all City Operations
- Promoting Comprehensive Financial Planning

The participants were split into three small groups based on which of the Strategic Initiatives they want to work on. They were then tasked with answering four questions. They were:

CONTEXT- Why is this important? **FUTURE**- Where will this lead us into the future? **CAUTIONS**- What do we need to be aware of and plan for? **STRENGTHS**- What strengths will we build on?

The table on the following page documents each small group's discussion.

Pursuing Economic and Community	Increasing Efficiency and Effectiveness in	Promoting Comprehensive Financial
Growth and Development Initiatives	all City Operations	Planning
Context:	Context:	Context:
 Important to the economic vitality and diversity of the Bellevue Community 	 Need a combo of both otherwise voids out entire purpose Save time and resources to accomplish 	• To ensure the effective allocation of financial resources and plan for the 1. 2. And 5 years out
Future:	the mission	
• Opportunities, stability, quality of life –	Limited resources / cost savings	Future:
all improved.Job creation, revenue	Efficiency is a cost savings resulting in an effective outcome	 Making decisions now that will lead to financial stability and sustainability of the city.
Cautions:	Future:	
 Workforce, quality of housing, public transportation aging/adequate infrastructure, proactive planning goals Prioritization, branding/I.D., misinformation 	 Control overtime Allocation of resources More effectiveness Cautions:	 Cautions: Establish contingency plans that will take into effect changing economic conditions, trends, uncertainty and legislative initiatives.
 Schools/education, rail serve potential, quality of life, Base, safety, location (Ridge), administration, community assets (parks, river, trails), relationships 	 The unexpected Emergencies Unintended consequence Cost (front-end to long-range) Strengths: Experience Increased productivity Good foundation – good base of operations Decisive leadership 	 Strengths: We need to take advantage of the city's current strong cash position knowledgeable decision makers and trained experience workforce to plan for and build a strong future for Bellevue!!

Key Action Steps – 2018 and forward

During the next activity, each small group was asked to review the success indicators that had been established in previous strategic plans. For each success indicator they had to decide if it was completed and/or operationalized and should be removed or if it should remain the same or be updated. Please note that the number may not be in numerical order. The success indicator number remains consistent to the previous years for tracking purpose.

Strategic Initiative: Pursuing Economic and Community Growth and Development Initiatives

Three-Year success indicators: At the end of 2020, how will we know we are successful?	Two-Year success indicators: At the end of 2019, how will we know we are successful?	12-Month SMART objectives: what do we need to accomplish by the end of 2018 at the level of program or project to move from our current reality to where we want to be?
<u>Levee</u> Levee completed Certification of Levee	Levee Initiate Construction	 <u>Levee</u> A3- On-going approval process for construction of levee with U.S. Army Corps of Engineers.
<u>Economic Development</u>	Economic Development • Development underway	 <u>Economic Development</u> A6- Sale of Olde Towne property (need to carry over to 2018 q1 goal – RFP for redevelopment of city property in Old Towne). A8- Shovel ready site on Cunningham Road – consider all options including vacuum system (city owned 62 acres) (catalyst to LB840 area). A9- Request periodic updates from the Chamber regarding project activities in Bellevue, including Fort Crook Road, to inquire on how the City can collaborate with the Chamber.
Pools	Pools • Aquatic Center open	Pools • A11- Discussion partnership aquatic center. Aquatic Center vote.

Three-Year success indicators: At the end of 2020, how will we know we are successful?	Two-Year success indicators: At the end of 2019, how will we know we are successful?	12-Month SMART objectives: what do we need to accomplish by the end of 2018 at the level of program or project to move from our current reality to where we want to be?
<u>Library</u>	<u>Library</u> Library project approved 	Library • A12- Complete feasibility assessment and assess the findings and report findings, and recommendations to the Council.
<u>Riverfront Opportunities</u>	<u>Riverfront Opportunities</u> Fundraising 	 <u>Riverfront Opportunities</u> A13- Continue to monitor for funding partners and grants for possible riverfront opportunities (i.e., Bellevue Tower, Heroes Plaza and recreational trails).
Parks Master Plan	Parks Master Plan Initiate improvements following approval of schedule & budget 	 <u>Parks Master Plan</u> A14- Have inventory and equipment replacement list and cost by end of Q4 2018 for Parks Department.

Strategic Initiative:

Pursuing Economic and Community Growth and Development Initiatives

Key Actions for 2018	QTR 1 – Jan – Mar	QTR 2 – Apr – Jun	QTR 3 – Jul – Sept	QTR 4 – Oct – Dec
<u>Levee</u> A3- On-going approval process for construction of levee with U.S. Army Corps of Engineers	 Request update from NRD (Administration) 	 Request update from NRD (Administration) 	 Request update from NRD (Administration) 	 Request update from NRD (Administration)
Economic Development A6-Sale of Olde Towne property (need to carry over to 2018 q1 goal – RFP for redevelopment of city property in Old Towne)	 Issue RFP (Administration) 	 Evaluate proposals (Administration & Council) Review planning document from Jensen (Planning, CDBG, Administration & Council) 	 Negotiate redevelopment agreement (Administration, Legal & Council) Determine what can be accomplished now and budget accordingly. (CDBG, Administration, Council & Public Works / Streets) 	 Deal complete (Administration, Legal & Council)
Economic Development A8- Shovel ready site on Cunningham Road – consider all options including vacuum system (City owned 62 acres) (catalyst to LB840 area)	 Monitor Leo A. Daly and SCEDC Planning and design and engineering (Administration) 	 Receive shovel ready status and appraisal results (SCEDC & Administration) 	• Market (SCEDC & Administration)	 Market (SCEDC & Administration)

Strategic Initiative: Pursuing Economic and Community Growth and Development Initiatives (Con't)

Key Actions for 2018	QTR 1 – Jan – Mar	QTR 2 – Apr – Jun	QTR 3 – Jul – Sept	QTR 4 – Oct – Dec
Economic Development A9-Request periodic updates from the Chamber regarding project activities in Bellevue, including Fort Crook Road, to inquire on how the City can collaborate with the Chamber.	 Activities update from chamber & discuss collaboration (Administration & Council) 	 Activities update from chamber & discuss collaboration (Administration & Council) 	 Activities update from chamber & discuss collaboration (Administration & Council) 	 Activities update from chamber & discuss collaboration (Administration & Council)
Pools A11- Discussion partnership aquatic center. Aquatic Center vote.	 Identify partners (Administration) 	 Execute partnership agreement (Administration) 	 Initiate design and develop cost estimate (Administration) 	 Prepare bid documents (Administration)
Library A12- Complete feasibility assessment and assess the findings and report findings, and recommendations to the Council.	 RFP for Arch. feasibility assessment (Administration & Library) 	 Review RFP & award project (Administration & Library) 	 Monitor & support feasibility work (Library) 	 Review results of analysis, report findings & recommendations to Council (Administration & Library)

Strategic Initiative:

Pursuing Economic and Community Growth and Development Initiatives (Con't)

Key Actions for 2018	QTR 1 – Jan – Mar	QTR 2 – Apr – Jun	QTR 3 – Jul – Sept	QTR 4 – Oct – Dec
Riverfront Opportunities A13-Continue to monitor for funding partners and grants for possible river front opportunities (i.e., Bellevue Tower, Heroes Plaza and recreational trails).	 Monitor for funding partners & grants (Administration) 	 Monitor for funding partners & grants (Administration) 	 Monitor for funding partners & grants (Administration) 	 Monitor for funding partners & grants (Administration)
Parks Master Plan A14-Have inventory and equipment replacement list and cost by end of Q4 2018 for Parks Department.		 Have equipment list and replacement schedule with costs (Public Works & Parks) 	 Have 25% - 75% of the costs budgeted (Finance, Public Works and Parks) 	 Complete inventory and assessment of equipment (Public works & Parks) Plan replacement based on approved budget. (Public Works & Parks)

Key Action Steps – 2018 and forward

Strategic Initiative: Increasing Efficiency and Effectiveness in all City Operations

Three-Year success indicators: At the end of 2020, how will we know we are successful? Report Out and Evaluation of Small Group Work

Each group reported highlights from the discussions they had for 2018 key actions and quarterly work they identified. The team felt the work identified for 2018 seemed realistic and will move the City of Bellevue in the right direction.

Closing and Evaluation of the Day

The team accomplished a lot of strategic thinking for the future of the City of Bellevue. The conversation was collaborative and appropriately challenging when necessary. When asked for one word when they think about the City of Bellevue what would it be? The following were all the words the team identified.

Home, community, strong, safe, patriotic, Offutt, dynamic, picturesque, diverse, ambitious, beautiful view, opportunity, forested, fresh-air, historical, education, engaged, challenge, giving, multi-centric / centerless, cultural, and hopeful.

Next year, will be an opportunity to celebrate all of the success over the past several years focused on the three strategic initiatives:

- Pursuing Economic and Community Growth and Development Initiatives
- Increasing Efficiency and Effectiveness in all City Operations
- Promoting Comprehensive Financial Planning

A new practical vision for the next 3-5 years will be established with new goals for the next three years.

Appendix C

To: Joe Mangiamelli From: Larry D. Burks Date: October 17, 2017 Subject: 2017 Strategic Plan Q3 Report

Mr. Mangiamelli,

The following information reports organizational progress towards achieving the strategic planning goals for the third quarter (Q3) of 2017. The reported progress towards Q3 Key Actions is in bold italics below each Q3 item.

A. Strategic Initiative: Pursuing Economic and Community Growth and Development Initiatives

Key Actions

A1. Twin Creek: Hotel and Event Bookings Meet Expectations

Q1. Evaluate quarterly reports

Administration and Finance have met with Kinseth Hospitality on two occasions (December 2016 and April 2017) to discuss performance of the hotel and conference center. Currently the Beardmore Event Center is doing as expected and seeing good numbers of out of town bookings for weddings. Although the hotel bookings started out slower than anticipated, the bookings are now trending upwards towards the target numbers.

Q2. Review report and make recommendations

Due to a variety of events, Administration and Finance were unable to meet with the Beardmore Event Center management staff. On Monday, June 19, Assistant City Administrator Larry Burks visited the hotel and event center and they advised that no substantial damage was seen during the storm and that bookings for the College World Series was high. Burks advised hotel management staff that a meeting should be scheduled in August to review bookings information from the College World Series and the Independence Day holiday 4-day weekend.

Q3. Review report and make recommendations

On August 31, Administration and Finance met with Shana Craven and Lindsey Obermeyer with Kinseth Hospitality to discuss the performance of the Beardmore Event Center of Bellevue. Although the event center is doing as expected, the hotel rooms are not booking as well as expected. Changes in the marketing plan and more collaboration with Marriott in attempt to expand the presence of the facility to the membership users will be implemented.

A2. Twin Creek: Main Street Development

Q1. Follow up with Steve Johnson

On March 17th, an email was sent to Mr. Johnson requesting a visit and marketing information or materials for ICSC RECON event in May. We have yet to receive a reply.

Q2. Monitoring

Ongoing follow up activities from ICSC RECON event in May.

Q3. Monitoring

Nothing new to report in Q3.

A3. Levee: On-going construction

Q1. Monitor and support

John Winkler, Director of the Papio-Missouri River NRD, is currently clearing up some issues holding up the permitting process. We will continue to monitor and support Mr. Winkler in his efforts. Once the permits have been issued, a press release will be developed and shared.

Q2. Monitor and support toward federal approval

John Winkler, Director of the Papio-Missouri River NRD, recently provided the Army Corps of Engineers additional information requested related to the NRD's levee permit. At this time, Mr. Winkler reports the permit is under final review and expects a press release regarding final approval of the levees sometime in the Fall of 2017.

Q3. Monitor and support toward federal approval

John Winkler, Director of the Papio-Missouri River NRD recently reported that permits are under final review. Mr. Winkler expects a press release regarding final approval of the levees sometime in the Fall of 2017 and a bidding process in the Spring of 2018.

A4. Residential Growth: Adopt Zoning Standards

Q1. Review current standards

In progress with Planning Department staff reviewing residential development standards; we will seek input and comments from the Planning Commission during the second quarter.

Q2. Propose/review revision if needed

In progress; staff continues to review residential development standards for proposed revisions. We will seek input and comments from the development community prior to proposing and revisions.

Q3. Ongoing review of revisions

In progress; staff has begun discussing this with the Planning Commission and some Council members. With further input from these two bodies we will propose changes to the zoning ordinance if necessary.

A5. Economic Development: 62 Acres Shovel Ready

Q1. Sarpy County Economic Development GO! Ready funds approved

Currently, engineering on streets, storm sewer and waste water infrastructure is being completed for Cunningham Road. Administration is finalizing a MOU with Sarpy County Economic Development for due diligence work and funding to be adopted by City Council.

Q2. Due diligence started

Design engineering for Cunningham Road nearly complete. Nearing the completion of the AirVac and gravity sanitary/storm sewer design. A GO! Ready program application was completed and Sarpy County Economic Development Corporation and Leo A Daly are now working on due diligence in the "Phase I Area" of the LB840 area – specifically on the 62acres owned by the City of Bellevue. Once design is complete, the design and engineering cost estimates for competition will be presented to the LB840 Committee for review.

Q3. Due diligence started

Cunningham Road engineering complete. Currently working on a "Phase II" sanitary sewer engineering task order for Bellevue's 62 acres and along Harlan Lewis Road. Task order for the design and engineering work will be presented to the LB840 Committee, and Bellevue City Council in Q1 of 2018. Leo A Daly and SCEDC currently working on the due diligence site work for the 62 acres to be certified shovel ready. A delay was caused by the June storm damage and the subsequent troubles associated with the World Baseball Village and management's strong association with the Bellevue Future Development who are the land owners of the property adjacent to the City's 62 acres.

A6. Economic Development: Sale of Olde Towne Property

Q1. Ongoing marketing

The team from OMNE continues to market the property in an effort to find parties interested in acquiring and developing the City's Olde Towne property. An update was provided to the Council at its February 28 meeting. In May, OMNE brokers will be attending RECON, the world's largest retail convention in Las Vegas, NV, to market Bellevue's Olde Towne property. Assistant City Administrator Larry Burks will meet with OMNE prior to the event to review and share marketing materials for trade show.

Q2. Ongoing marketing

Assistant City Administrator Burks attended the International Council of Shopping Centers Retail Convention (RECON) and promoted the Olde Towne redevelopment opportunity to several regional developers. The OMNE team also attended RECON and continues to market the Olde Towne property in an effort to find parties interested in acquiring and developing the Mission Avenue property. An offer for the properties has been received and a concept/vision is being developed by the potential owner for Bellevue City Council's consideration.

Q3. Ongoing marketing

No new leads reported by OMNE at this time. The listing agreement with OMNE expired in September. Assistant City Administrator, Larry Burks, scheduled a meeting with Wohlner's Grocery owner, Mike Schwartz, regarding potential small grocery store in Olde Towne Bellevue. Mr. Schwartz is not able to take on the project, but would be willing to assist as an advisor for anyone who may want to take on the challenge.

A7. Economic Development: Galvin Road Site Inventory NDEQ Application

Q1. Confirm grant application availability and apply

The Site Inventory grant from Nebraska Department of Environmental Quality was applied for by Assistant City Administrator Larry Burks in February and approved March 3rd. The site inventory work was awarded to EA Engineering for \$22,700 and is currently underway. The project will take approximately 6 to 8 weeks to complete.

Q2. Receive Grant

The Galvin Road Corridor Site Inventory Study was completed and received the inventory report in June. Goal achieved.

A8. Economic Development: Site Planning for HWY 34 Corridor

Q1. Work with stakeholders on master planning

Assistant City Administrator has received infrastructure planning information from Sarpy County and utility providers. On March 13th, Administration and Planning Departments met with Greater Bellevue Area Chamber of Commerce board member and Planning Commission member Tom Ackley to review the LB840 Area planning, including HWY 34 Corridor. A presentation to the Bellevue Planning Commission on the LB840 Area site planning has been scheduled for April 27th.

Q2. Develop a masterplan with zoning to facilitate development build out

Ongoing work with utility providers to develop a utility plan followed by a masterplan. Sanitary sewer engineering completed for area south of HWY 34. Sanitary sewer design nearing completion in area north of HWY 34. Water present in area north of HWY 34, but looking at water design for area south of HWY 34. Electrical in place for the entire area.

Q3. Public Planning Commission Recommendation; City Council Approval

Ongoing. Development of a master plan for the Highway 34 corridor is still in progress, no date has been set for a Planning Commission public hearing

Preliminary conceptual design and plans were presented to the Bellevue Planning Commission and supported on April 27th, 2017. Delays due to complications related to the failure of World Baseball Village have been resolved. Infrastructure design and engineering plans expected to be before the Planning Commission and City Council in Q1 of 2018.

A9. Economic Development: Resurrect Fort Crook Road (FCR) Committee with Chamber

Q1. Review FCR study with Chamber

The Bellevue Greater Area Chamber of Commerce has established an Economic Development Committee instead of reestablishing a FCR Committee. City Planner Tammi Palm is representing the City of Bellevue at the committee meetings. The Fort Crook Road corridor is being reviewed and discussed, as well as other areas of economic development.

Q2. Propose revisions or update assessment

City Planner, Tammi Palm reports the Chamber's Economic Development Committee has been focusing their efforts on the Olde Towne area and no work has been seen on the Fort Crook Corridor plans.

Assistant City Administrator Burks is providing ongoing assistance to Dr. David Davis with a goal of designing a site development concept and plans for Greater Omaha Real Estate's property located along Fort Crook Road near Bellevue University.

Q3. Ongoing recruitment of business opportunity

City Planner, Tammi Palm reports the Chamber's Economic Development Committee has nothing new to report for Q3 regarding Fort Crook Road. Assistant City Administrator Burks is providing ongoing conceptual design assistance to Dr. David Davis for Greater Omaha Real Estate's property located along Fort Crook Road near Bellevue University.

A10. Emerald Ash Borer (EAB) and Tree of Heaven (TOH): Implement EAB and TOH Plan

Q1. Follow approved plan
Monitor spread of EAB/treat trees as necessary – ongoing.
Q2. Follow approved plan
Monitor spread of EAB/treat trees as necessary – ongoing.
Q3. Develop budget and follow approved plan
Ongoing.

A11. Pools/Aquatic Center: Remodel 2 Pools; Discuss Partnership for Aquatic Center

Q1. Study and partnership exploration In process, partnership with BPS and OAFB – ongoing. Q2. Study and partnership exploration In process, partnership with BPS and OAFB – ongoing. Q3. Review feasibility and needs Ongoing.

A12. Library Plan: Form Building Committee for Options; Survey Community

Q1. Form Building Committee

The nucleus of a Building Committee has been formed to investigate the options for the Library Plan regarding the future of the library. Building Committee members include John Seyfarth, President of the Bellevue Library Board, Judy Maass and Deb Stortvedt, members of the Bellevue Library Board, Marti Noden, member of the Bellevue Library Board and President of the Friends of the Bellevue Public Library, Guadalupe Mier, Treasurer of the Bellevue Library Foundation, and Julie Dinville, Library

Director. The group met initially in February and in March discussed options for moving forward with City Administrator Joe Mangiamelli.

Q2. Explore options

 \overline{A} request for \$150,000 to fund a feasibility study for future building options for the Bellevue Public Library has been submitted with the Capital Improvement Projects requests for the 2017-2018 Fiscal Year.

The current 1975 Bellevue Library facility of 20,973 square feet is inadequate to meet the needs of the community, which has grown to a population of over 55,000. A feasibility design plan is the next step in the process of providing a new/renovated/expanded facility to meet current and future needs. A needs assessment study was completed in 2016. The City's 2017 Strategic Plan calls for the exploration of options, feasibility assessments and the presentation of options to the Planning Commission and City Council. Some of this activity could continue into FY18-19.

Q3. Review feasibility assessments – public input

A feasibility study is the next step and library staff is in the process of developing a RFP for the consulting service.

A13. Riverfront Development: River Monitoring Station and Bellevue Tower

Q1. Address electrical issues

Pat Sullivan continues to work with legal from NPPD to establish an agreement and clarify expectations regarding the electrical power needs in American Heroes Park. Matt

Knutson of Exis Design has completed the design work and presented the monitoring station, interpretive center and tower visions to the Bellevue City Council. Assistant City Administrator Burks will continue to work with Mr. Knutson on establishing alternative power sources and fundraising for the project.

Q2. Review and approve designs

State funding for UNO monitoring station rescinded. Currently holding to see if project is funded by other resources or if more fundraising needs to be considered.

Q3. Fundraising for tower

Project shelved due to Q2 events.

A14. Parks Master Plan: Inventory Parks, Equipment & Condition

Q1. Review city parks inventory

Parks inventory in progress. Q2. Complete inventory of parks and equipment and condition Parks inventory in progress. Q3. Assess and develop prioritized projects listing with costs *Parks inventory in progress.*

A15. Sidewalk Districts: Seek Approval for Plan, Repairs and Installation of Sidewalks from Council

Q1. Identify recommended sidewalk district areas

Preliminary districts have been identified; proposals to be presented to City Council for consideration prior to the end of Q2.

Q2. Windshield survey of districts & development of estimated cost per foot to install Ordinance in process of council approval.

Q3. Present recommended sidewalk proposal to City Council for consideration Ordinance approved.

A16. Widening Cornhusker: Review Needs Assessment with NDOR

Q1. Initial needs assessment.

Needs assessment in progress.

Q2. Continue needs assessment, initiate discussions with NDOR

Needs assessment in process, progress slow this quarter.

Q3. Develop preliminary concept of project scope and potential right-of-way acquisitions Needs assessment in process and on hold for now.

B. Strategic Initiative: Increasing Efficiency and Effectiveness in all City Operations Key Actions

B1. Effective Wellness Program: Implement Incentives; Monitor Reduced Claims; Increase Participation

Q1. Implement wellness incentive

This goal was accomplished effective January 1, 2017. Employees and their spouses were asked to voluntarily participate to receive the premium incentive. As a result, we have 75 participants in the incentive program. These employees and their spouses had to complete a health risk assessment, provide physical exam verification from their physicians, and consult with a health coach if

needed. The incentive is an automatic adjustment to the employee's paycheck each month. Employees with single coverage receive a \$25.00 monthly reduction and employees who include their spouse receive a \$35.00 monthly premium reduction. Goal achieved.

Q3. Implement wellness incentive

Planning and scheduling educational seminars for employees.

B2. City Hall Move Completed: Completion of 1500 Wall Street and Move City Hall

Q1. Renovation plan review (all departments)

Plans reviewed with affected departments. Exterior brick work under installation. Plans for interior construction to be advertised before the end of Q2.

Q2. Renovation bids

Bids awarded and final phase under construction.

Q3. Start construction

Final phase under construction.

B3. Improved Employee Morale: Reduce Complaints; Improved Performance; Explore Telecommuting; Continue Recognition; Seek and Engage Employee Feedback

Q1. Continue Employee Years of Service

On March 16th, the Recognition & Appreciation Committee hosted the first quarter years of service coffee in recognition of our hard working and dedicated employees.

Research regarding the Telecommuting Policy was conducted and the draft policy was submitted to Administration, Directors, and Legal for review. The policy is ready for implementation as a "Pilot Program" in the 2nd quarter.

Q2. Continue Years of Service Recognition & Coordinate Employee Appreciation Picnic

On June 21, 2017, the Recognition and Appreciation sponsored the annual Employee Appreciation and Recognition picnic in Washington Park. Hundreds of City employees attended and had lunch and participated in games for small prizes. There was also music and a raffle of gifts donated by area businesses. Additionally, we combined the 2nd quarter of years of service recognition and certificate presentation for employees with significant anniversaries.

Q3. Continue employee years of service recognition and implement potential department head meetings

On September 13th, the Recognition and Appreciation committee sponsored the quarterly years of service coffee in recognition of our hard working and dedicated employees.

On September 21st a memo was sent to all Directors, Department Heads and Division managers inviting them to the first quarterly meeting. There were 21 attendees with 10 topic items being discussed. The meeting was well received and all participants agreed these meetings should be continued going forward.

B4. Increased Investment in Technology: Train Staff on Use of Open Data; Determine Expectations/Ownership

Q1. Set up open data roll out

Open Data Budget and Checkbook apps are ready for roll out. There is some concern and discussion regarding the information presentation, staff maintenance workload and usage. New information regarding the apps and Open Data portal has raised additional concerns regarding value, usage and need.

Q2. Open Data Portal access to the public

Portal complete. Appearance and presentation needs additional review and work requiring additional expense. Project on hold for reconsideration.

Q3. Present PowerPoint on uses of open data portal

On hold due to Q2 project issues.

B5. Street Lighting: Acquisition

Q1. Determine financial feasibility – complete research

Peter Hinkle with Schneider Electric has provided proforma information regarding acquisition of the lighting infrastructure and conversion to LED lighting. Subsequent meetings with the OPPD and the City of Omaha have provided more information to address concerns regarding maintenance. OPPD and the City of Omaha are prepared to move forward as soon as possible. Discussions are being planned with other Sarpy County communities.

Q2. Discuss long-term ramification with OPPD

Progress slow this quarter. A meeting with OPPD did establish the ongoing desire for OPPD to handle the maintenance of the street lighting system since they already have the process and personnel in place. Anticipating a collaboration with the City of Omaha however the election delayed progress.

Q3. Develop a RFP for acquisition if appropriate

See Q2. Ongoing efforts to collaborate with OPPD.

B6. Upgrade Rolling Stock: Identify Oldest vehicles and Most in Need of Repair; Determine Costs

Q1. Identify oldest and most in need of repair vehicles

Rolling stock will be reviewed in detail as part of the 2017-2018 budget development. **Q2. Reallocate resources** SOP for PW. **Q3. Determine specs for new vehicles** SOP for PW.

B7. South Metro Academy: Implement

Q1. Research and logistics.

Interlocal agreement drafted to be presented to City Council for consideration on 4/24/2017.

Q2. MOU

Interlocal agreement is in place. The City of LaVista has posted the South Metro Academy Coordinator position. An emergency plan is currently under development to meet State of Nebraska requirements. Implementation is still on schedule.

Q3. Present to City Council for approval

South Metro Academy is now named Sarpy Douglas Law Enforcement Academy (SDLEA). The Director for the SDLEA has been hired and will begin employment on October 16, 2017. Scott Wagner is a Lieutenant and 25-year employee of Douglas Couth Sheriff's Department. He currently commands the Narcotics/Vice Division, is a graduate of the 110th Session of the NLETC as well as Class 257 of the FBI National Academy. Wagner has a Bachelor Degree from Creighton University in Business Administration and Marketing and completed the FBI Instructor Development course in 2006. An emergency plan for 1510 Wall St and the Fire Training Site are currently under development to meet State of Nebraska requirements. Implementation is still on schedule.

B8. Consolidate Government Functions: City Service Development Plan

Q1. Identify potential partners from local government entities for lower cost contracting and purchasing power.

Sarpy County has been contacted. Membership in Sarpy County United Cities will allow for discussions with other communities in the area.

Q2. Identify potential opportunities and applicable functions

Continuing discussion and joint reviews of solutions.

Q3. Develop a draft proposal for review by local government partners

The City Finance Department used Sarpy County purchasing for copiers/printers as a beta test to see how a partnership would work. The City is investigating/pursuing electronic bidding and administrative software in tandem with Sarpy County.

B9. Revised and Automated Employee Performance Management System: Acquire HRIS System; Education and Training on New System (a. & b. combined)

Q1. Explore Alternative Performance Management Systems

All directors were asked for suggestions and input regarding alternative performance management systems. Then the Administrative Services department developed a request for fee proposal (RFFP) to procure a new HRIS/Payroll system that will include an automated Performance Management System. The City received (6) RFFP's from vendors. A committee was established consisting of members representing the needs of various departments across the City including; Police, Fire, Public Works, Administration, Finance and Human Resources. This committee will review the RFFP's and participate in the in-depth demonstrations of the systems with the goal of recommending the "best fit" system for approval by City Council.

Q2. Directors/HR agree on a replacement and automation capability of a new Performance Management System

Only one replacement system was suggested and it was not an automated system. The committee reviewing the RFFP's for the HRIS/Payroll system also reviewed those systems automated Performance Management component. Each system can be adapted to meet the City's needs in the future. The Performance Evaluation system the City will use going forward has to be discussed with the unions during negotiations and a final decision may be delayed as a result. Management continues to search for the most appropriate solution.

Q3. Present in union contracts

Present Replacement Performance Management System in Union Contracts: Directors/HR/Department Heads are in the process of reviewing a hybrid evaluation tool compiled from the input of the same group. During union negotiations it was decided not to include a Performance Management article in the new contracts as evaluating employees is a management right. Acquire HRIS System:

This is following the steps as outlined in B9 as the RFFP's cover all components of the HRIS system. Our process is on track. Six (6) proposals were reviewed and (4) vendors were invited to provide demos to the committee. A recommendation to City Council on the committee's first choice is moving forward in July.

The new system has been approved by City Council and implementation will begin in December of 2017. Education and Training on New System:

The committee will begin the education phase in the second quarter when reviewing the demos of the selected systems and learning about their various capabilities.

Once the new system has been approved by City Council, an implementation date will be determined and training will begin thereafter.

In department (H.R.) training will begin in December. Other departments will begin training in 2018.

B10. Implement Sewer Master Plan: Asset Management

Q1. Consultant placed under contract and city divided into five sectors Consultant selected for asset management and will begin in May.

Q2. Mapping of first two sectors Asset management underway.

Q3. Review of tow sector data and condition assessment Asset management underway.

B11. Document Management: Needs Assessment by Department

Q1. Review current research/plan

In relation to finding a document management system, we have been looking into Agenda Management Software. On January 25th, a demonstration on Sparq was attended by Sabrina Ohnmacht, Susan Kluthe, Rich Severson, and Joe Mangiamelli in Joe's Office. This system is being used by more and more municipalities.

On April 27th, we have another web demonstration being presented by Accela. This is on their Agenda and Minutes programs. Implementation to be part of city offices move to 1500 Wall Street.

Q2. Identify needs plan

On May 11th, Sabrina, Susan, and Larry, along with Tammi and Shirley from Planning, met again with Sparq representatives regarding their Agenda Management software. Based on functionality and pricing, we asked them to send a proposed contract with the understanding implementation would not occur until the move to the new building. The contract was forwarded to Joe and Legal for their review.

Sabrina also participated in a few webinar/conference calls with Granicus to view their system. While it is nice and appears to do what Sparq will, the cost is much greater.

It is my understanding the Police are trying to set up Laserfiche.

Q3. Develop budget and initiate RFPs to do the work

On September 18th, city staff traveled to Columbus, NE to see Sparq "in action." While it looks like there will be a lot of learning for all, it should be a very beneficial system.

On September 25th, Council approved the Sparq Agreement. We are now awaiting an e-mail requesting the information they need from us.

C. Strategic Initiative: Promoting Comprehensive Financial Planning

C1. Identify Concrete Funding Mechanism: Research Restaurant Tax

Q1. Select polling consultant (staff recommendation to City Council)

Request for proposals (RFPs) for citizen survey of potential support under review. Surveys to be conducted and results received prior to end of Q2.

Q2. Reviewing consultant results *Reviewing results.*

Q3. If favorable, develop voter education materials and prepare ballot question

Results indicated that Bellevue citizens would not support a restaurant tax at this time. Preparation of education materials and ballot question not pursued.

C2. Fiscal Responsibility: Design and Implement Single Year Budget

Q1. Budget advisory to departments of preparation parameters

Initial phases of a one-year budget for fiscal year 2017-2018 underway.

Q2. Departments prepare preliminary budget for review

Final stage of development of Administration's one-year budget proposal for fiscal year 2017-2018 underway.

Q3. Begin City Council review of budgets, PH on budget

Refer to C3 - Q3 reporting information.

C3. Agreement on Allocation of Resources: Prioritize Resources

Q1. Develop source and content of proposed citizen survey document.

Alternatives to gain citizen input under review. Results to be developed for inclusion in the development of the 2017-2018 budget.

Q2. Conduct citizen survey of needs priorities

After analysis of tax survey, determination of an additional survey will be done.

Q3. Meet with elected officials to review citizen survey results to be used to assist in development of the 17-18 budget A fiscally conservative but operationally aggressive budget was developed, approved and submitted.

This concludes the 2017 Strategic Plan Q3 Report. If there are any questions, please contact me and I will do my best to answer them quickly.

Best wishes, Larry D. Burks, MPA, CED, ICMA-

CITY OF BELLEVUE, NEBRASKA AGENDA ITEM COVER SHEET

SUBJECT:

Reuse of Champions Baseball Village property for redevelopment purposes

SYNOPSIS:

The termination of the management agreement for operation of the baseball/softball complex creates an opportunity for the city to reconsider the property for more productive and beneficial use. The property is adjacent to other properties marked for industrial development and the complex has the potential to be a catalyst for additional development in the area.

FISCAL IMPACT:

BUDGETED ITEM; IF NO, EXPLAIN;	YES	NO	GRANT/MATCHING FUNDS IF YES, %, \$, EXPLAIN:	YES	ΠNΟ
and return the prop	erty from e	exempt to tax p	g sale could bring in revenue to help with debt retin paying status. Adjacent property is being prepared a Development Corporation.	ement on th as "go ready	le land y" In

RECOMMENDATION:

Direct staff to identify and implement steps to reuse and to market the Champions Baseball Village property for redevelopment purposes for potential industrial opportunities.

BACKGROUND:

The city does not have sufficient staff to undertake the management responsibilities to conduct baseball/softball activities at the site. With the location of the property being a favored site for potential economic development, as previously approved by the City Council through the Bellevue "840" development plan, reuse of the subject property to fulfill those goals is a good first step. Sale of the property will bring in revenue necessary to retire part of the current debt and for future tax base improvement following redevelopment.

City of Bellevue Office of the City Administrator

February 28, 2018

To:Mayor Rita Sanders, City Council President Jim Moudry
And Members of the Bellevue City CouncilFrom:Joseph A. Mangiamelli, City AdministrationSubject:Champions Baseball Village property revise

RECOMMENDATION: Direct city staff to identify and implement steps necessary to reuse and to market the Champions Village property from a baseball/softball complex to a redevelopment area suitable for potential industrial opportunities. Such reuse to provide for business growth and expansion and jobs creation.

BACKGROUND: The difficulties experienced in the recent past in operating the Champions Baseball Village complex do not appear to be aided by the removal of World Baseball Village, LLC, from their management capacity. There is some interest in using the space for several weekends during the summer and for some larger tournaments but no one has stepped up with the capacity to operate and provide the programming necessary for the property to be used as originally proposed. The city does not have adequate staff to undertake this responsibility.

City staff has reviewed the city's needs for ballfield placements and will recommend additional fields installed at Haworth Park in future Capital Improvement Programs for consideration and budgeting. The current lighting and fencing at Champions Village can be recovered and better utilized to fill voids at other city parks in the system. Upon approval of a reuse of the property, city crews will develop a plan for removal and storage of that type of equipment for installation as necessary.

The 25-acre parcel comprising the baseball complex is adjacent to other city property (62 acres) that is being readied for redevelopment purposes. These two parcels are then adjacent to a much larger property the city has worked with the Sarpy County Economic Development Corporation (SCEDC) and Omaha Chamber of Commerce to market. This larger parcel was under consideration, for example, in the recent Toyota manufacturing facility siting effort. This large parcel, with rail access and abutting Highway 34, remains one of the better sites in Nebraska to attract a large industrial development with its proximity to Interstates 29 and 80 as well as several state highways.

After careful review it seems the 25-acre parcel, formerly used during summer months for, weather permitting, baseball and softball usage, could be better appropriated for economic development purposes. A light manufacturing operation, for example, would take the property from current tax exempt status to tax paying increasing the city's tax base and creating jobs. The property has been

February 28, 2018 Page 2

declared as eligible for use of "LB 840" economic development incentives to attract new or expanding business opportunities and reuse of the parcel could be a catalyst for more, larger opportunities on the adjacent land. Completion of the "go ready" planning for the area through SCEDC will provide additional infrastructure to serve a redevelopment project. Costs of go ready infrastructure improvements can be recouped upon a sale of the property.

The city incurred considerable debt in the original placement of Champions Village on the site; some of that debt was, however, reduced by payments made by the management group during the period of 2009 through 2017. That debt balance, \$3,205,000, remains to be retired. While a sale of the land may not recoup the entire initial costs of the debt and its interest charges to date, a sale will provide funding to assist in that debt retirement and the future taxes paid on the property following redevelopment will improve the city's financial condition in the longer term.

Finally, sale of the 25-acre parcel has the potential to stimulate interests in the area and make the adjacent 62 acres more attractive for development. And, enhance the marketability of the larger southern properties for development as the Toyota search effort presented this past summer or other type project opportunity. Your favorable consideration and approval of this proposition is requested.

SUBJECT:

Purchase two (2) 2018 Chevrolet Colorado for Building Maintenance.

SYNOPSIS:

Request permission to purchase (2) 2018 Chevrolet Colorado for Building Maintenance.

FISCAL IMPACT:

\$49,000.00 (\$24,500 each)

BUDGETED ITEM: VES NO PROJECT # & TRACKING INFORMATION:

10-12-8002 Capital Lease Principal 10-12-8102 Capital Lease Interest

RECOMMENDATION:

Request permission to purchase two (2) 2018 Chevrolet Colorado for the Building Maintenance Department from Beardmore Chevrolet not to exceed \$49,000.

BACKGROUND:

The request is to purchase these vehicles from Beardmore Chevrolet after they agreed to provide a discount. The amount was lower than what the National Joint Powers Alliance Contract could provide. These will reptace two vehicles that have over 100,000 miles on them and are in need of extensive repairs. The bodies on the vehicles are rusted and it would be necessary to proceed with repairs due to carbon monoxide leaking into the cabs of the trucks. These vehicles will be placed on a quarterly payment plan with two quarterly payments to be made in FY 2018-19.

SiriusXM Satellite Radio is standard on nearly all 2018 GM models. Enjoy a 3-month All Access trial subscription with over 150 channels including commercial-free music, plus sports, news and entertainment. Plus listening on the app and online is included, so you'll hear the best SiriusXM has to offer, anywhere life takes you. Welcome to the world of SiriusXM. (IMPORTANT: The SiriusXM Satellite Radio trial package is not provided on vehicles that are ordered for Fleet Daily Rental ("FDR") use. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call us at 1-866-635-2349. See our Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change.)

OnStar 4G LTE and available built-in Wi-Fi hotspot offers a fast and reliable Internet connection for up to 7 devices; includes data trial for 3 months or 3GB (whichever comes first) (Available Wi-Fi requires compatible mobile device, active

Air bags, dual-stage frontal and front-seat-mounted side-impact for driver and front passenger, head-curtain for front and rear outboard seating positions and front Passenger Sensing System (Always use safety belts and child restraints. Children are safer when properly secured in a rear seat in the appropriate child restraint. See the Owner's Manual for more information.)

OnStar Guidance Plan Limited Trial Service including Automatic Crash Response, Stolen Vehicle Assistance, Roadside Assistance, Turn-by-Turn Navigation, Advanced Diagnostics and more (trial excludes Hands-Free Calling minutes) (Fleet orders receive a 6-month trial. Visit www.onstar.com for coverage map, details and system limitations. Services vary by model. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data.)

OnStar Basic Plan for 5 years includes limited vehicle mobile app features, Monthly Diagnostics Report and Dealer Maintenance Notification (Does not include Emergency, Security or Navigation services. Visit onstar.com for coverage map, details and system limitations.)

Rear Vision Camera

Teen Driver mode a configurable feature that lets you activate customizable vehicle settings associated with a key fob, to

encourage safe driving behavior. It can limit certain vehicle features, and it prevents certain safety systems from being turned off. An in-vehicle report gives you information on your teen's driving habits and helps you to continue to coach your new driver

R9Y	FLEET FREE MAINTENANCE CREDIT., This option code provides a credit in lieu of the free oil changes, tire rotations and inspections (2 maximum), during the first 24 months and 24,000 miles period for this ordered vehicle. The invoice will detail the applicable credit. The customer will be responsible for all oil change, tire rotations and inspections costs for this vehicle.

City of Bellevue Fleet Maintenance Department 2012 Betz Road • Bellevue, Nebraska 68005 • (402) 293-3129

MEMORANDUM

To: Brian Madison Jeff Roberts

From: Todd Jarosz

Subject: Parks Vehicle Replacement

Date: 02/06/2018

The current PA504, 2000 Chevy 1500 with 105000 miles and PA438, 1997 GMC Sonoma with 122328 miles need to be considered for replacement as soon as budget allows. Even though both exceed the replacement criteria, these two trucks are in need of extensive repairs. The bodies on both trucks are rusted to the point it is necessary to proceed with costly repairs for the safety of carbon monoxide leaking in to the cabs along with mechanical repairs to keep their drivability safe.

The skill and familiar knowledge of our technicians to provide an efficient service, along with the cost of adding new software and tools need to be considered in the deciding factor for the purchase of new vehicles to replace the current PA504 and PA438. It is my recommendation that the replacement vehicle be the Chevy Colorado. This will provide all the room that is needed and will be heavy enough to perform an invaluable service.

Thank you,

Todd Jarosz Fleet Superintendent City of Bellevue CFA, Inc.

AMENDMENT NO. TWO TO AGREEMENT FOR ENGINEERING SERVICES

WHEREAS:

HDR ENGINEERING, INC. ("HDR") entered into an Agreement on June 9, 2017 to perform engineering services for the City of Bellevue, Nebraska ("OWNER");

OWNER desires to amend this Agreement in order for HDR to perform services beyond those previously contemplated;

HDR is willing to amend the agreement and perform the additional engineering services.

NOW, THEREFORE, HDR and OWNER do hereby agree:

The Agreement and the terms and conditions therein shall remain unchanged other than those sections and exhibits listed below;

Section I Scope of Services shall be amended to include additional geotechnical investigation for the south portion of the gravity sewer and for additional meeting attendance to evaluate the rehabilitation of the South Gravity Sewer.

Section IV Period of service shall be amended to include completion of the geotechnical investigation and evaluation by April 30, 2018.

Section V Compensation shall be amended to increase the not to exceed amount by \$15,370 to \$173,670.

IN WITNESS WHEREOF, the parties hereto have executed this Amendment as of the day and year written below:

HDR ENGINEERING, INC. ("HDR")

City of Bellevue, Nebraska ("OWNER")

RE: Bellevue Quite Zone Proposal BNSF East Mainline Evaluations

Mr. Jeff Roberts Public Works Director City of Bellevue 1510 Wall Street Bellevue, NE 68005

Dear Jeff:

Based on previous conversations, we understand that the City of Bellevue would like to develop a budgetary number for the establishment of a railroad quiet zones along the UPRR Mainline corridor through the City. We are submitting this proposal for professional engineering services based on our experience with the crossing improvements needed to establish railroad quiet zones at similar UPRR crossings throughout the region.

Crossings to Evaluate – UPRR Mainline

The study will evaluate the potential establishment of a Quiet Zone on the UPRR Mainline through Bellevue. The six crossings under consideration for the quiet zone include the following:

Crossing	bot#	RR MP	Existing Control	Track Circuitry
Avery Road	817405M	474.310	Flashers/ Gates/Bells	Other
Kasper Street	817404F	474.460	Flashers/ Gates/Bells	Other
Cary Street	816134F	474.810	Flashers/ Gates/Bells	Other
Childs Road	817403Y	475.050	Flashers/ Gates/Bells Flashers/	Other
Camp Brewster Road	817402S	475.240	Gates/Bells	Other
Chandler Road	817401K	475.670	Flashers/ Gates/Bells	Other

11422 MIRACLE HILLS DRIVE, SUITE 115 | OMAHA, NE 68154 402.445.4405 | WWW.FHUENG.COM March 7, 2018 Bellevue Quite Zone Proposal Page 2

Project Scope of Services

FHU will prepare a document that can be used by the City of Bellevue to program funding for the study, engineering design, and construction of necessary Supplementary Safety Improvements (SSMs) to establish a Railroad Quiet Zone incorporating the UPRR crossings listed above. Budgetary numbers will be developed for each crossing of the potential quiet zone.

The proposed Supplementary Safety Improvements (SSMs) at the highway-railroad crossing will follow the Federal Railroad Administration's (FRA) *Final Rule* for establishing Quiet Zones. A variety of SSMs will be evaluated at each crossing, including raised medians, four-quadrant gates, one-way conversions, and wayside horns. Other devices required by UPRR and FRA such as constant warning time (CWT) circuitry will also be identified from the FRA website.

The project will consist of the following tasks:

TASK I. Project Management

Project Management - The FHU Project Manager will serve as point of contact, maintain project schedule and budget, and provide regular progress reports with invoices.

TASK 2. Meetings

Field Review Meeting - FHU will attend a kick-off meeting with City of Bellevue staff at the initiation of the project. It is anticipated that this meeting will be held in conjunction with a field review by FHU staff. No Public Information Meetings are planned as part of this scope.

TASK 3. Data Collection

FHU will collect the necessary background data including railroad crossing inventory information, crash history, aerial photographs and other background to prepare concept level cost estimates. Current traffic count information from the City and MAPA website will be used for this study; it is not anticipated that new traffic counts will be required to prepare the cost estimates. Topographic surveys are not anticipated to be necessary as part of the study.

TASK 4. Memorandum

FHU will prepare a letter memo which will describe the potential crossing improvements and planning level cost estimates. The memo will have separate estimates for each potential crossing.

No public information meetings are planned as part of this scope. However, at the written request of the City, FHU would attend an additional City Council or public meeting at a mutually agreeable additional fee.

Project Schedule

Upon receipt of a signed agreement, FHU will begin working on this assignment. Within 10 days of the Notice to Proceed (NTP), FHU will schedule the kick-off meeting and field review. The study will be completed and the memo forwarded to the City within 60 days of the NTP.

Project Fee Estimate

We propose to conduct these services on a "time and materials" basis. Under such an agreement, we are compensated on an hourly basis for all labor and other direct costs, such as printing, are reimbursed at a rate of 1.1 times actual cost. The following are our standard hourly billing rates for the personnel expected to be involved in this project:

Principal	\$ 225.00/Hour	Sr. Designer	\$ 140.00/Hour
Associate	\$ 190.00/Hour	Engineer II	\$ 110.00/Hour

March 7, 2018 Bellevue Quite Zone Proposal Page 3

Sr. Engineer

\$ 180.00/Hour

Admin

\$ 90.00/Hour

At these standard hourly rates, we have estimated that the above scope could be completed for a maximum budget of **\$12,000**. A breakdown of these costs by task and a copy of our 2018 standard rate sheet are attached. This amount would be established as a "not to exceed" limit beyond which no charges could be made without the City's prior written approval. Upon completion of the project, and at the City's option FHU would be happy to provide a scope and fees for services to conduct a detailed quiet zone study, diagnostic team review, and prepare final plans and coordination of improvements at the crossings and notices to establish the quiet zones.

We appreciate the opportunity to provide this service to the City of Bellevue, and look forward to assisting the community in the establishment of quiet zones at these crossings. If this proposal is acceptable, please have the appropriate official sign both copies of this letter and the standard provisions and return one signed copy back to us. If you have any questions or would like further discussion, please feel free to give us a call at 402.445.4405.

Sincerely,

FELSBURG HOLT & ULLEVIG

City of Bellevue Office of the City Administrator

March 6, 2018

To:Mayor Sanders, City Council President Moudry and
Members of the Bellevue City CouncilFrom:Joseph A. Mangiamelli, City AdministratorSubject:Overview - Activities report

The following is an overview of my activities during the period since our last City Council meeting. Numerous meetings and events attended as indicated:

*Met with city Leadership Team to review City Council meeting and discuss upcoming issues

*Attended League of Nebraska Municipalities Mid Winter Conference

*Attended joint meeting of United Cities of Sarpy County with Greater Nebraska Cities

*Attended Bellevue Bridge Commission meeting

*Participated in consultant interview sessions for Bellevue Bridge feasibility assessment

#Attended United Cities of Sarpy County monthly meeting

*Met with City Clerk for performance review

*Met with City Attorney and retired Omaha Attorney to discuss review of Sarpy County Sheriff's report

*Met with Chief Building Inspector to review personnel needs

*Met with Kathy Welch to discuss her upcoming role as a City Councilmember

*Met with Patrick Alston, Burlington Capital, regarding potential aquatics venue

*Met with consultant regarding library feasibility assessment

#Items discussed included bills before the legislature and status, county valuation proposal and recap of meeting with Greater Nebraska Cities including Grand Island, Kearney, etc.

City of Bellevue Personnel Department 1500 Wall Street • Bellevue, Nebraska 68005 • (402) 293-3019

Payroll Specialist

The Personnel Dept. has been busy moving to the offices on Wall Street and working on a new payroll system.

Ashley has been working many hours with Ultimate and trying very hard to get us all up to speed.

Talking short courses online and watching meetings on Webex.

Usual payroll with Paychex until new one is ready. Matching all garnishments, liens, child support. Uploading all retirement files Paying all union dues to misc banks Balancing usual vacations, sick, comp times and Admin leaves. Paying Fire Dept. extra FSLA overtime and usual comp issues. Other misc items.

Human Services

The following activities were undertaken by the *Human Service Program Specialist* for the month of *February2018*:

- A. Attended the following meetings:
 - 1) Bellevue Ministerial Meetings...2/1, 2/8, 2/15, 2/22
 - 2) Community Response...2/5, 2/12, 2/26
 - 3) Energy Meeting...2/15
 - 4) CTC Meeting...2/21
 - 5) Meeting with Bellevue Together...2/23
- B. Other tasks undertaken:
 - 1) Compiled Bellevue Food Pantry Statistics for January.
 - 2) Compiled financial assistance numbers for February.
- **C.** Social Assistance Cases:

Emergency food orders 1 Crisis counseling 10 Application for MUD assistance 2

City of Bellevue Personnel Department 1500 Wall Street • Bellevue, Nebraska 68005 • (402) 293-3019

Application for rent assistance 2 Assisted with OPPD 6 Application for Black Hills Assistance Adult Crisis Assistance 0 Total households approved for financial/pantry assistance: 11 *Total households assisted/referrals:* **31** *3 No Shows Total 1 Requests/Denials via phone calls.*

These client contacts provided direct food crisis assistance to 1 adults and 1 child. Total of 2 individuals assisted.

The Program Specialist interacted on 49 collateral calls on behalf of clients.

The Human Service Office assisted with 1 food order, and issued 1 food voucher and recorded another 244 cases for food assistance on the food pantry data base for a total of 245 households, (Combined total between Bellevue Human Services and ENCAP).

February was unusually slow this year. Typically people pay to receive their tax refunds early in order to try and catch up on as many bills as possible and stalk up on groceries. Once this funding runs out, the calls generally increase. I did continue to have several calls for amounts that were far outside of what our scope is. I did refer and worked very hard on the cases that could utilize other agencies. We had two stand out success cases this month with applications of that manner.

Specialized Transportation

Specialized Transportation traveled 1,871 miles with 282 passengers and the office registered three new clients the last two weeks.

City of Bellevue Office of the City Clerk 1500 Wall Street • Bellevue, Nebraska 68005 • (402) 293-3007

March 6, 2018

From: Sabrina Ohnmacht, City Clerk

RE: Information for Administration Report

Getting settled into our new office and getting things put away.

Susan will be attending the Word 4 class on Thursday.

I took vehicles out to the County for plates, but they gave me County Gov't plates instead of City. I will be making a return trip out there, along with the six BPD motorcycles.

Joe and I will be talking to another Code vendor on Thursday.

Dr. Kevin Warneke and his Journalism students from UNO will be here for Monday's meeting.

Preparing for meetings and the Ribbon Cutting/Open House.

FINANCE DEPARTMENT 1500 Wall Street – Bellevue, NE 68005 – (402) 293-3000

CITY OF BELLEVUE

Bellevue Finance Department Status Report March 12, 2018

ACCOUNTING AND FINANCE

- Provided support for analytical questions from Auditors
- Treasury management
- Reviewed and Managed E-req's
- Provided answers to departments regarding actuals and budget
- Authorized CDBG reimbursement request
- Issued payments for approved expenses
- Weekly Call with Ultimate Software regarding new payroll system
- Paid bills online as approved/requested
- Processed credit card transactions and reconciled statements
- Prepared Minute Record / Research bills on minute record
- Verified and booked receipts from PayPort System and Haworth Camping System
- AP Review
- Sales Tax and Lodging Tax monthly analysis and JE
- Moved to new office at 1500 Wall St
- Lease analysis
- February Bank Reconciliations
- Monthly allocations
- Data entry of journal entries for department
- Booked various cash receipts

CDBG:

- Held CDBG public hearing and distributed application for the 2018 funding cycle. Applications are due April 13th for consideration for 2018 funding. Also, host a CDBG Application Workshop to provide assistance with application form and attachments.
- Distributed executed 2017 CDBG Subrecipient agreements and met with subrecipients to discuss activities moving forward, reporting requirements and answer questions.
- Held CDBG New Committee Member Orientation meetings and full CDBG Committee meeting to review current project status and expectations for the 2018 funding cycle.
- Updated all project files and financial binders and organize CDBG office,
- Continued review and close out of completed CDBG projects include Hike Building Façade Improvements, North Bellevue Sidewalk Improvements, and Hastings Banner Park Bathroom Improvement projects with file review and subrecipient meetings.

RISK MANAGEMENT:

- Continued processing existing claims and worked to bring open claims towards resolution and closure
- Continued to investigate/accept/deny new claims
- Continued to manage modified duties for restricted employees
- Continued to coordinate the 2018 Employee Wellness Program
- Continued processing safety boot requests for eligible employees
- Continued discussions on updating the Emergency Management Manual

Safety Inspector assisted Finance Department with:

- Attended meetings and worked on moving City Hall offices to 1500 Wall Street
- Conducted all duties associated with auctioning surplus equipment
- Total Gov Deals sales to date: \$219,000 in sales

Respectfully submitted, Rich Severson Finance Director, City of Bellevue

City of Bellevue Bellevue Public Library 1003 Lincoln Road • Bellevue, Nebraska 68005 • (402) 293-3157

Memo

To: Joe Mangiamelli, City Administrator

From: Julie Dinville, Library Director

Date: 2/27/2018

- The Bellevue Library Board met for its regular monthly meeting on Wednesday, Feb. 21. Among the items for discussion included a review of the annual statistical report to the Nebraska Library Commission and discussion of the annual reading programs starting with the Adult program in the spring and the children's and young adult programs in the summer.
- Director Julie Dinville and Assistant Director Sandra Astleford attended a webinar by SirsiDynix on their product called BlueCloud mobile which provides an updated and enhanced interface for patrons with mobile devices to access a library's catalog. The app also integrates other functions, such as providing information on events and making the process for downloading digital content much easier. Library staff will be evaluating BlueCloud Mobile as a possible future addition.
- The Bellevue Library will host its 15th annual Seussathon reading marathon on Friday, March 2, from 9 a.m. to 4:30 p.m. For the event, individuals of all ages and families are encouraged to stop by and read from their favorite Dr. Seuss books to celebrate Dr. Seuss's birthday and to support the Read Across America campaign that emphasizes the importance of reading to all ages. Refreshments will be provided and children will be eligible for prizes throughout the day.
- From introductory meetings in January, two writers groups are now meeting at the library. Called the Inklings Writers Group, persons interested in sharing their writing, offering publication tips, etc., can meet either the third Tuesday of the month in the evening or on the fourth Friday of the month in the afternoon.
- Young adults enjoyed two activities in the past week including making "fluffy" slime as a stressbuster on Tuesday, Feb. 20, and then enjoying a Winter Café with hot cider, cocoa, tea and snacks for an after school event. In addition games and art projects were available to the teens attending this activity.

City of Bellevue Bellevue Public Library 1003 Lincoln Road • Bellevue, Nebraska 68005 • (402) 293-3157

Memo

To: Joe Mangiamelli, City Administrator

From: Julie Dinville, Library Director

Date: 3/06/2018

- Some 325 persons attended the 15th annual Seussathon reading marathon on Friday, March 2, at the Bellevue Public Library. The annual event, which encourages individuals of all ages and families to support the importance of reading, was held on the birthday of children's author Dr. Seuss.
- Martha Ruff, Circulation Manager, met with Laura Marlane, executive director of the Omaha Public Library, to discuss the opportunities for paraprofessionals in the OPL system. Ruff is the past president of the Paraprofessional Section of the Nebraska Library Association.
- The Bellevue Library Foundation is running a "Let Your Change Make a Change" fundraiser at the library through the month of March. Staff have set up a display featuring an umbrella featuring a book design into which the public can "toss" their change. The funds all go toward library projects and services.
- The Storytelling Club will wind up their spring program this month. During the 10-week course, which began on Jan. 16, participants practice several life-skills, such as personal expression, creativity, public speaking, and adaptability, while learning the art of storytelling from two storytellers from the Omaha Organization for the Purpose of Storytelling (OOPS). The program, which meets after school each Tuesday of the month, is open to current 1st through 12th graders. The program will conclude with a finale performance for family and friends on March 20th.
- Jeff Barnes, Nebraska author, will present a program on Nebraska's architectural heritage on Saturday, March 17, starting at 10 a.m. This free event is funded in part through a grant from Humanities Nebraska. Barnes will talk about his recent book, 150@150: Nebraska's Landmark Buildings at the State's Sesquicentennial. Barnes, a freelance writer and fifthgeneration Nebraskan, has completed other historical books related to Nebraska including those on Buffalo Bill, General George Custer, and the forts of the northern plains. Barnes's presentation is being sponsored by the Bellevue Library Foundation.

City of Bellevue

Office of the Planning Department

То:	Mayor Sanders, City Council, and City Administrator Mangiamelli
From:	Chris Shewchuk, Planning Director CMS
Date:	March 6, 2018
Subject:	Department comments for Administration Report

The next Planning Commission meeting will be held on March 22. We are reviewing a Conditional Use Permit for a self-storage facility located at 9th and Cary Streets for the agenda.

I expect to have the annual Complete Streets report on the March 26 Council agenda.

I attended a Smart Cities Lab working group meeting at MAPA.

Tammi and I attended the Nebraska Planning and Zoning Association annual conference in Kearney March 7-9.

I met with Abby Highland and Don Gross (Community and Economic Development Manager at MAPA) to discuss MAPA's housing rehab projects and other MAPA initiatives.

ł

INTEROFFICE MEMORANDUM

TO:	JOE MANGIAMELLI
FROM:	ACTING CHIEF STUKENHOLTZ
SUBJECT:	DIRECTORS BRIEF
DATE:	3/7/2018

Testing for Police Officer candidates will be held March 25th.

We have been working with the Communications Department and department heads regarding access to City Hall.

Continuing to plan and prepare for Bruin Safety, large scale scenario at Bellevue University in May.

City of Bellevue Public Works Department 1510 Wall Street • Bellevue, Nebraska 68005 • (402) 293-3025

Reported hours are taken from work orders submitted for the week. Some work orders may reflect a large amount of hours performed which would mean the unit was in the shop for an extended period of time. Work may be carried over from one week into another.

The number of hours documented on repair tickets does not include the hours it takes for Fleet Maintenance personnel to shuttle cars to and from the shop, to deliver cars to designated locations for out sourced work (i.e. window/windshield replacement, body work, warranty work) and running for parts, etc.

NEXT REPORT 03.26.18
